[57] CLAIM

The ornamental design for a telephone set for desk or wall emplacement, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a telephone set for desk or wall emplacement showing my new design;

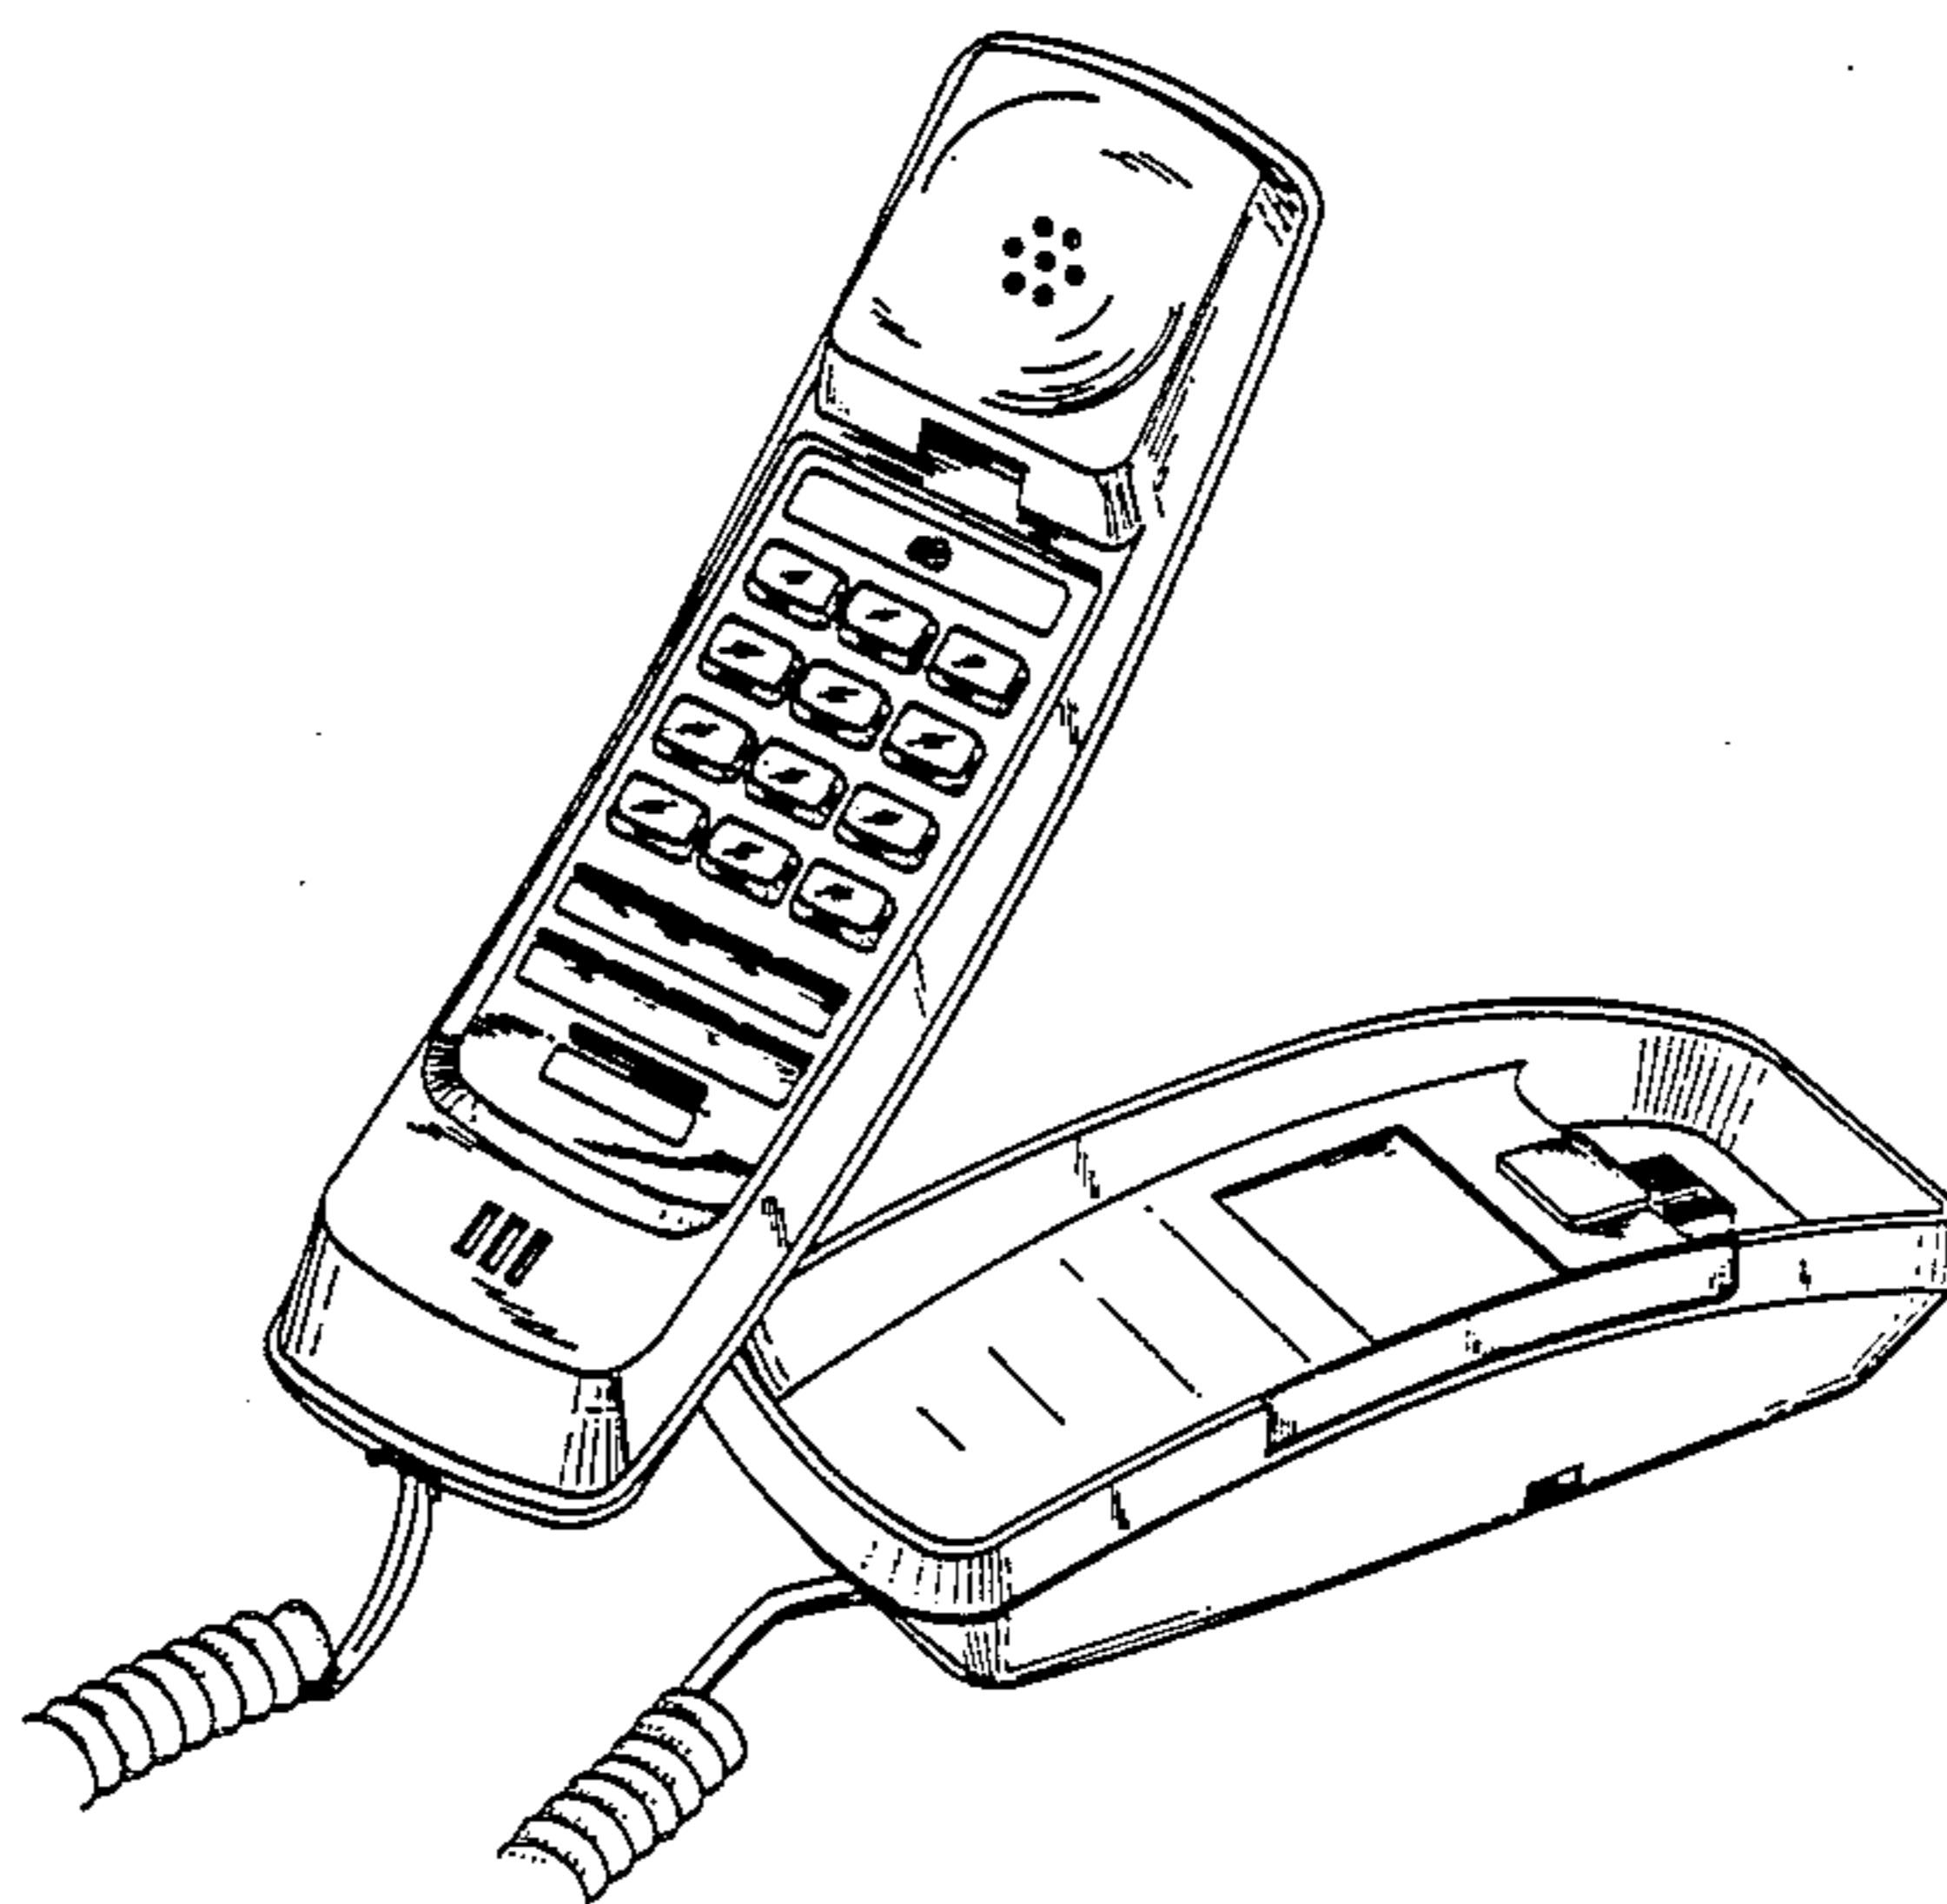

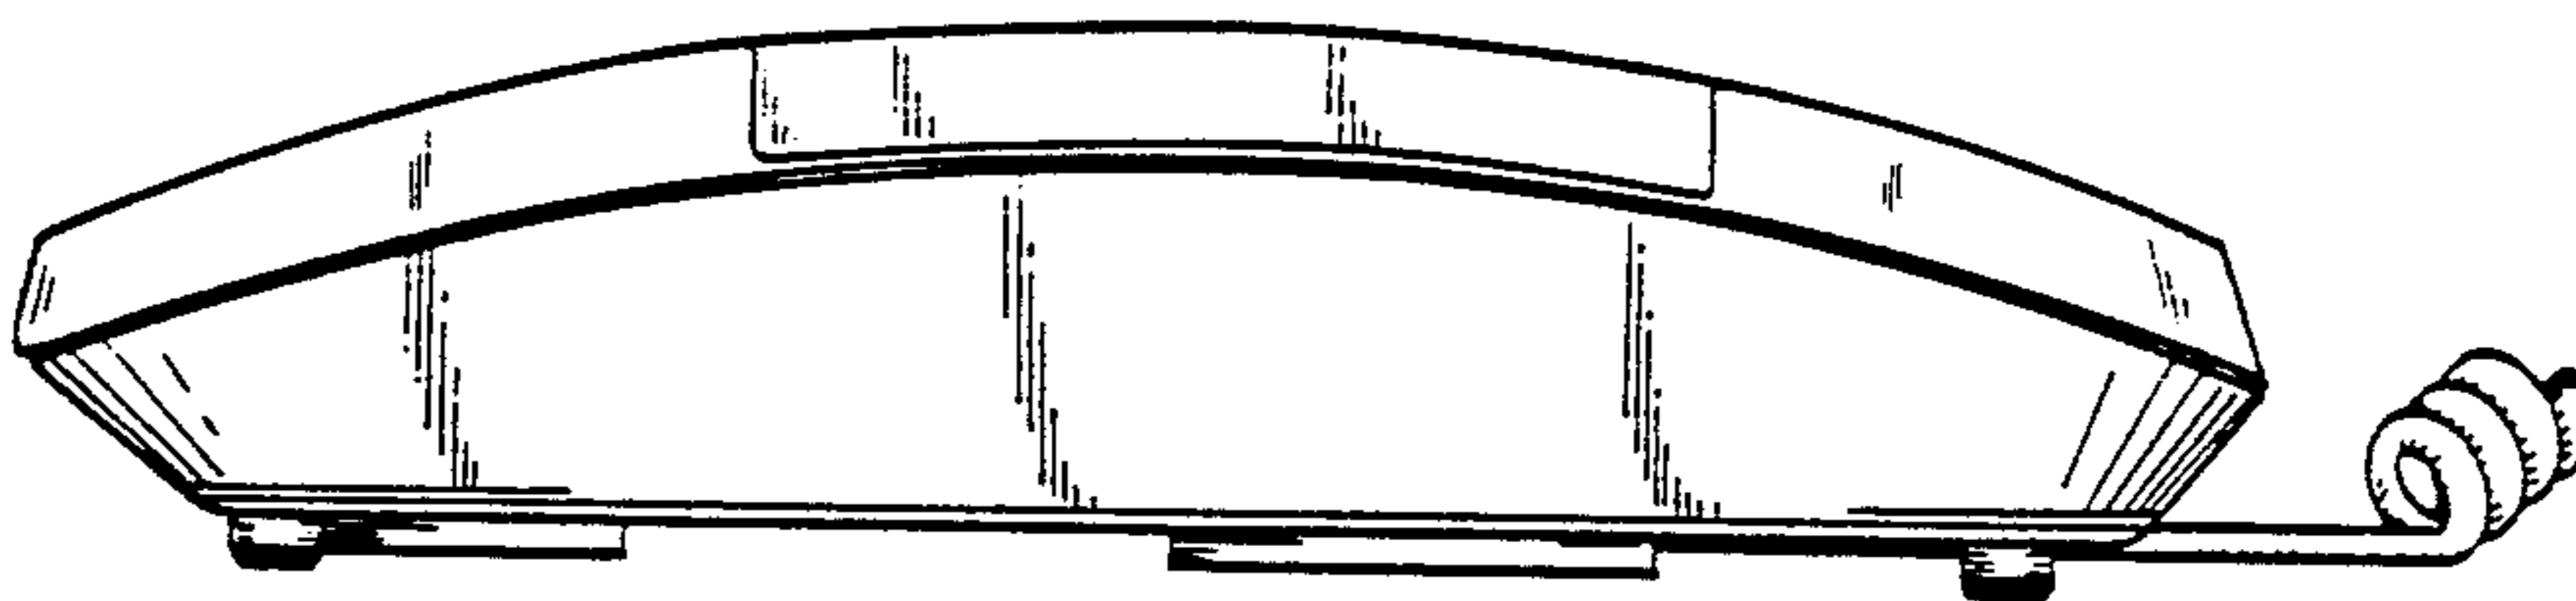

