[57] CLAIM

The ornamental design for a flag-shaped electrical terminal, as shown and described.

DESCRIPTION

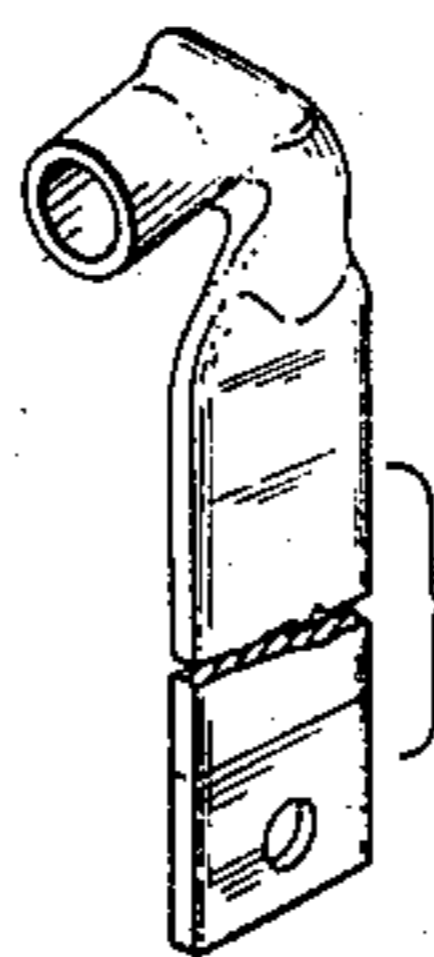

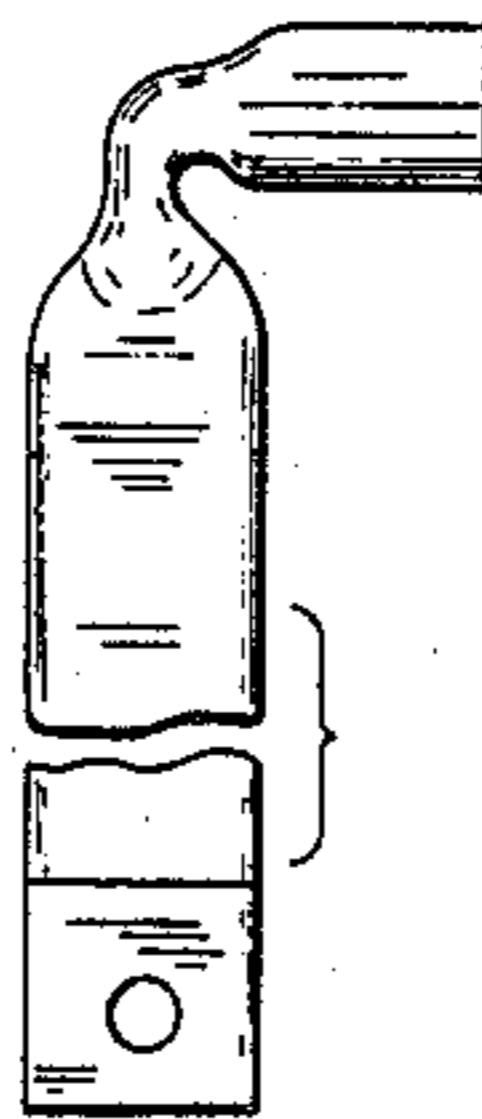

FIG. 1 is a left side elevational view of a flag-shaped electrical terminal showing my new design, the blade portion being shown broken away to depict indeterminate length;

FIG. 2 is a right side elevational view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a rear elevational view thereof.

FIG. 5 is a top perspective view thereof.
