[57] **CLAIM**

The ornamental design for a vibration isolator for electric motor, as shown.

**DESCRIPTION**

FIG. 1 is a top, front and right side perspective view of a vibration isolator for electric motor showing our new design;

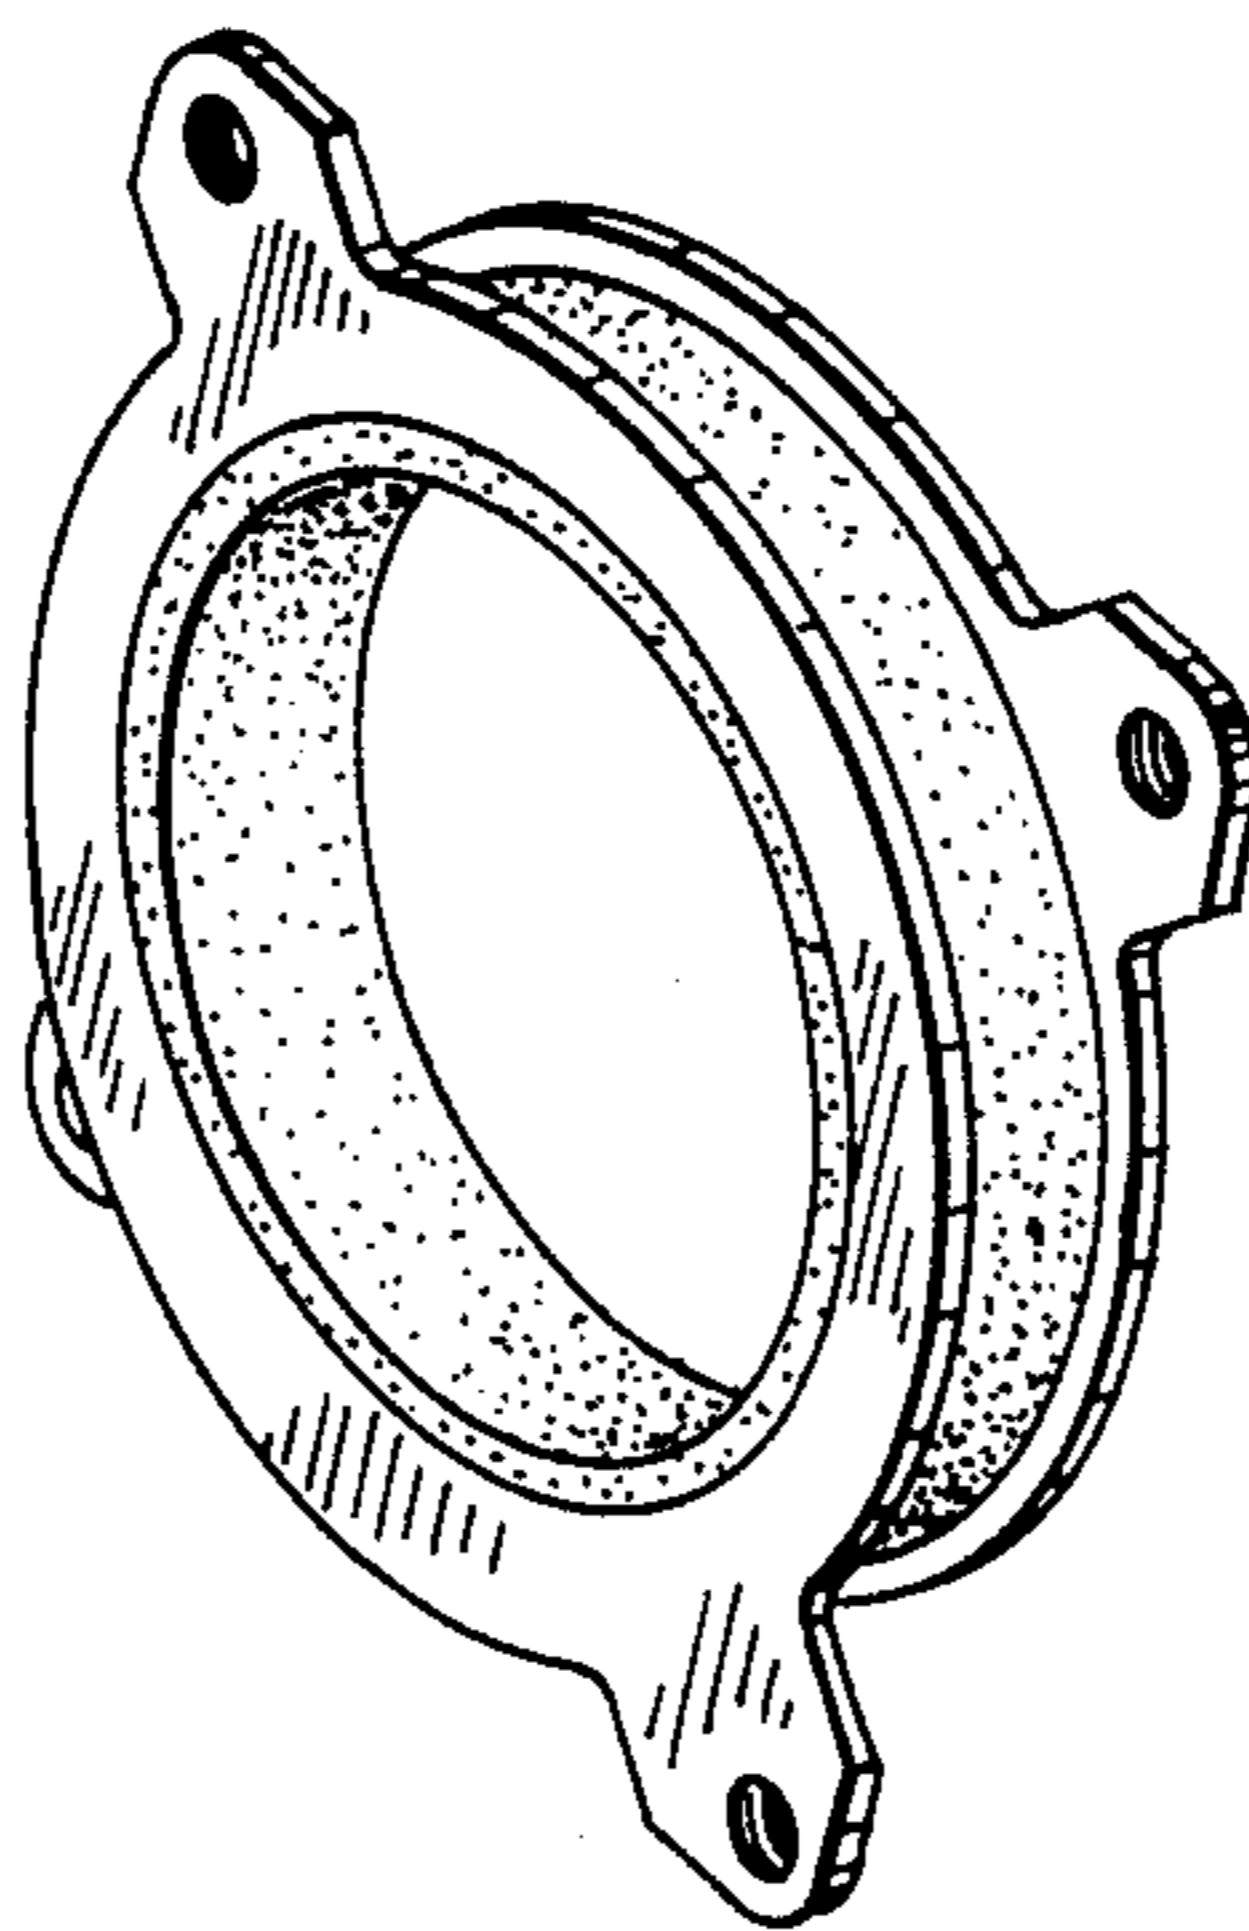

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a right side elevational view thereof; and

FIG. 5 is a top plan view thereof.

The "vibration isolator for electric motor" appears as is shown in the drawings.
