DESCRIPTION

FIG. 1 is a front elevational view of a vending machine for dispensing cans or the like, showing my new design with the door in closed position;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a top plan view with the door in open position, the bottom view being a mirror image;

FIG. 4 is a bottom plan view with the door in closed position.

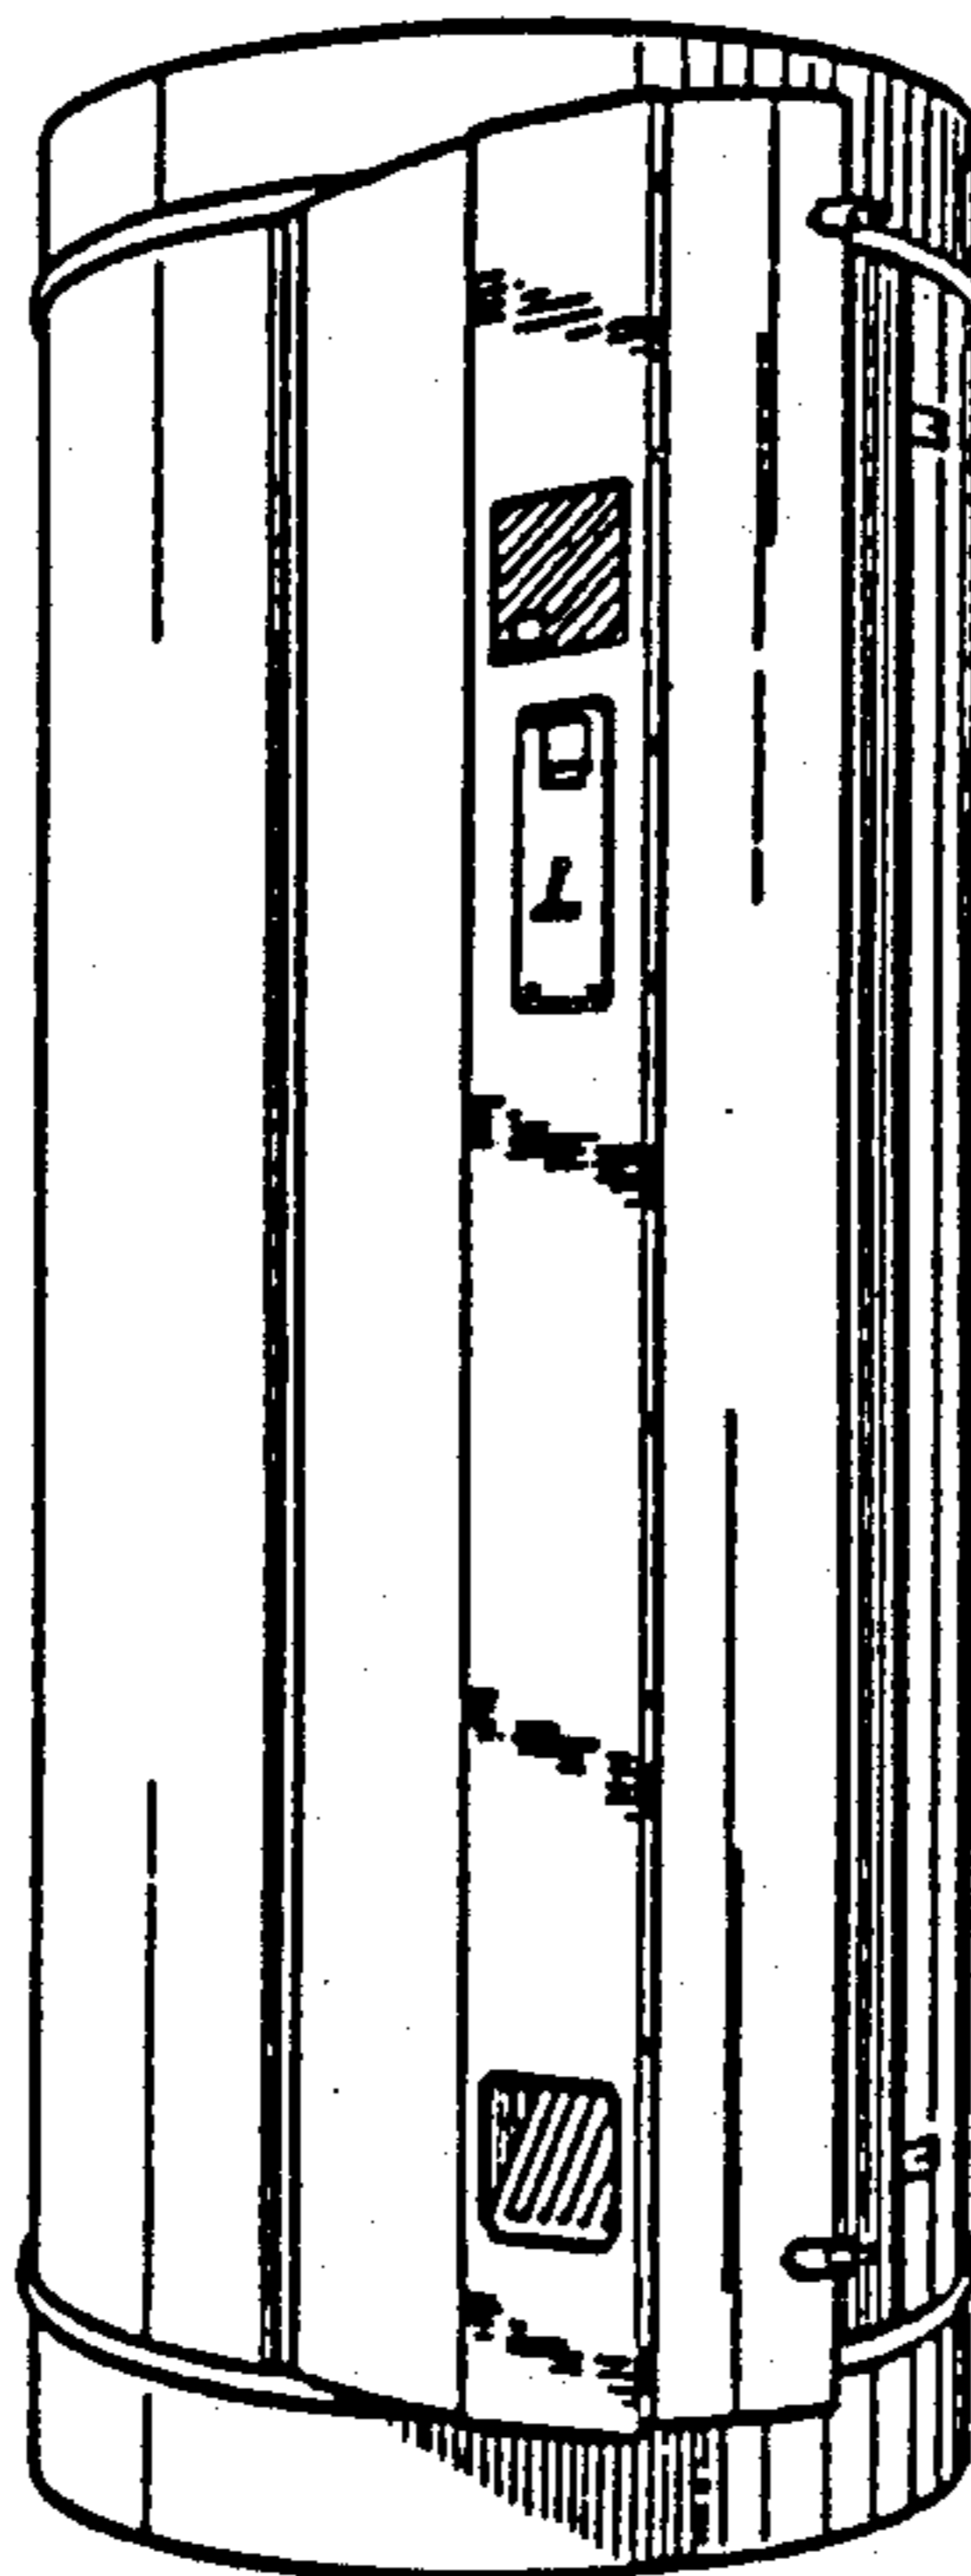

FIG. 5 is a front elevational view thereof with the door open.

The undisclosed interior of the vending machine is conventional in appearance.
