[57] **CLAIM**

The ornamental design for combined stereo radio and tape player/recorder, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of a combined stereo radio and tape player/recorder showing my new design;

FIG. 2 is a top and front perspective view thereof, shown in a disassembled condition;

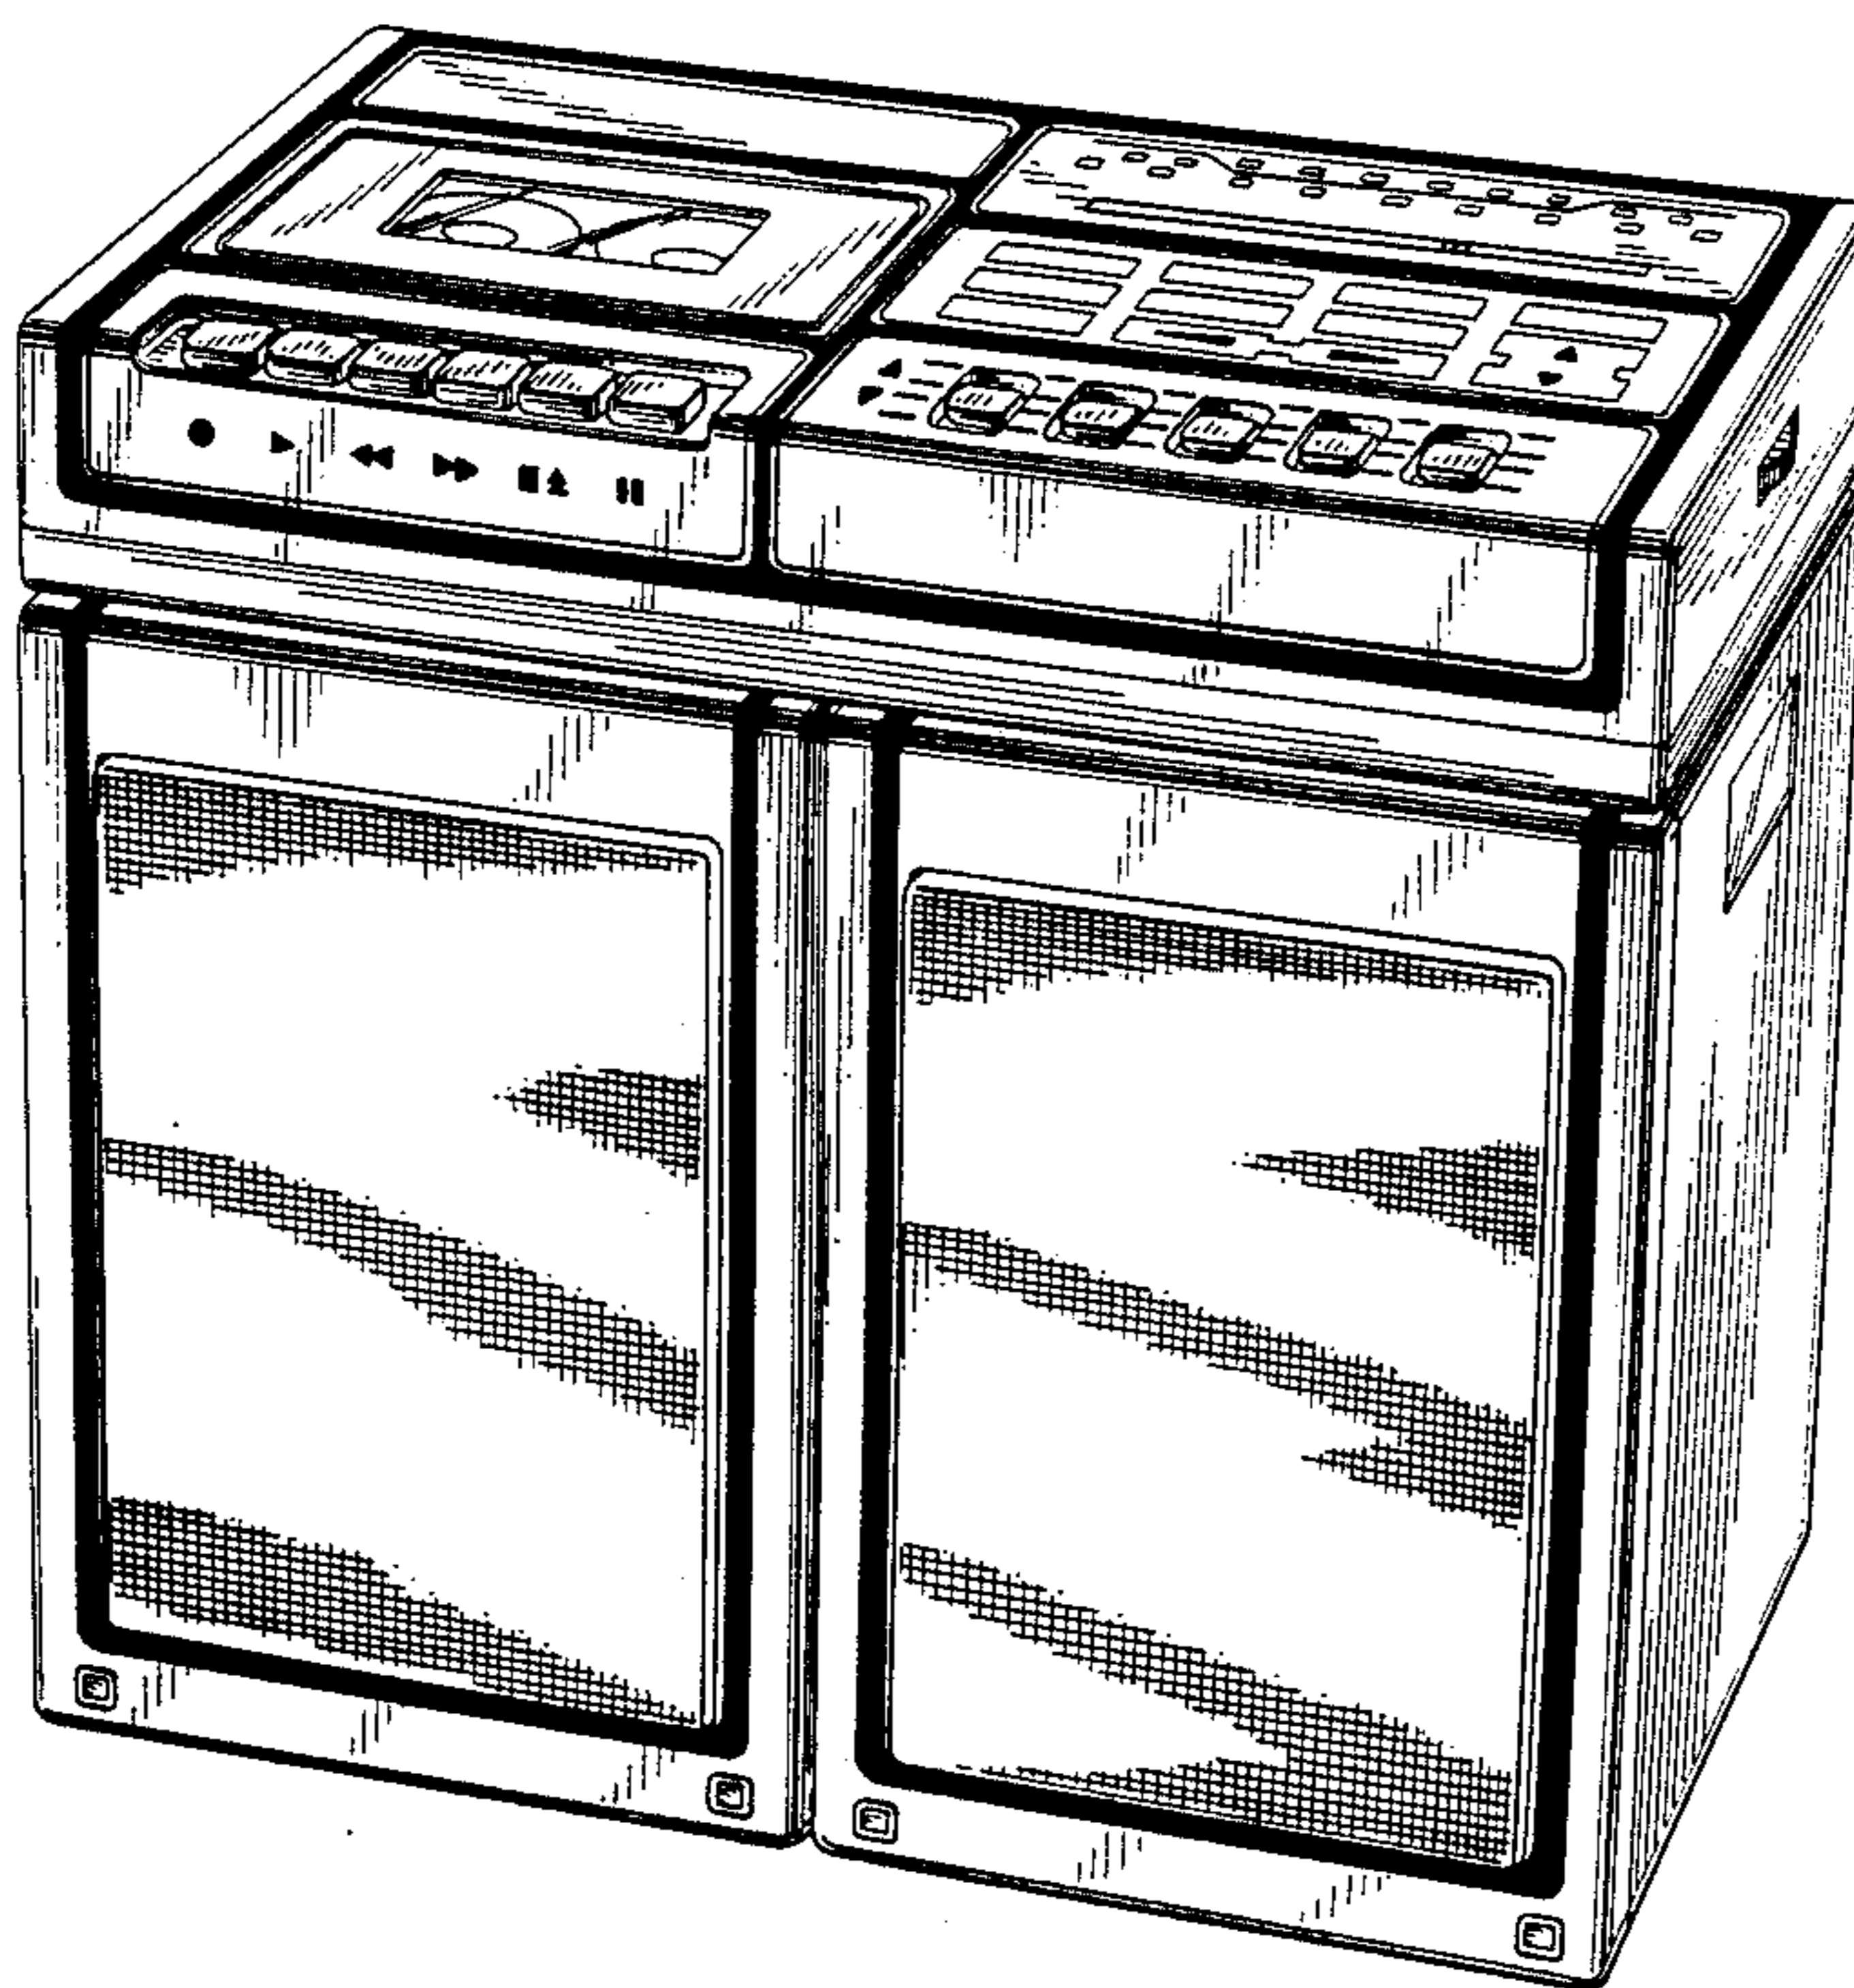

FIG. 3 is a rear and right side perspective view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a rear elevational view of the control unit thereof, the speakers not being shown for clarity of illustration; and

FIG. 6 is a front elevational view of the control unit thereof, the speakers not being shown for clarity of illustration.

