[57] **CLAIM**

The ornamental design for a drill-mountable tool for the installation and removal of threaded dental prosthetic elements, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top and front perspective view of a drill-mountable tool for the installation and removal of threaded dental prosthetic elements showing my new design;
FIG. 2 is a bottom and rear perspective view thereof;
and
FIG. 3 is a bottom and side perspective view thereof, the opposite side being a mirror image of that shown.
