[57] CLAIM

The ornamental design for a combined adjustable brush
holder and bracket for attachment to an easel, as shown
and described.

DESCRIPTION

FIG. 1 is a front elevational view of a combined adjust-
able brush holder and bracket for attachment to an easel
showing my new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a bottom plan view thereof;
FIG. 4 is a rear elevational view thereof;
FIG. 5 is an end elevational view as seen from the left of
FIG. 1;
FIG. 6 is an elevational view of the opposite end
thereof; and
FIG. 7 is a perspective view thereof.
The broken line showing of a fragmentary support is for
illustrative purposes only and forms no part of the
claimed design.