The non-illustrated sides of the speakers being plane and unornamented.

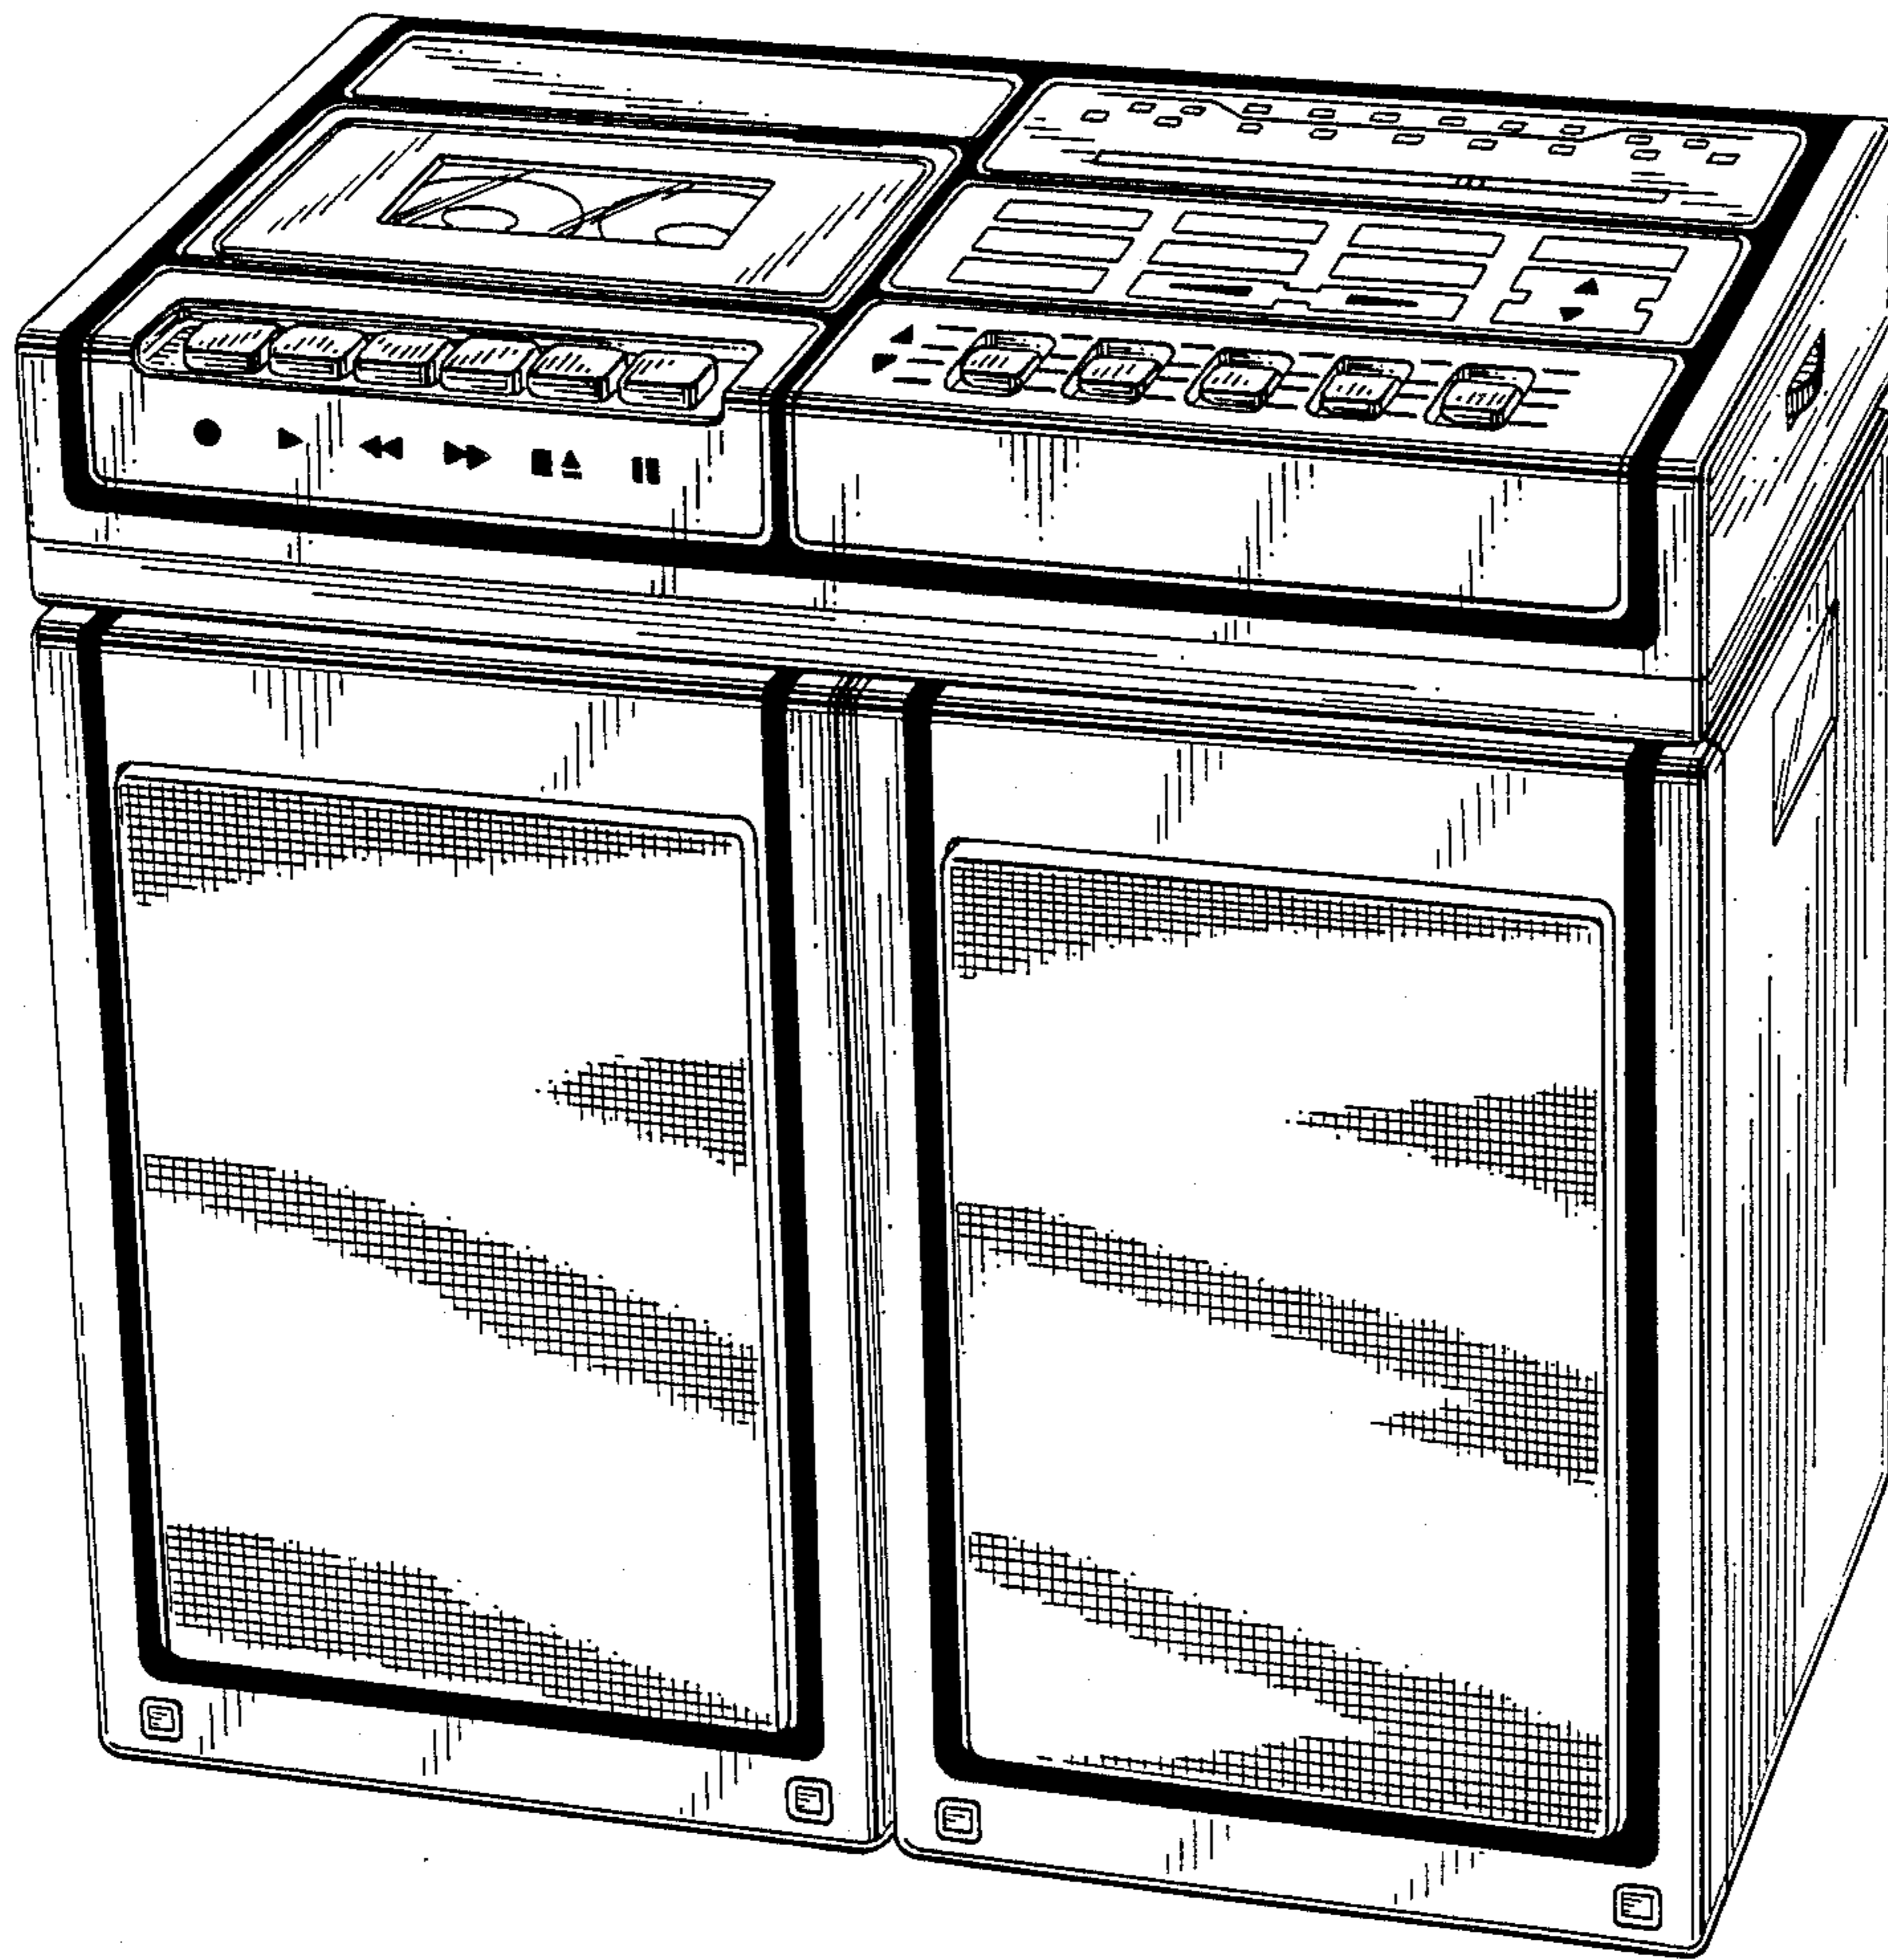

