CLAIM

The ornamental design for an elevating working platform, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an elevating working platform showing my new design;

FIG. 2 is a right side elevational view thereof, the opposite side being a mirror image thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a front elevational view thereof;

FIG. 5 is a top plan view thereof, the bottom being plain and unadorned;

FIG. 6 is a perspective view of a second embodiment of the elevating working platform;

FIG. 7 is a right side elevational view of FIG. 6, the opposite side being a mirror image thereof;

FIG. 8 is a rear elevational view of FIG. 6;

FIG. 9 is a front elevational view of FIG. 6; and

FIG. 10 is a top plan view of FIG. 6, the bottom being plain and unordorned.
