[57] **CLAIM**

The ornamental design for a cover set for a transmitter-receiver telephone handset, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a (1) a transmitter cover and (2) a receiver cover showing my new design for a cover set for a transmitter-receiver telephone handset positioned upon a phantom handset handle shown in broken lines for illustration of environmental association;

FIGS. 2 and 3 are respectively front and rear elevational views of the transmitter cover;

FIG. 4 is a left side elevational view if both transmitter and receiver cover, the side opposite for each cover being a mirror image thereof;

FIGS. 5 and 6 are respectively top and bottom plan view of both transmitter and receiver covers; and

FIGS. 7 and 8 are respectively front and rear elevational views of the receiver cover.

The broken line showing of a phantom telephone handset handle and an electric cord fragment in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