FIG. 1

FIG. 2

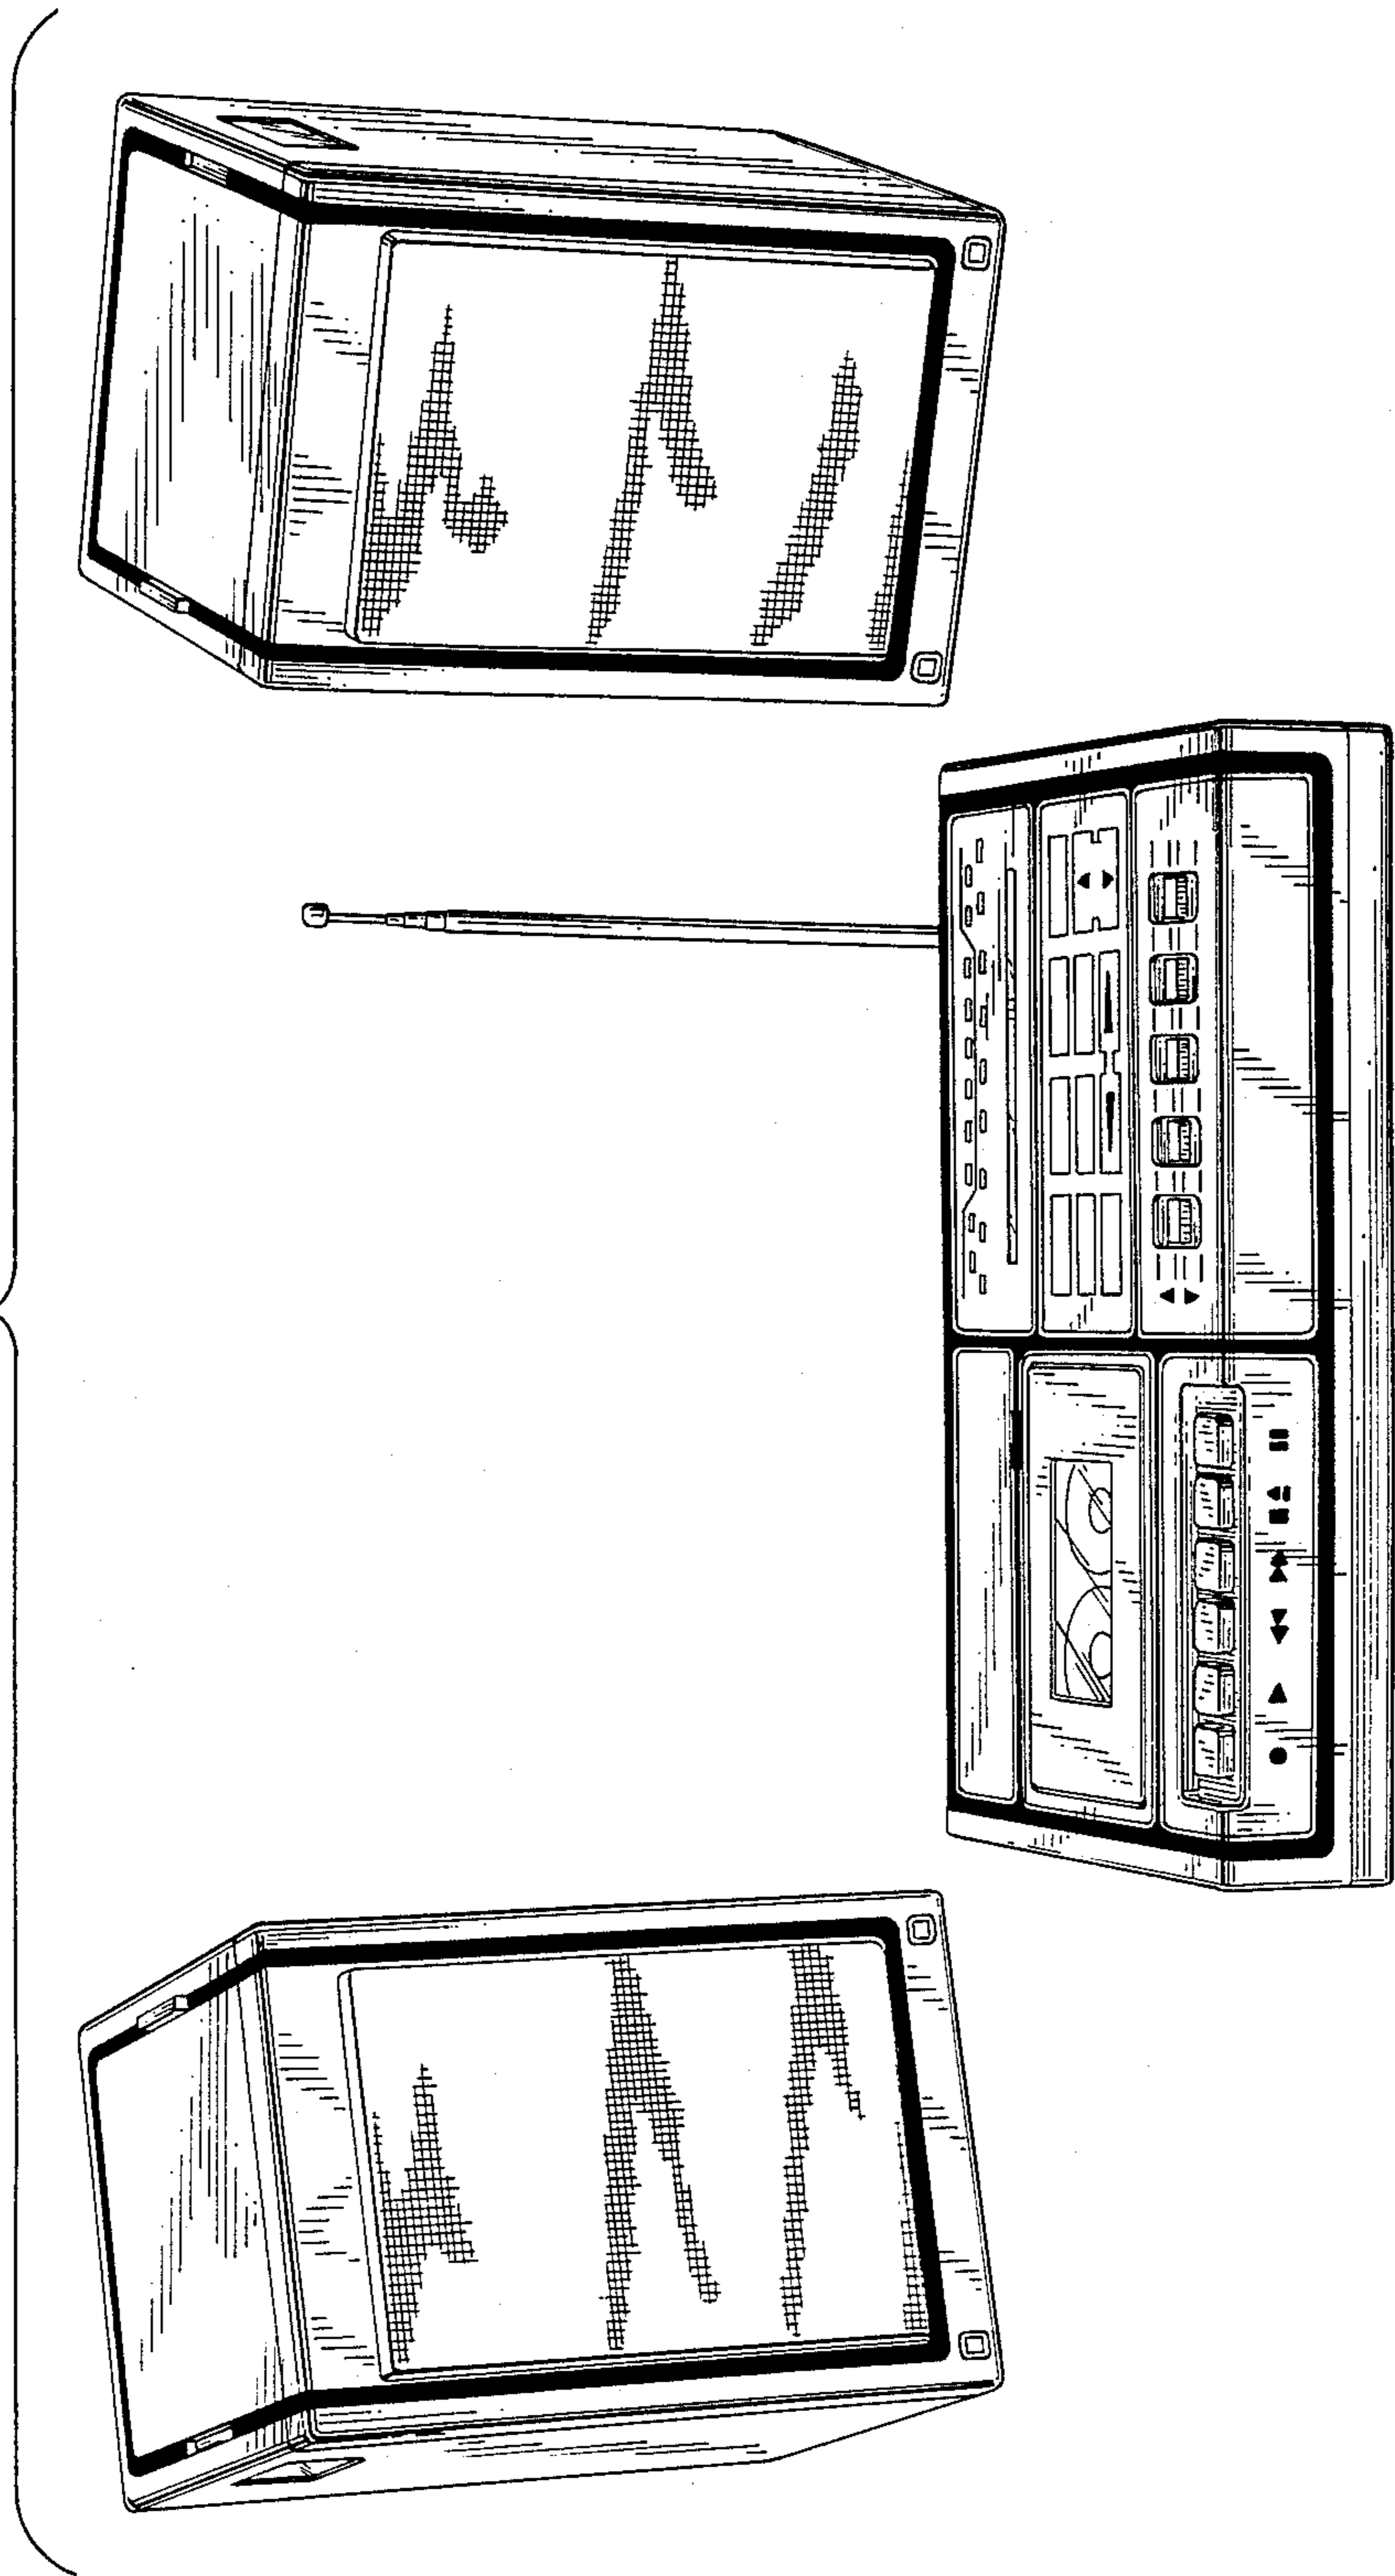

