[57] CLAIM

The ornamental design for a probe for electronic thermometer, as shown.

DESCRIPTION

FIG. 1 is a front perspective view of a probe for electronic thermometer showing our new design; **FIG. 2** is a rear elevational view thereof; **FIG. 3** is a top plan view thereof; and **FIG. 4** is a bottom plan view thereof. The broken-line showing of a cable in **FIGS. 1** and **2** is environmental only and forms no part of the claimed design.
