[57] CLAIM

The ornamental design for a divot replacer for golf course maintenance, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a divot replacer for golf course maintenance showing my new design; FIG. 2 is a side elevational view of the base thereof, the opposite side being substantially similar in appearance; FIG. 3 is an end elevational view of the base thereof, the opposite end being substantially similar in appearance; and FIG. 4 is a bottom plan view thereof. Regarding the figures, the shaft portion is shown broken-away in the views to indicate indeterminate length.