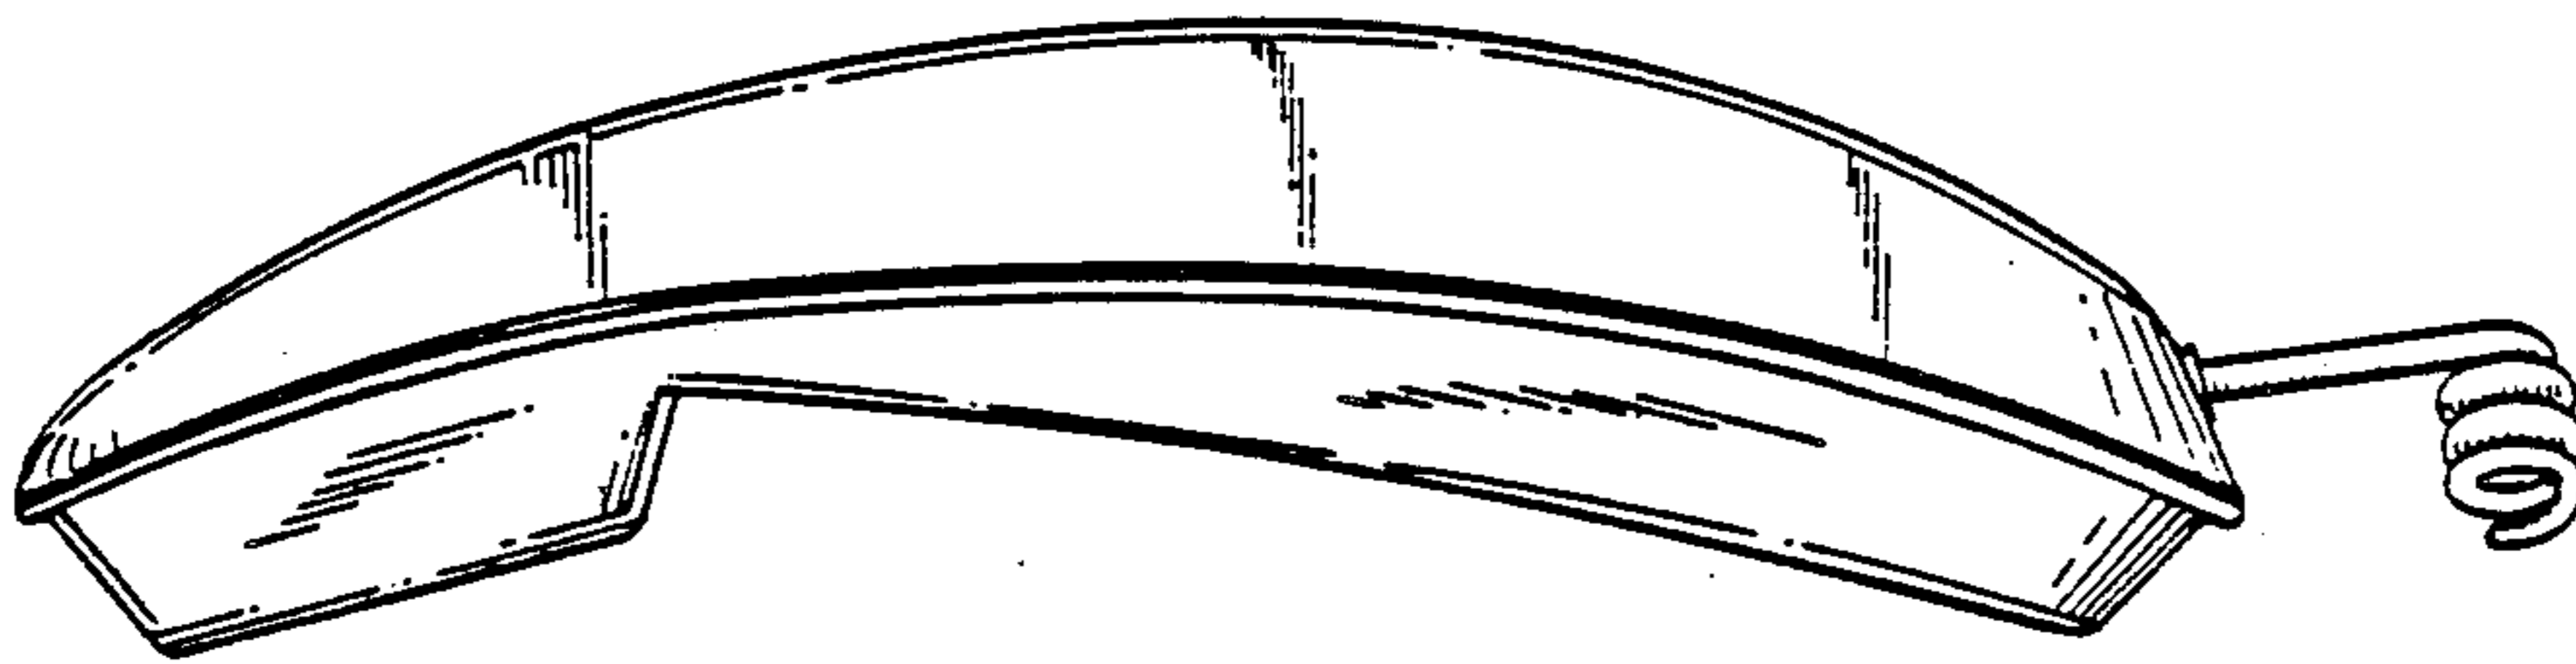

FIG. 2 is a left side elevational view thereof;

FIG. 3 is a left side elevational view of the handpiece, and a similar view of the stand positioned below and apart from the handpiece;

FIGS. 4 and 5 are respectively front and rear elevational views thereof; and

FIG. 6 is a bracket associated bottom and left side perspective view of the handpiece and a top and right side perspective view of the stand.

