[57] CLAIM

The ornamental design for an adapter for connecting medicament supply and applicator, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an adapter for connecting medicament supply and applicator, showing my new design, the broken line showing of the supply tube and applicator being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a side elevational view thereof;

FIG. 3 is a left end elevational view of the adapter in FIG. 2; and

FIG. 4 is a right end elevational view of the adapter in FIG. 2.
