[57] CLAIM

The ornamental design for a modular display unit or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a modular display unit showing my new design, the rear being identical; FIG. 2 is a perspective view of the inner side of one half of the unit; FIG. 3 is a front perspective view of the upper module, shown separately for ease of clarification; FIG. 4 is a front perspective view of the middle module, again shown separately for ease of illustration; FIG. 5 is a front perspective view of the lower module, shown separately for clarity of illustration.