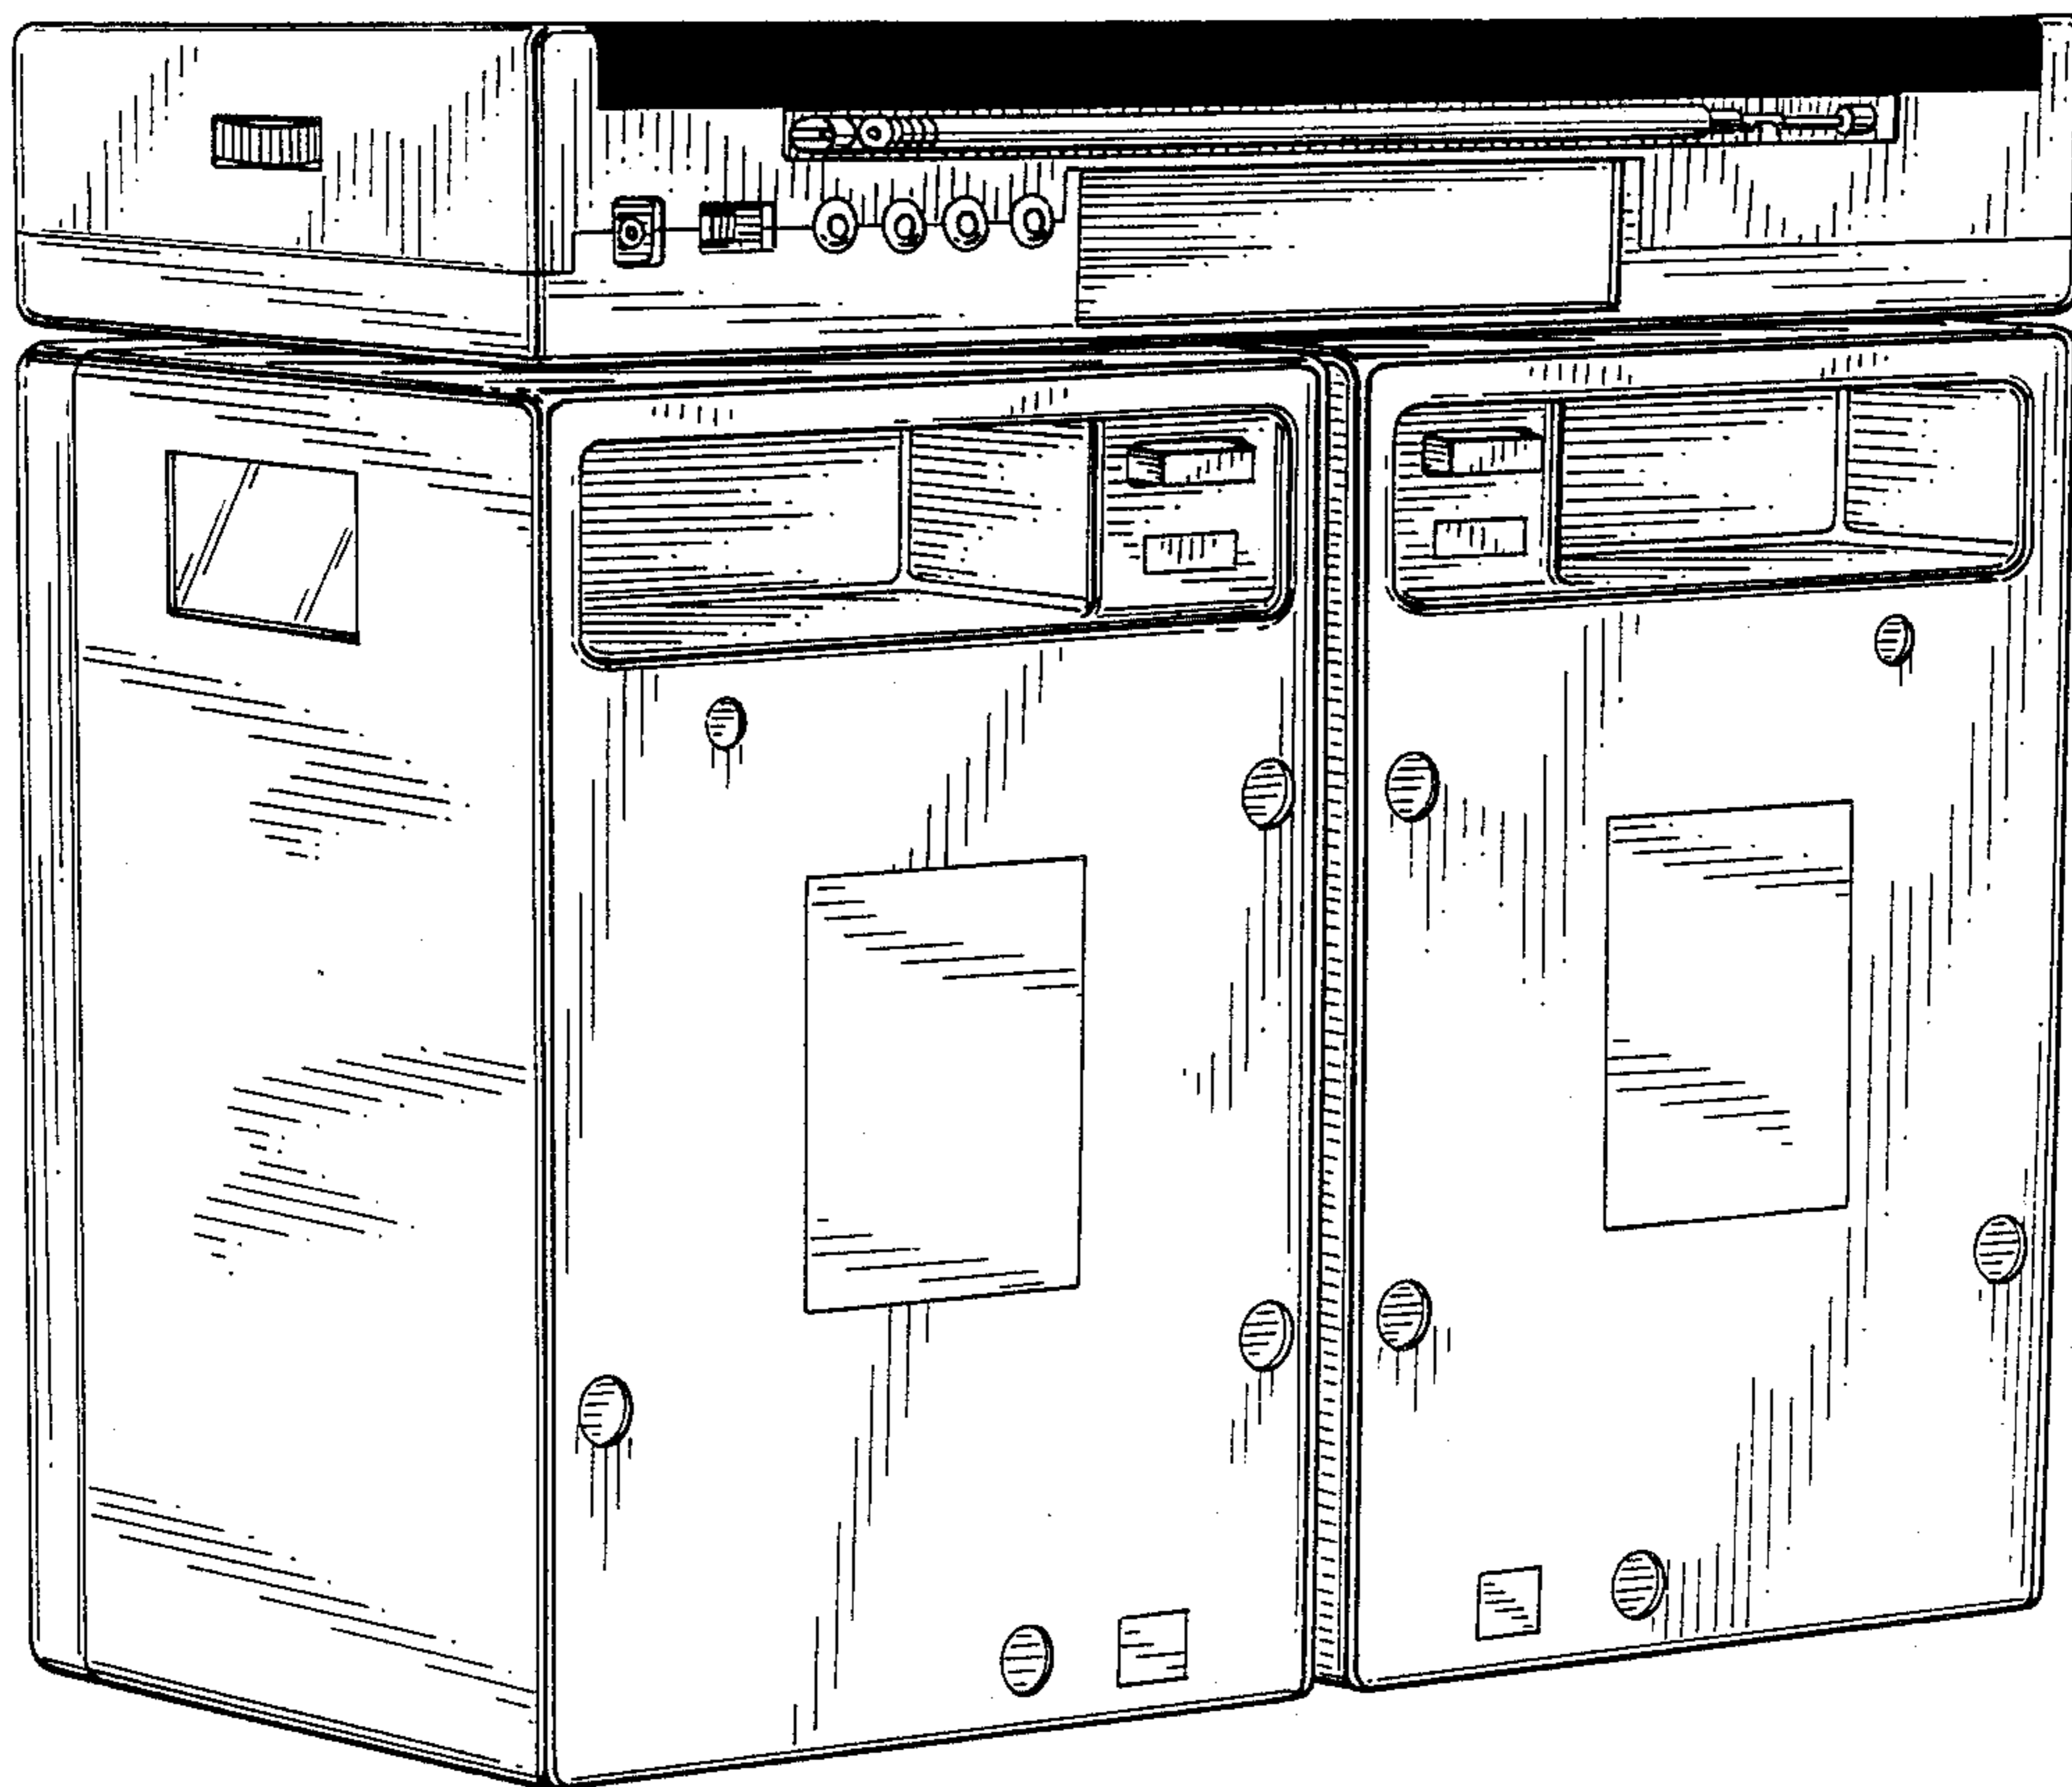

FIG. 3
