[57] CLAIM

The ornamental design for a reflector-type electric lamp or the like, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a reflector-type electric lamp or the like showing our new design, the opposite side being a mirror image;

FIG. 2 is a front elevational view thereof; and FIG. 3 is a rear elevational view thereof.

The exterior surface of the lens is primarily smooth. The interior surface of the lens has small semi-spherical protrusions arranged in a hexagonal shape.

FIG. 1

FIG. 2

FIG. 3
