[57] **CLAIM**

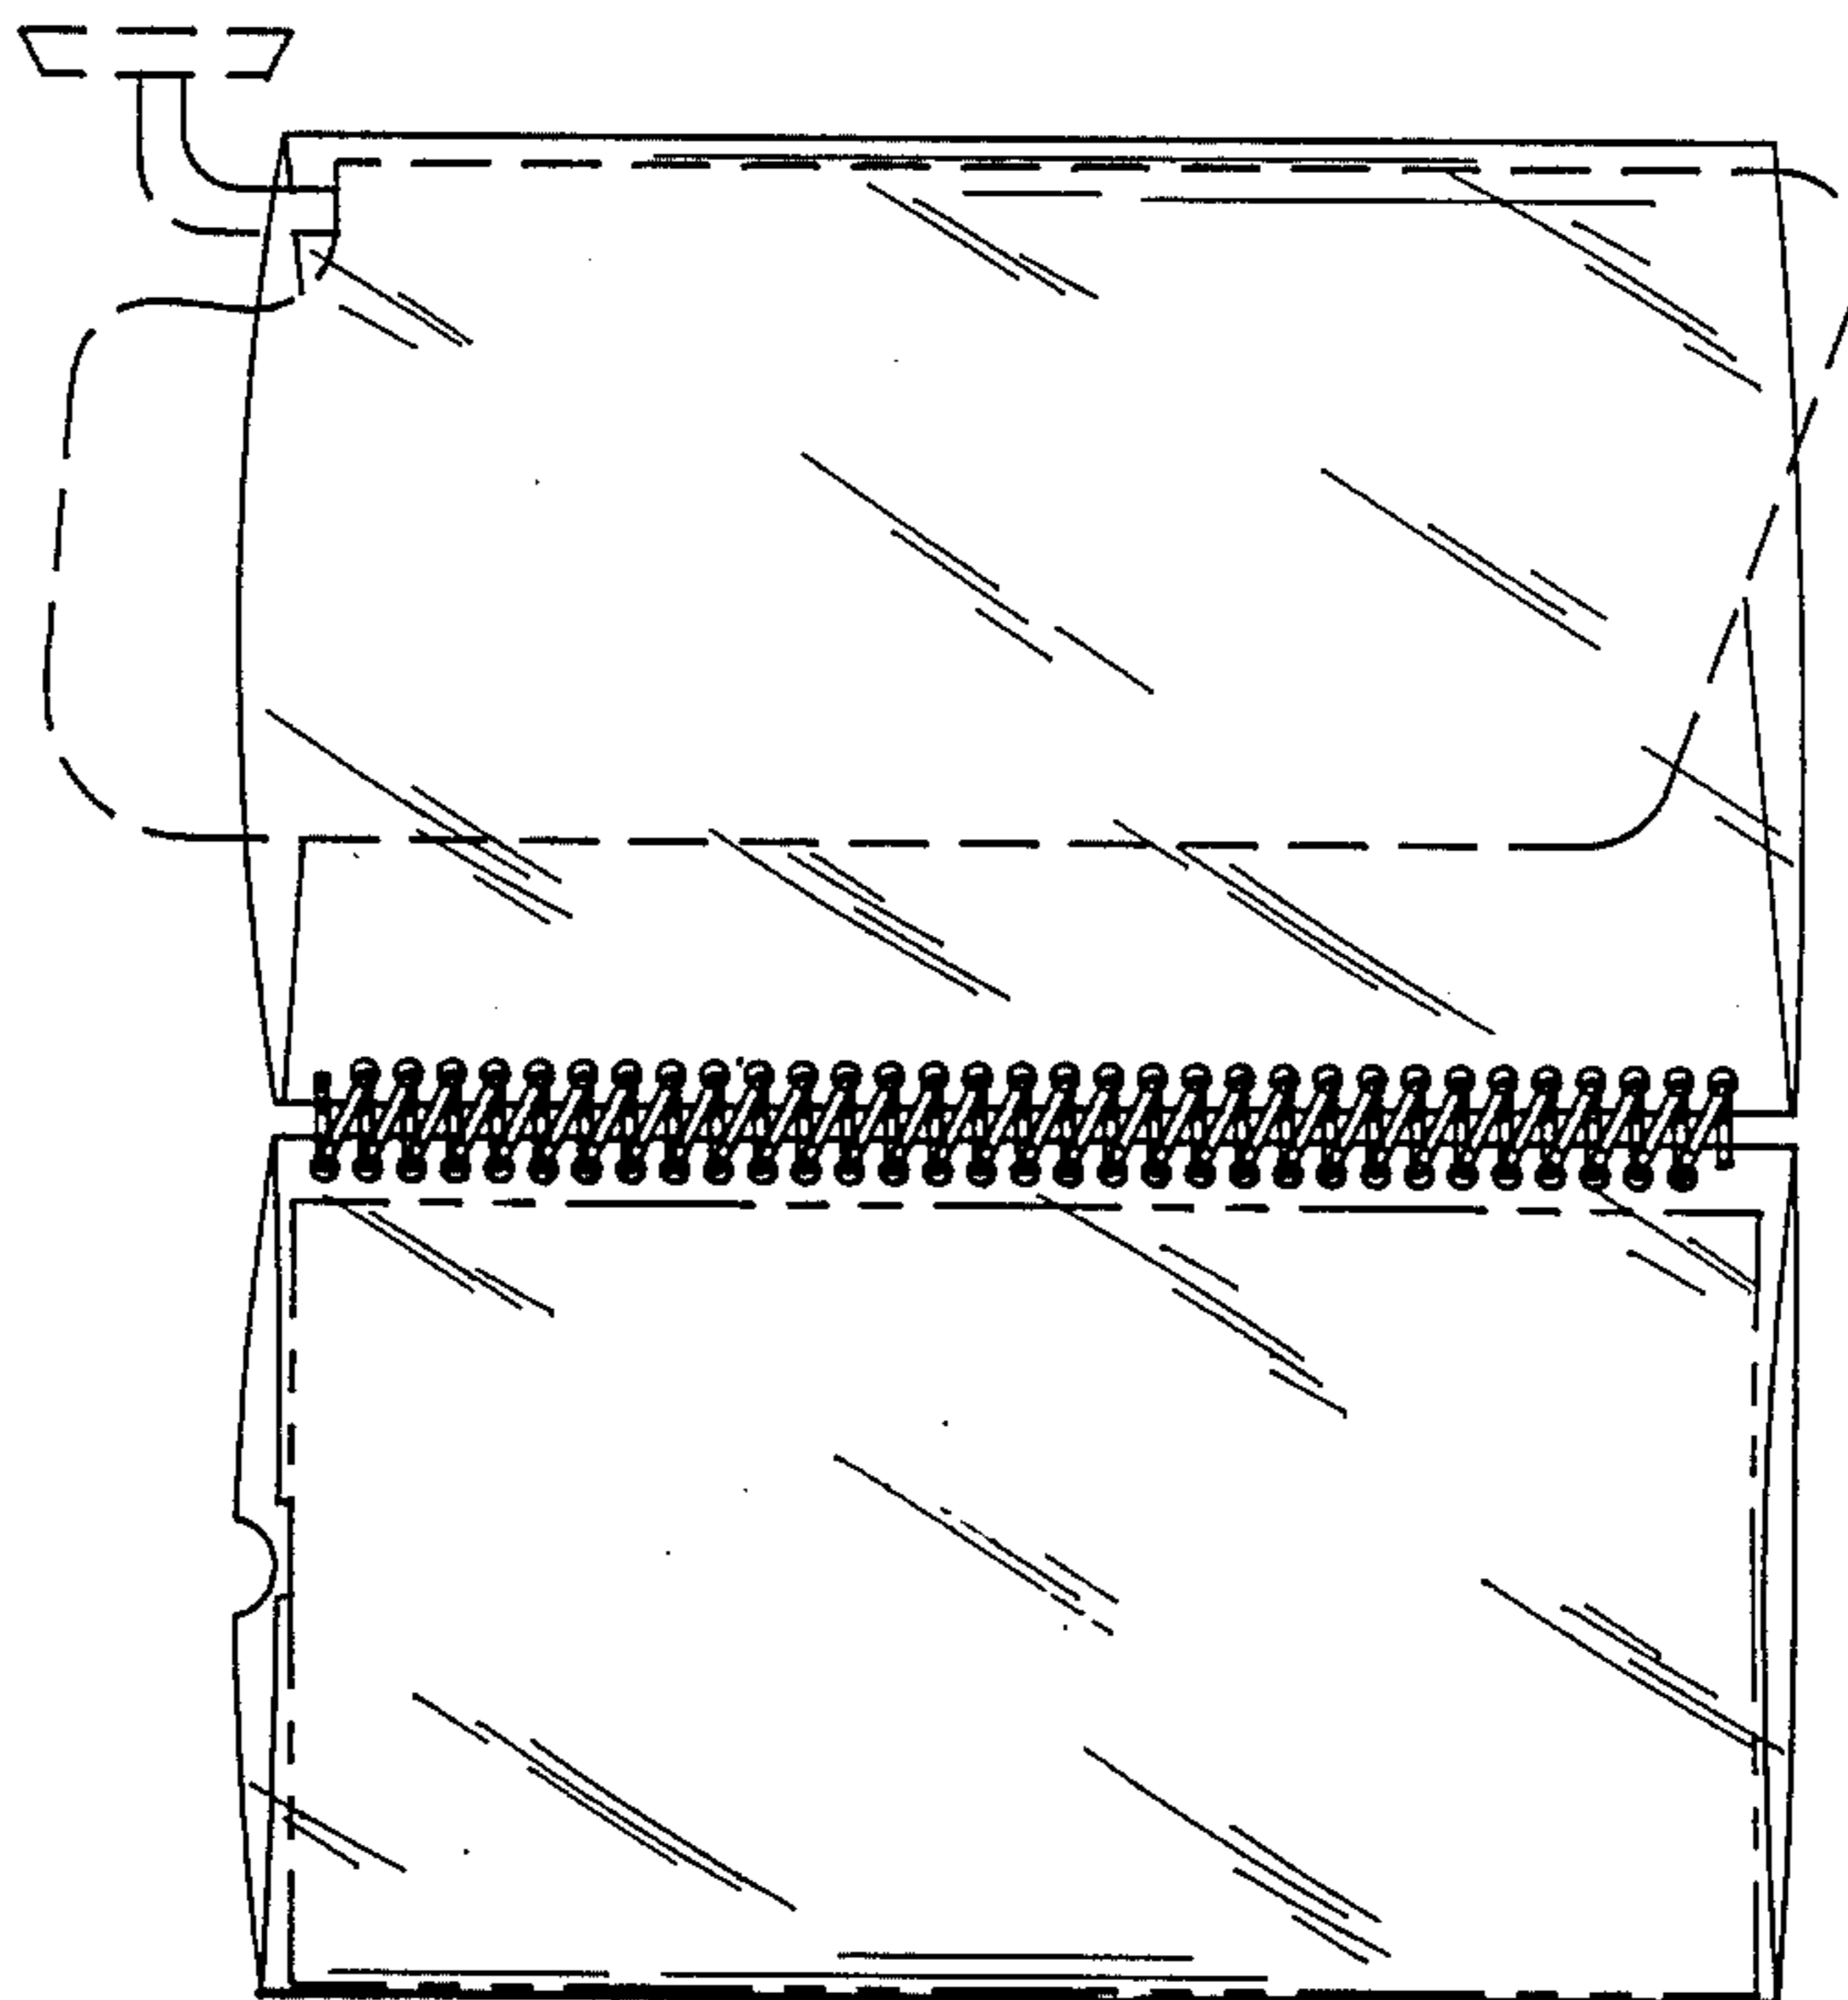

The ornamental design of an advertising display holder for an automobile sun visor, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an advertising display holder for an automobile sun visor showing my new design, with the display in use and the broken lines shown for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a front elevational view thereof, with the rear elevational view being a mirror image thereof;

FIG. 3 is a right side elevational view thereof, with the left side being a mirror image thereof.
