[57] **CLAIM**

The ornamental design for a soldering tool, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a soldering tool showing my new design, the cord being shown broken-away to indicate indeterminate length and the broken-line showing of the visible internal components being for illustrative purposes only and forming no part of the claimed design;

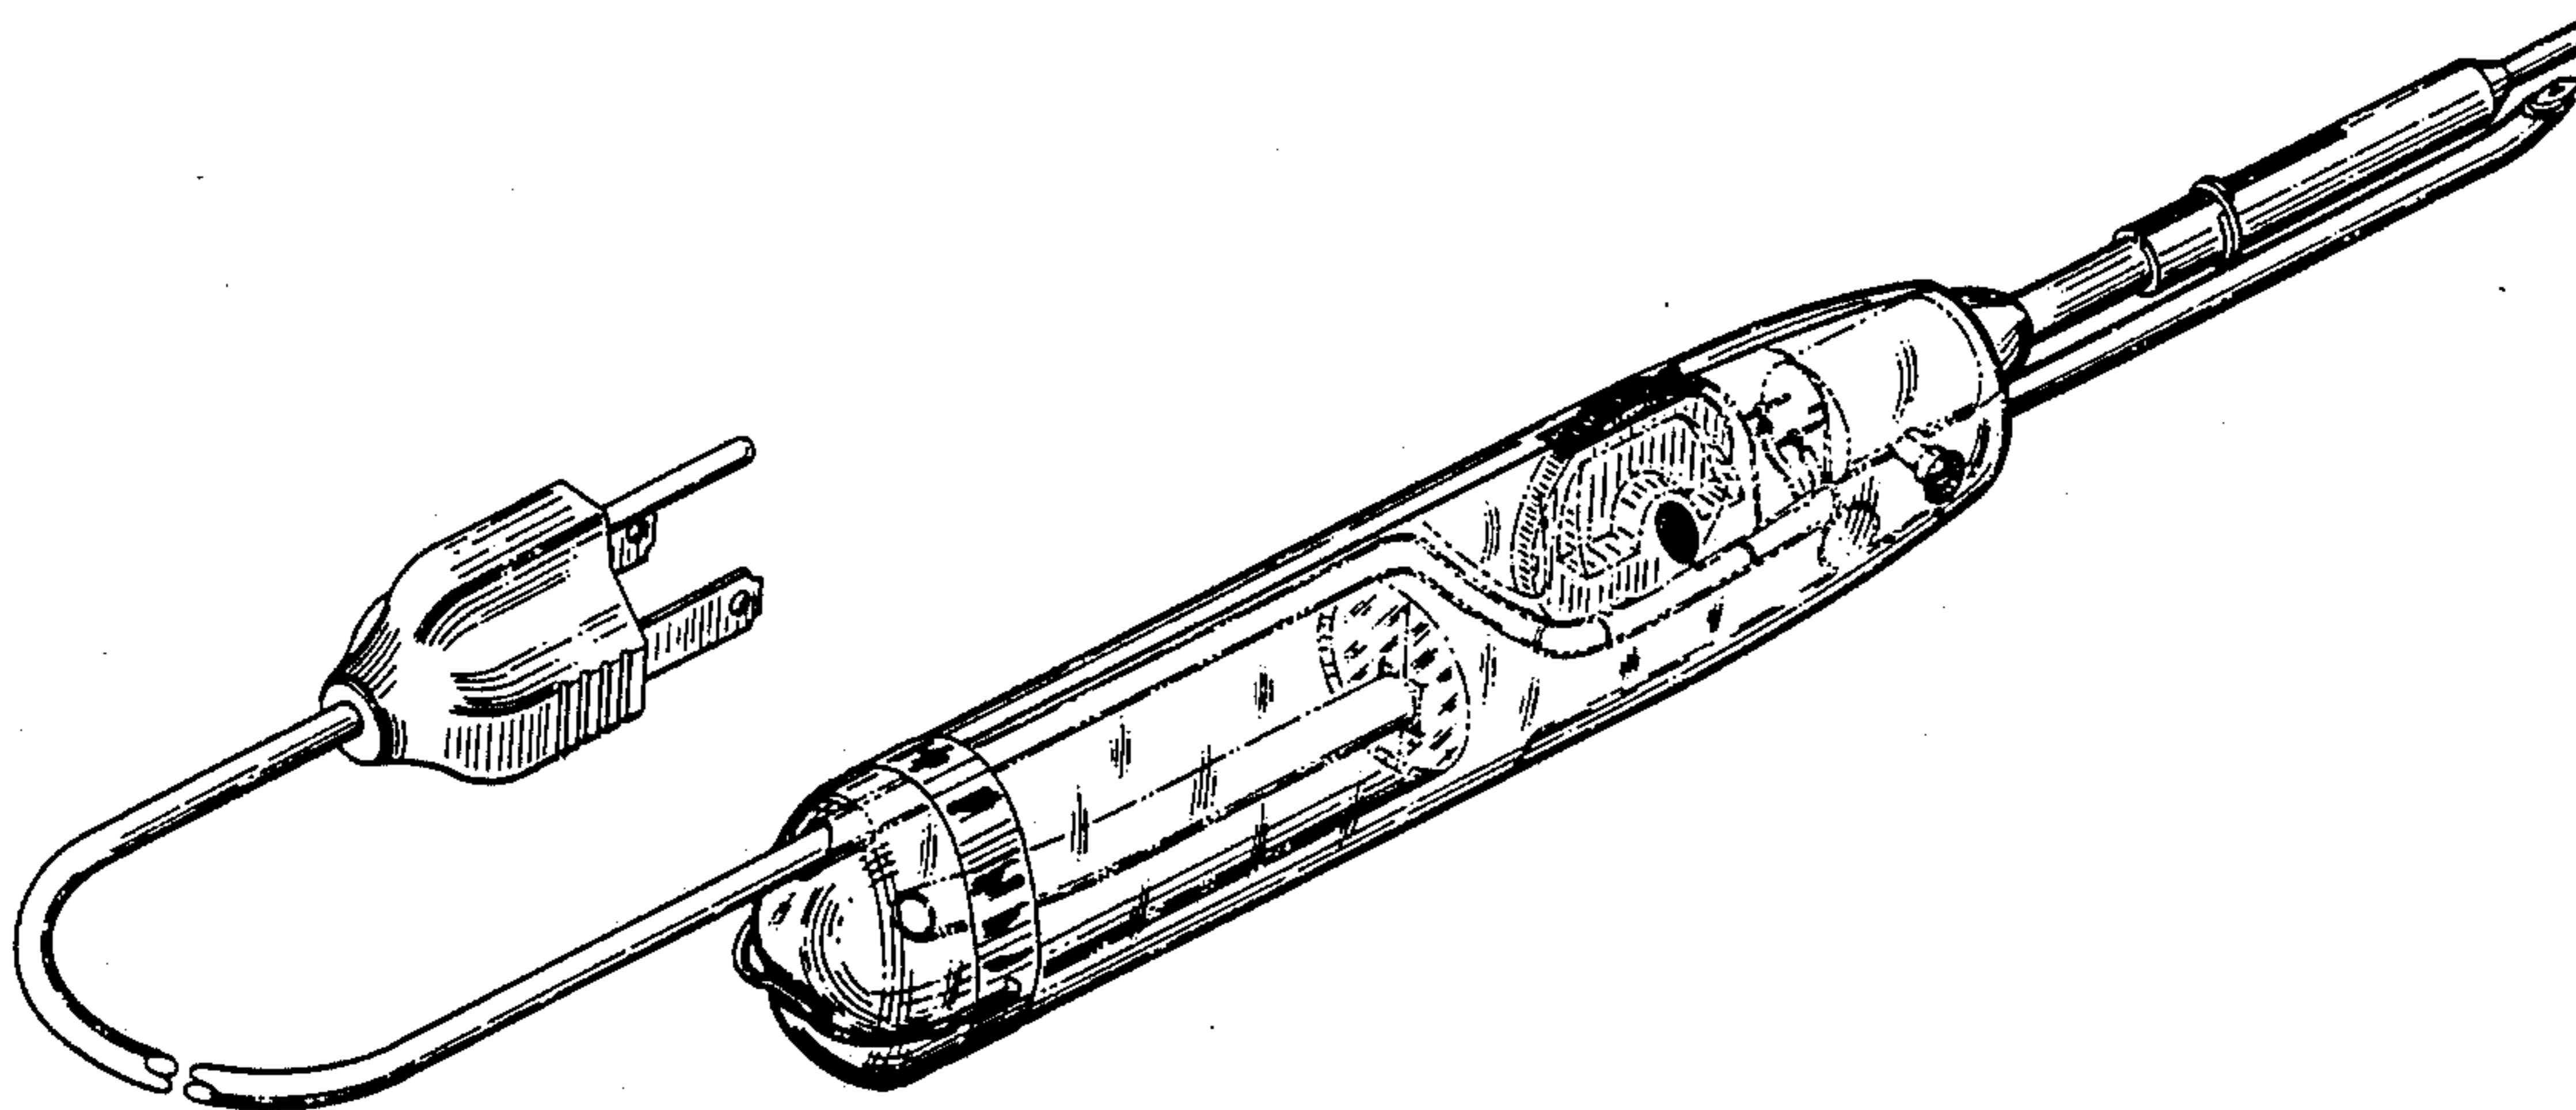

FIG. 2 is a top plan view thereof, a portion of the cord and plug being omitted for clarity of illustration;

FIG. 3 is a side elevational view thereof, the side opposite being a mirror image of that shown;

FIG. 4 is a rear elevational view thereof; and

FIG. 5 is a front elevational view thereof.

The characteristic feature of the design resides in the transparent housing.
