[57] CLAIM

The ornamental design for a riser for trophies, or the like, as shown and described.

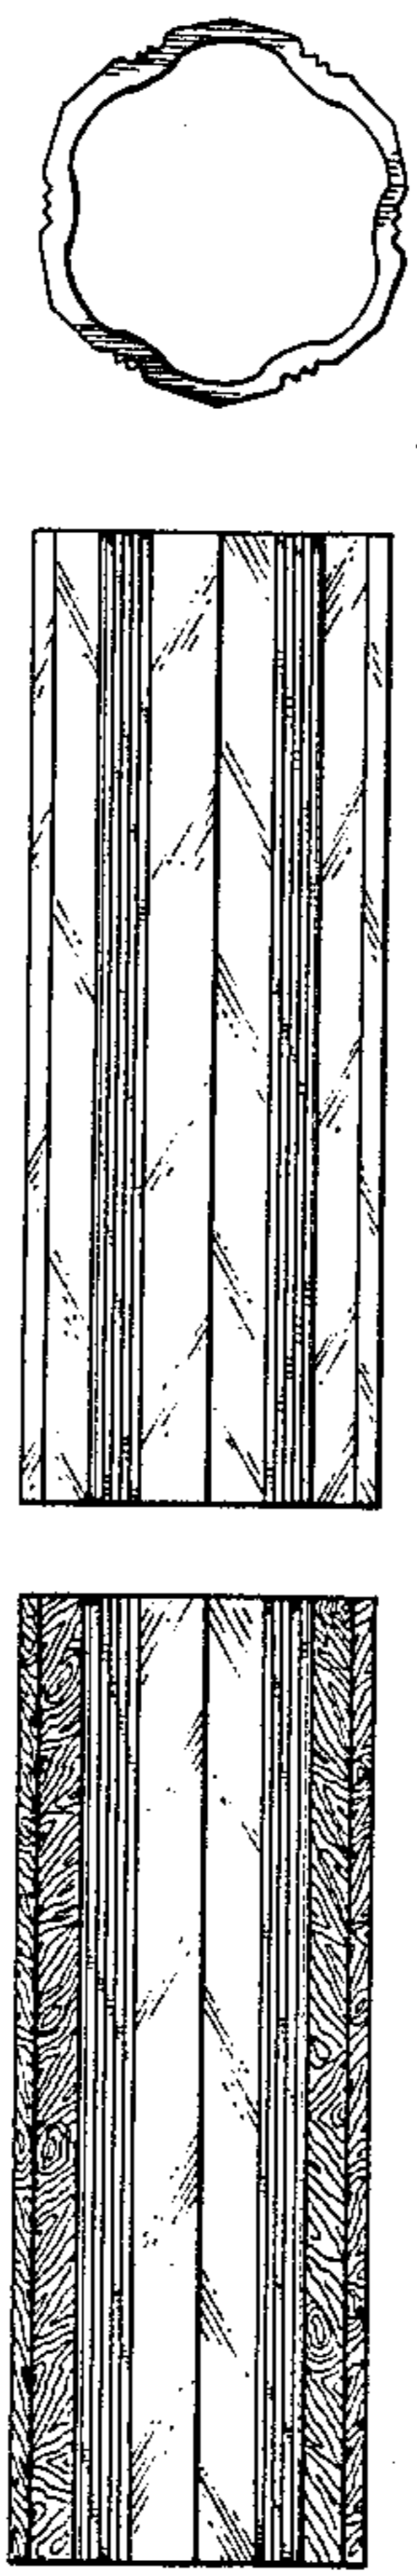

DESCRIPTION

FIG. 1 is a front elevational view of a riser for trophies, or the like showing my new design;

FIG. 2 is a top plan view thereof, the bottom being identical;

FIG. 3 is a side elevation view thereof, the opposite side being identical; and

FIG. 4 is a front elevational view of a second embodiment thereof, the only difference being the use of wood grain for the alternating reflective surfaces.
