[57] CLAIM

The ornamental design for a floor burnisher machine base, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and side perspective view of a floor burnisher machine base showing my new design; FIG. 2 is a left side elevational view thereof, the right side being a mirror image; FIG. 3 is a front elevational view thereof; FIG. 4 is a rear elevational view thereof; FIG. 5 is a top plan view thereof; FIG. 6 is a bottom plan view thereof; and FIG. 7 is a top, front and side perspective view of a second embodiment thereof. The cross hatch lines shown on the polishing pad in FIGS. 1-4 and 6-7 represent fibers thereof and is understood to repeat throughout the indicated area.
