[57] CLAIM

The ornamental design for a telephone set, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a telephone set in cradled relationship showing my new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a left side elevational view thereof;

FIG. 6 is a front elevational view thereof;

FIG. 7 is a right side elevational view of the stand of the set with its elongated leg in lowered posture;

FIG. 8 is a rear elevational view thereof showing the horizontally extending elongated leg in lowered posture;

FIG. 9 is identical to FIG. 2 and the entire telephone set except for one small button between the display area and the dial keys thereof; and

FIG. 10 is identical to FIG. 2 and the entire telephone set except for four small buttons between the display area and the dial keys thereof.
