[57] CLAIM

The ornamental design for a diskette drive front panel, as shown and described.

DESCRIPTION

FIG. 1 is a right, top, front perspective view of the diskette drive front panel showing our new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a right side elevational view thereof; FIG. 5 is a left side elevational view thereof; FIG. 6 is a top plan view thereof; FIG. 7 is a bottom plan view thereof; FIG. 8 is a front elevational view thereof showing the diskette drive front panel attached to a diskette drive. The broken line showing of the diskette drive in FIG. 8 is for illustrative purposes only and forms no part of the claimed design.
