[57] CLAIM

The ornamental design for a strain relief bushing, for an electric cable as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the strain relief bushing for an electric cable showing our new design; FIG. 2 is a rear perspective view thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a rear elevational view thereof; FIG. 5 is a top plan view thereof; FIG. 6 is a bottom plan view thereof; FIG. 7 is a right side elevational view thereof; FIG. 8 is a left side elevational view thereof; and, FIG. 9 is a perspective view thereof showing the bushing in the closed position. The broken line showing of the electric cable and panel of FIG. 9 is for illustrative purposes only and forms no part of the claimed design.
