[57] CLAIM

The ornamental design for a combined top and bottom rail for a staircase balustrade, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a combined top and bottom rail for staircase balustrade illustrating my new design; FIG. 2 is a side elevational view thereof; FIG. 3 is a sectional view thereof taken along line 3—3 of FIG. 2; and FIG. 4 is a bottom plan view thereof. The broken line showing of connecting balustrade in FIGS. 2 and 3 is for illustrative purposes only and forms no part of the claimed design. The combined top and bottom rail for a staircase balustrade is fragmentarily shown to indicate indeterminate length and it being understood that the balustrade repeats as indicated.
