[57] **CLAIM**
The ornamental design for a telescoping automobile door guard, as shown and described.

DESCRIPTION
FIG. 1 is a front perspective view of a telescoping automobile door guard showing my new design in position of use on an automobile which is shown in broken lines for illustrative purposes only and forms no part of the claimed design;
FIG. 2 is a greatly enlarged perspective view thereof in exploded condition;
FIG. 3 is an enlarged front elevation view thereof in fully retracted condition;
FIG. 4 is a rear elevation view of FIG. 3;
FIG. 5 is a right end elevation view of FIG. 3;
FIG. 6 is a left end elevation view of FIG. 3; and
FIG. 7 is a rear elevation view of one of the elastic securing members of the door guard shown separately for clarity of illustration.
