[57] **CLAIM**

The ornamental design for a bullet reloader cabinet, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a bullet reloader cabinet showing my new design;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a right side elevational view, the left side being a mirror image thereof;
FIG. 4 is a top plan view in an open condition with a bullet reloader shown therein in broken lines for illustrative purposes only and forming no part of the claimed design;
FIG. 5 is a front elevational view in an open condition with a bullet reloader shown therein in broken lines for illustrative purposes only and forming no part of the claimed design; and
FIG. 6 is a left side and front perspective view thereof; in an open condition.
