[57] **CLAIM**

The ornamental design for a cinch for holding a pneumatic pump head onto a tire valve, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a cinch for holding a pneumatic pump head onto a tire valve showing my new design in its operative condition;  
FIG. 2 is a front elevational view in its flattened condition;  
FIG. 3 is a rear elevational view of FIG. 2;  
FIG. 4 is a side elevation thereof looking from the right side of FIG. 3.
