[57] CLAIM

The ornamental design for a wine glass or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a wine glass or similar article showing my new design; FIG. 2 is a top plan view thereof, wherein the leaf pattern is not shown for the sake of clarity; FIG. 3 is a sectional view thereof taken along line 3—3 of FIG. 2, looking in the direction of the arrows; FIG. 4 is a bottom plan view thereof; FIG. 5 is a side elevational view of a second form of the wine glass or similar article showing my new design; FIG. 6 is a top plan view thereof, wherein the leaf pattern is not shown for the sake of clarity; FIG. 7 is a sectional view thereof taken along line 7—7 of FIG. 6, looking in the direction of the arrows; FIG. 8 is a bottom plan view thereof; FIG. 9 is a side elevational view of the wine glass or similar article illustrated in FIG. 1 with the glass being rotated horizontally 90 degrees counter clockwise; and FIG. 10 is a side elevational view of the wine glass or similar article illustrated in FIG. 5 with the glass being rotated horizontally 90 degrees counter clockwise. The stippled shading on the stem represents a frosted surface contrast.
