[57] CLAIM

The ornamental design for a combined wall-mounted panel and folding shelf, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined wall-mounted panel and folding shelf showing my new design, the broken line showing of a wall fragment being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is an enlarged front elevational view thereof; FIG. 3 is an enlarged left side elevational view thereof, the right side being a mirror image of that shown; FIG. 4 is an enlarged top plan view thereof; FIG. 5 is an enlarged rear elevational view thereof; FIG. 6 is a perspective view thereof, with the shelf shown lowered to an open position; and FIG. 7 is a perspective view of an alternate embodiment thereof, with the shelf shown lowered to an open position, and the only difference residing in the appearance of the shelf top surface.
