[57] **CLAIM**

The ornamental design for a table-mounted adjustable
lamp, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a table-mounted
adjustable lamp showing my new design;
FIG. 2 is a perspective view taken from one side of the
lamp on a reduced scale, the other side being a mirror
image thereof;
FIG. 3 is a rear perspective view of the lamp showing
an alternate position thereof; and
FIG. 4 is a side perspective view of the lamp showing
another alternate position thereof.
The portion of the underside of the reflector not shown
in the drawing FIGURES is open, the visible interior
surface of the reflector being flat, plain and unorna-
mented.
