[57] CLAIM

The ornamental design for an environmental chamber for controlled plant growth, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an environmental chamber for controlled plant growth showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a front perspective view thereof, with the door in the open position;

FIG. 8 is a front perspective view of a second embodiment of the design of FIG. 1, with the door in the open position, the only difference being the inclusion of additional light fixtures inside the chamber.

The broken line showing of the shelves in FIGS. 7 and 8 is for illustrative purposes only.
