[57] CLAIM

The ornamental design for a menu sign, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a menu sign showing my new design, it being understood that the rear and bottom are plain and unornamented;
 FIG. 2 is a right side elevational view, with the left side being a mirror image thereof;
 FIG. 3 is a perspective view thereof;
 FIG. 4 is a front elevational view of an alternative embodiment wherein the only difference resides in the respective positions of the end panels being reversed thereof.
