CLAIM

The ornamental design for a combined check rail lock and keeper, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a combined check rail lock and keeper showing my new design;

FIG. 2 is a front elevational view of the lock portion thereof;

FIG. 3 is a rear elevational view of the lock portion thereof;

FIG. 4 is a left side elevational view of the lock portion thereof;

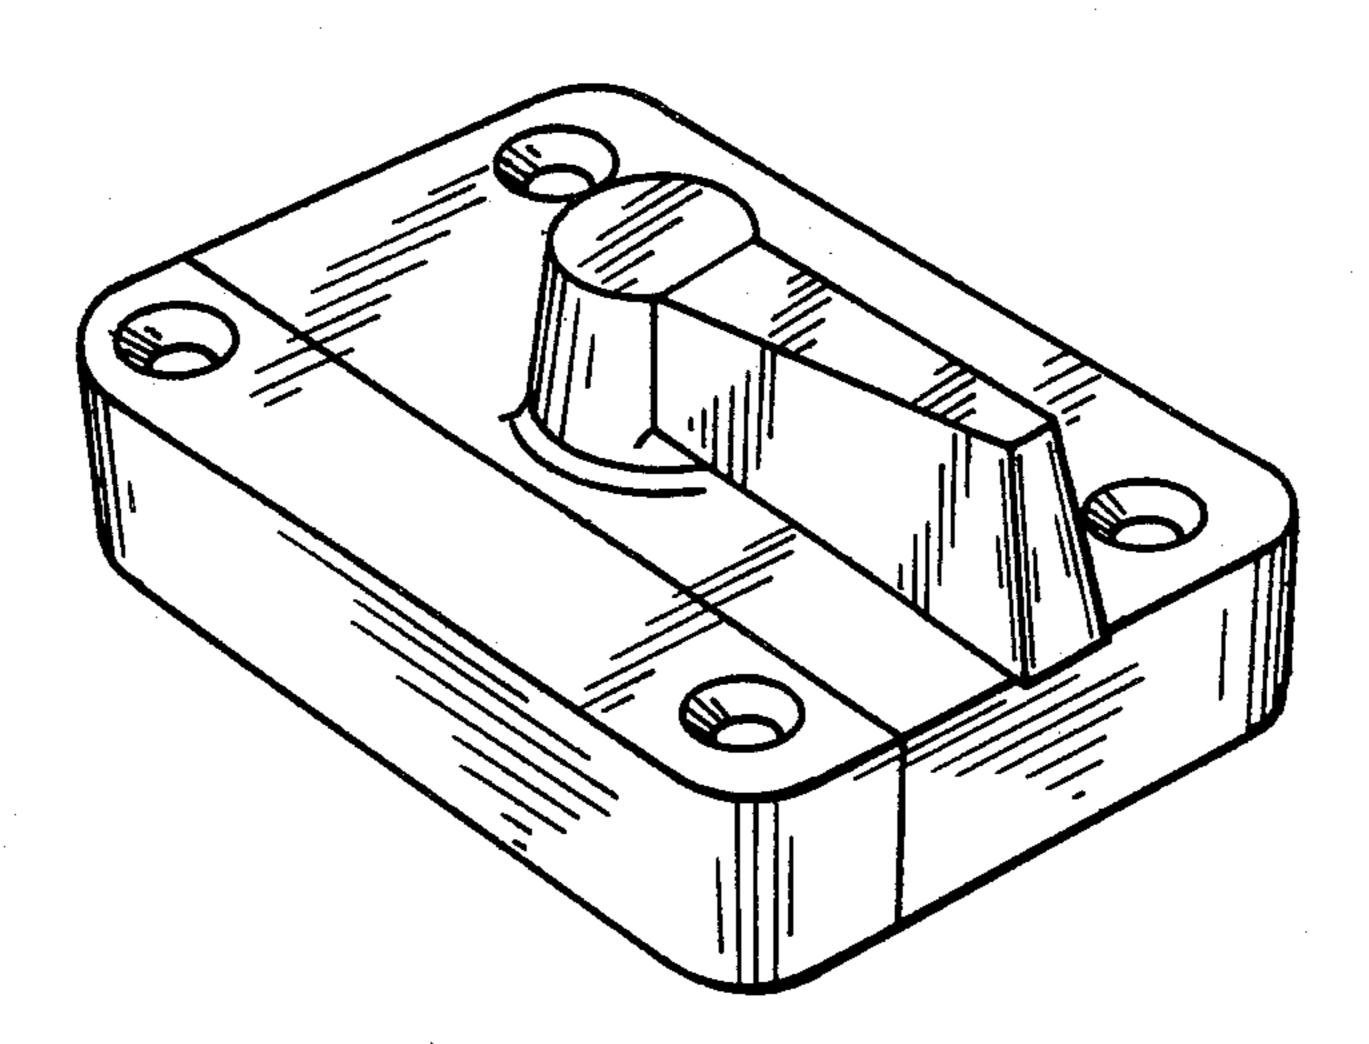

FIG. 5 is a right side elevational view of the lock portion thereof;

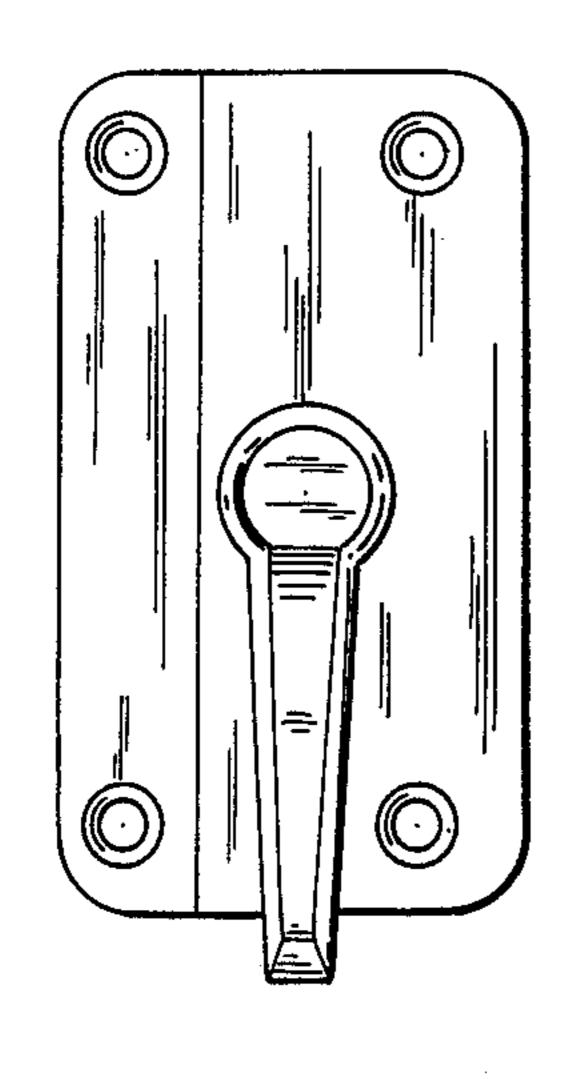

FIG. 6 is a rear elevational view of the keeper portion thereof;

FIG. 7 is a front elevational view of the keeper portion thereof;

FIG. 8 is a left side elevational view of the keeper portion thereof; the right side being a mirror image; and FIG. 9 is a top, rear and left side perspective view thereof.

The keeper and lock portions are alternatively omitted in the views for clarity of illustration.
