[57] CLAIM

The ornamental design for a telephone set, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a telephone set showing my new design in cradled relationship;

FIG. 2 is a rear, top and right side perspective view thereof;

FIG. 3 is a bracket associated left side elevational view of the handset spaced above the left side elevational view of the stand thereof;

FIG. 4 is a bracket associated view of the front, top and left side perspective view of the stand spaced apart from a front, bottom and right side perspective view of the inverted handset; and

FIG. 5 is a bottom plan view thereof.

The broken line showing of an electric cord in all figures is for illustrative purposes only and forms no part of the claimed design.
