CLAIM

The ornamental design for a two-piece telephone, as shown and described.

DESCRIPTION

FIG. 1 is a rear end, top and right side perspective view of a telephone set showing my new design in cradled relationship;
 FIG. 2 is a bracket associated right side elevational view of the telephone base, and of the handset shown spaced above the base;
 FIG. 3 is a bracket associated top plan view of the handset and of a plan view of the base; and
 FIG. 4 is a bracket associated bottom plan view of the telephone base, and of the handset.
 The broken line showing of a telephone cord shown in all figures is for illustrative purposes only and forms no part of the claimed design.
