[57] CLAIM

The ornamental design for a rug or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a rug or similar article showing my new design, portions thereof are shown broken away to indicate indeterminate length; and FIG. 2 is a top plan view thereof on an enlarged scale. The bottom view of the rug is a mirror image of the top view, and the side edges are as shown in the perspective view. The side edges not shown in the perspective are mirror images of the perspective view of FIG. 1.