The bottom of the telephone set for desk or wall emplacement is substantially flat and unornamented.

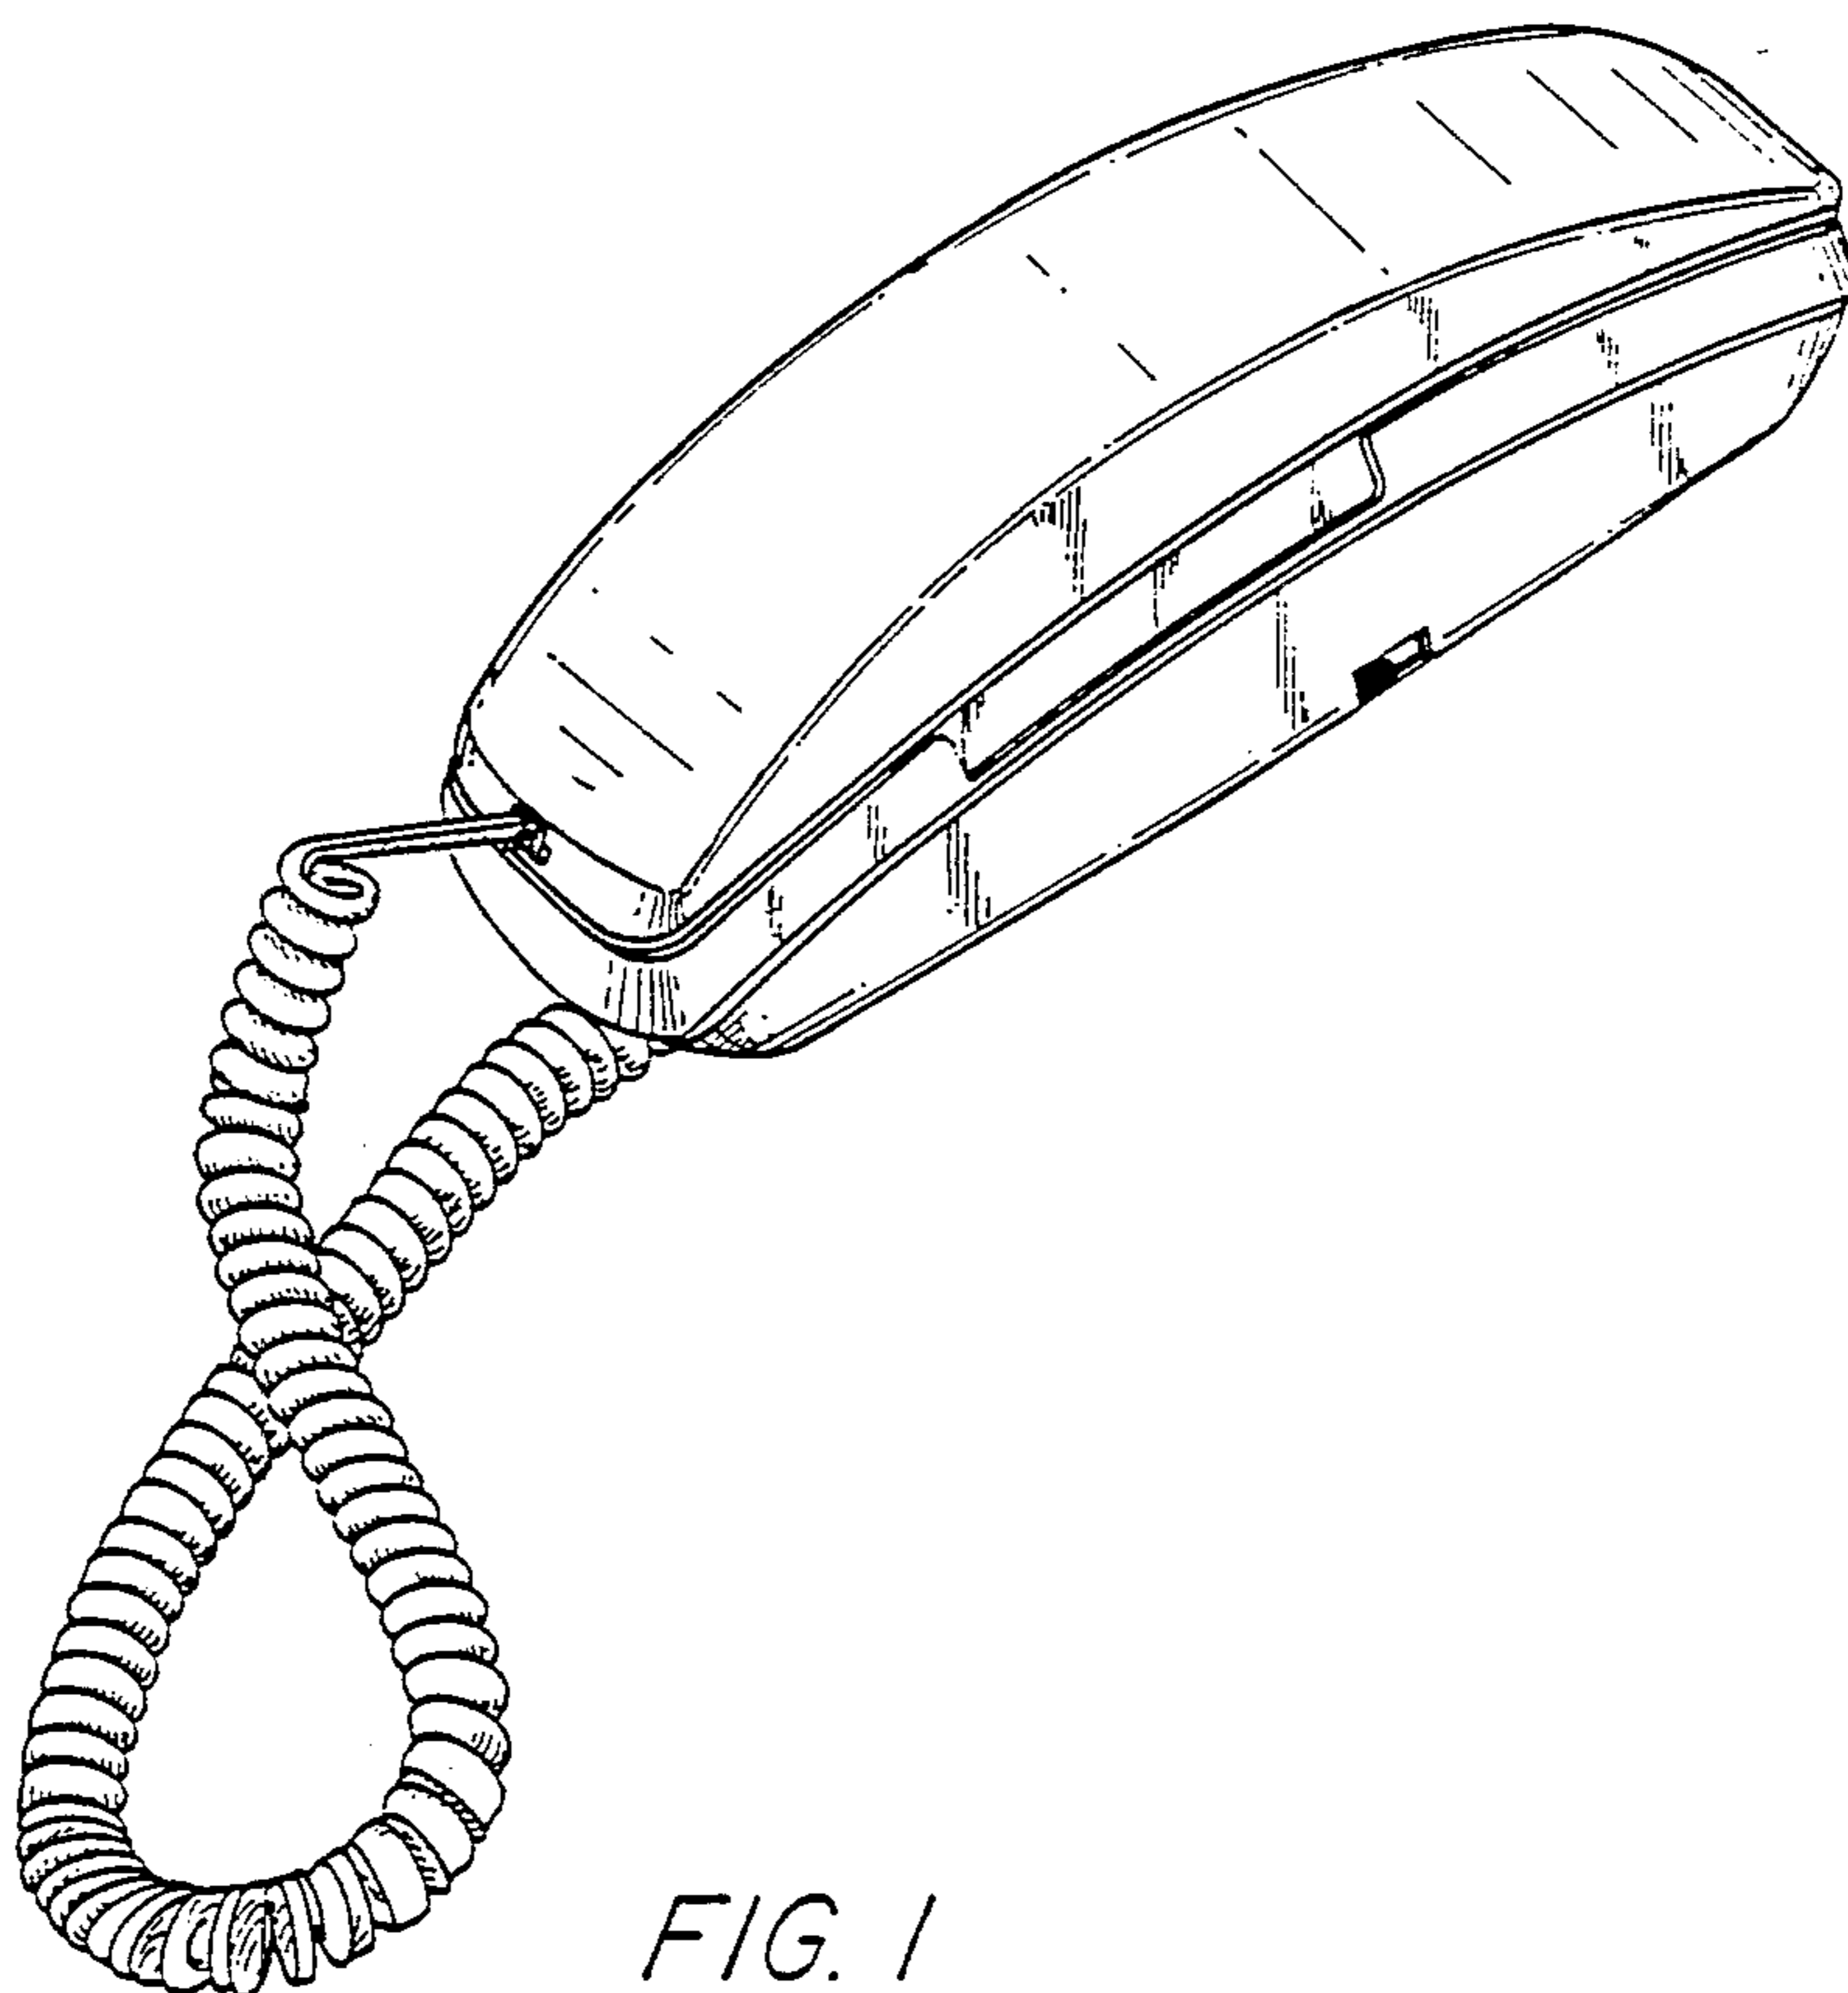

FIG. 1
