[57] CLAIM

The ornamental design for a resuscitator inhalator valve, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a resuscitator inhalator valve showing my new design, the rear being a mirror image of the front shown;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a left side elevational view thereof; and

FIG. 5 is a right side elevational view thereof.
