[57] CLAIM

The ornamental design for a shield for protecting a wheel or hubcap while cleaning an automobile tire, as shown and described.

## DESCRIPTION

FIG. 1 is a front elevational view of a shield for protecting a wheel or hubcap while cleaning an automobile tire showing my new design;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a left side elevational view thereof, the right side view being substantially identical; and,

FIG. 4 is a top plan view thereof, the bottom view being substantially identical.
