[57] CLAIM

The ornamental design for a front panel for a link protocol converter, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, right side perspective view of a front panel for a link protocol converter showing my new design;

FIG. 2 is a top plan view thereof on a reduced scale;

FIG. 3 is a right side elevational view thereof on an enlarged scale.

The left side and bottom are identical to the right side and top thereof. The housing is shown in broken lines for illustrative purposes only.

FIG. 1

FIG. 2

FIG. 3
