[57] **CLAIM**

The ornamental design for telephone set, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a telephone set showing my new design in cradle relationship;
 FIG. 2 is a front elevational view thereof;
 FIGS. 3 and 4 are respectively left and right side elevational views thereof and
 FIG. 5 is a bracket associated top plan view of the receiver stand of the telephone set and a bottom plan view of the inverted handset of the set spaced apart for facility of illustration.
 The nature and character of the appearance of the set's rear is consistent with that shown in FIGS. 1, 3, 4 and 5, and the balance small undisclosed portion is unornamented.
