[57] **CLAIM**

The ornamental design for generic animal figure, as shown and described.

DESCRIPTION

FIG. 1 is a right front perspective view of a generic animal figure showing my new design.

FIG. 2 is a rear elevational view thereof.

FIG. 3 is a top plan view thereof.

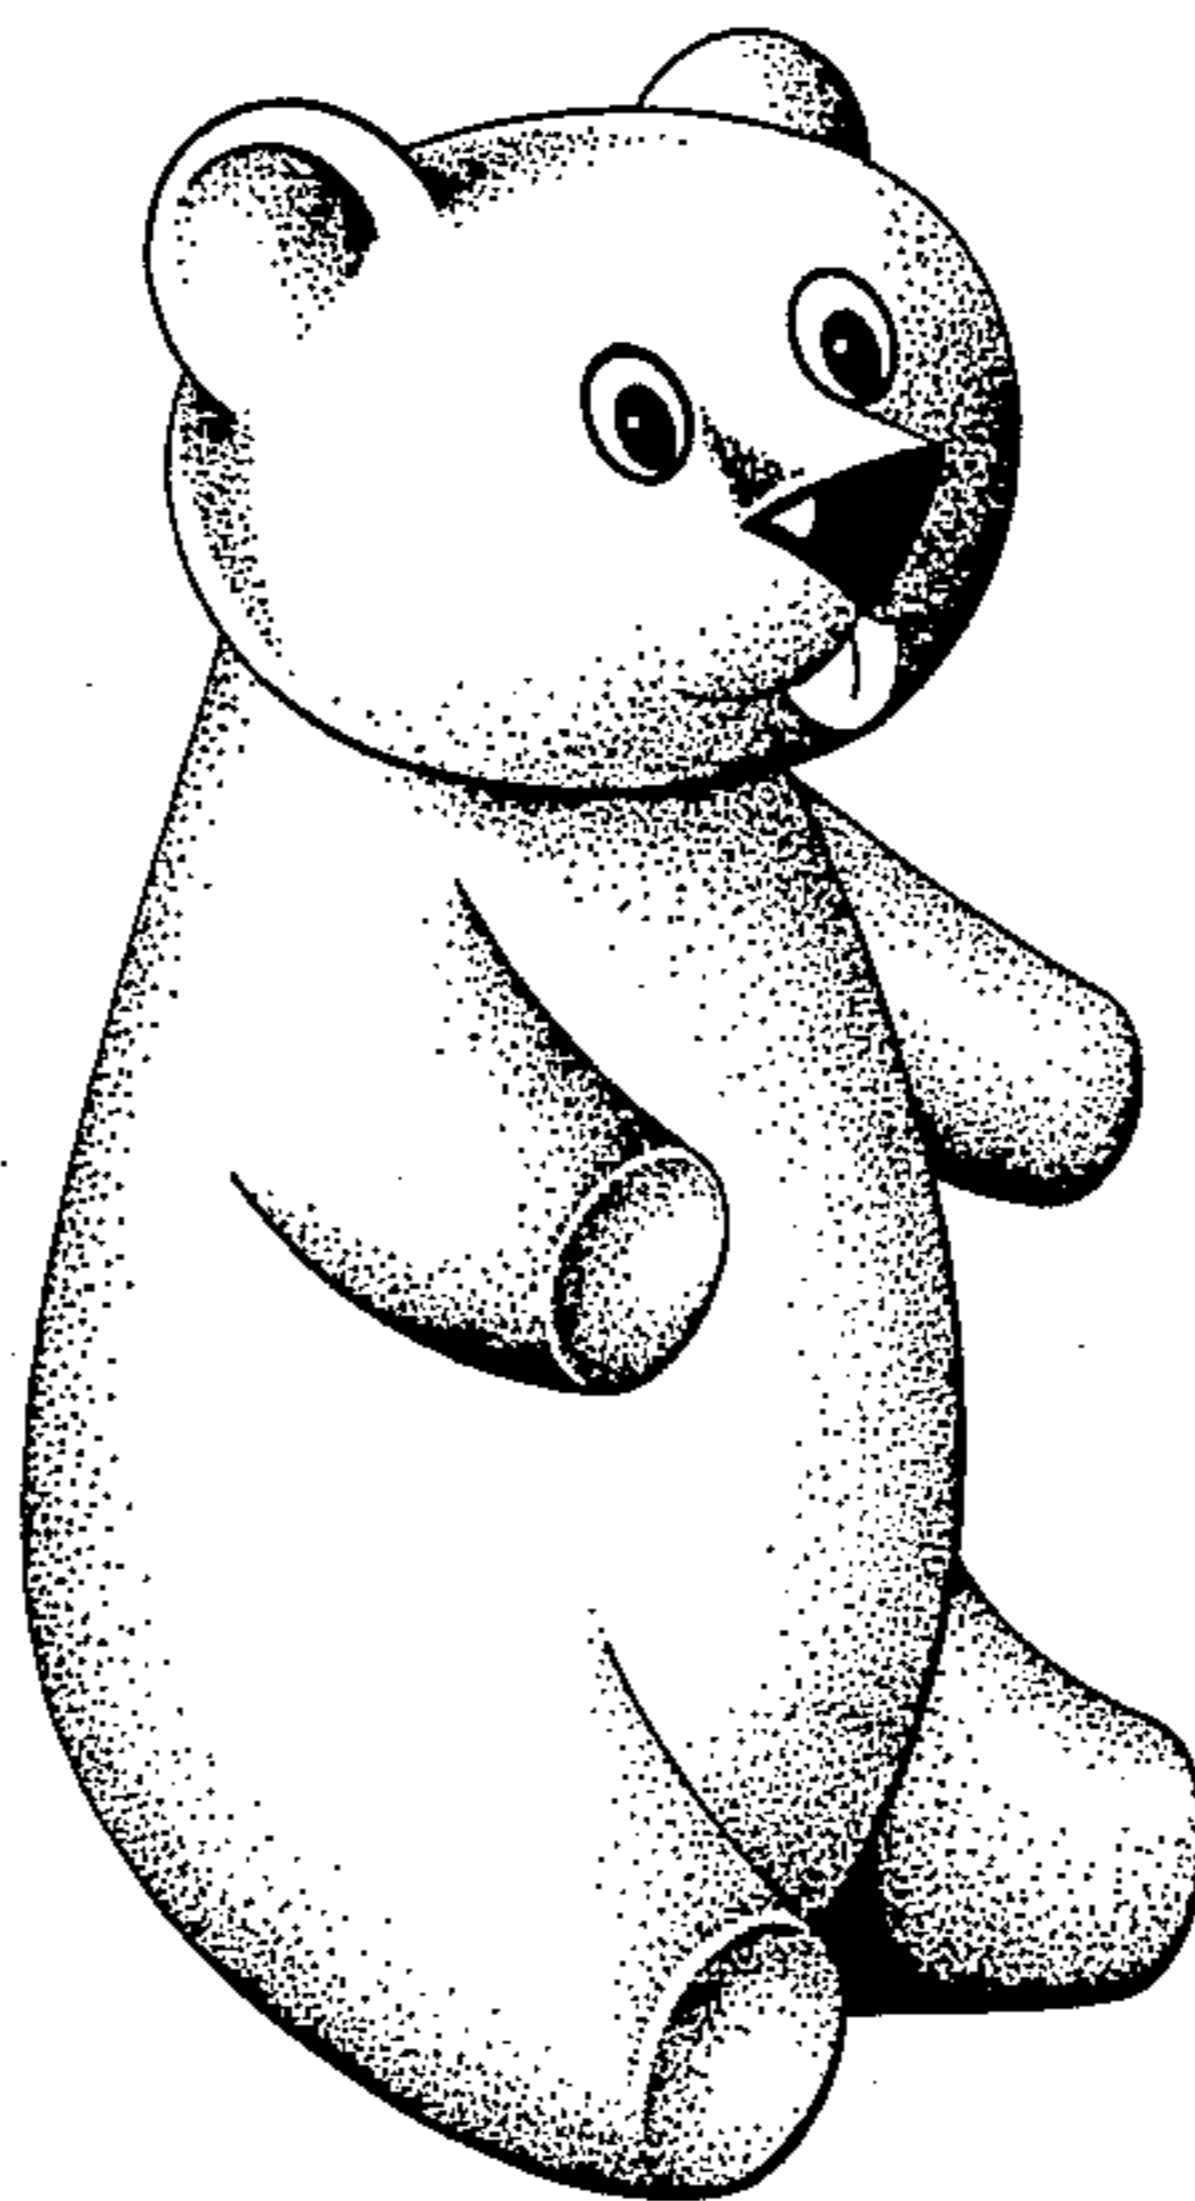

FIG. 4 is a bottom plan view thereof.

FIG. 5 is a left side view thereof.

FIG. 6 is a right front perspective view of a modified form of the design for animal in which the modification consists of a different color pattern to produce a different animal.

FIG. 7 is a right front perspective view of another modified form of the design for animal, in which the modification consists of another different color pattern to produce another different animal.

FIG. 8 is a right front perspective view of another modified form of the design for animal, in which the modification consists of yet another color pattern to produce yet another different animal.
