[57] CLAIM
The ornamental design for a cap for a gas burner, as
shown and described.

DESCRIPTION
FIG. 1 is a perspective view of a cap for a gas burner
showing my new design, the gas burner is shown in
broken lines for illustrative purposes only and forms no
part of the claimed design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a bottom plan view thereof;
FIG. 4 is a side elevational view thereof; and
FIG. 5 is a sectional view taken along lines 5—5 in FIG.
4.
