[57] CLAIM

The ornamental design for a clip-on automobile body side molding, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a clip-on automobile body side molding embodying my new design; FIG. 2 is a top plan view thereof, the bottom plan view being a mirror image of that shown; FIG. 3 is a rear elevational view thereof; and FIG. 4 is a left-end elevational view thereof, the opposite end being a mirror image of that shown. The clip-on automobile body side molding has been broken away in the middle in FIGS. 1, 2 and 3 to indicate indeterminate length.

FIG. 1

FIG. 2

FIG. 3

FIG. 4
