[57] **CLAIM**  
The ornamental design for a video self-service terminal, as shown and described.

**DESCRIPTION**  
FIG. 1 is a perspective view showing the front and one side of my design for video self-service terminal;  
FIG. 2 is a front elevational view of my design for video self-service terminal;  
FIG. 3 is an elevational view showing the side opposite that shown in FIG. 1.  
FIG. 4 is a top plan view of my design for video self-service terminal; and  
FIG. 5 is a bottom plan view of my design for video self-service terminal.  
The undisclosed rear surface of the video self-service terminal is conventional in appearance.
