[57] CLAIM

The ornamental design for an anchor button for a picture hanging wire, or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an anchor button for a picture hanging wire, or similar article, showing my new design.

FIG. 2 is a rear elevational view thereof.

FIG. 3 is a right side elevational view of the anchor button for a picture hanging wire, or similar article, the left side elevational view being a mirror image thereof and the top and bottom plan views being respective duplicates of the right and the left side elevational views rotated counterclockwise through 90°.

FIG. 4 is a perspective view thereof.

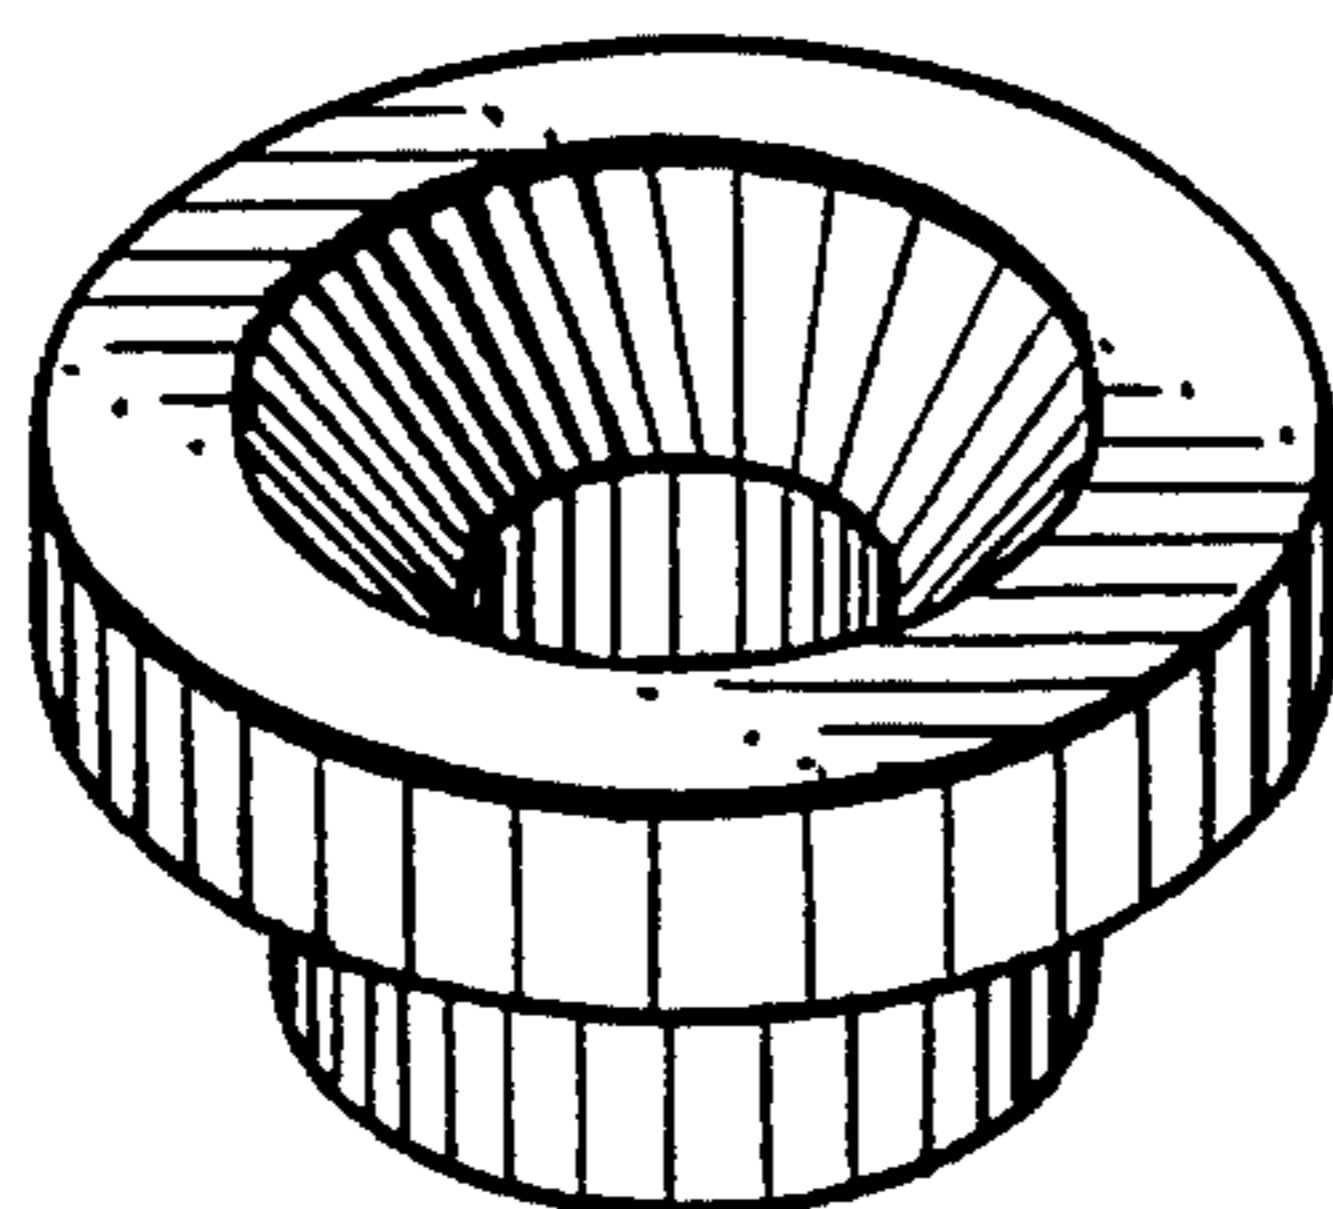

FIG. 1.

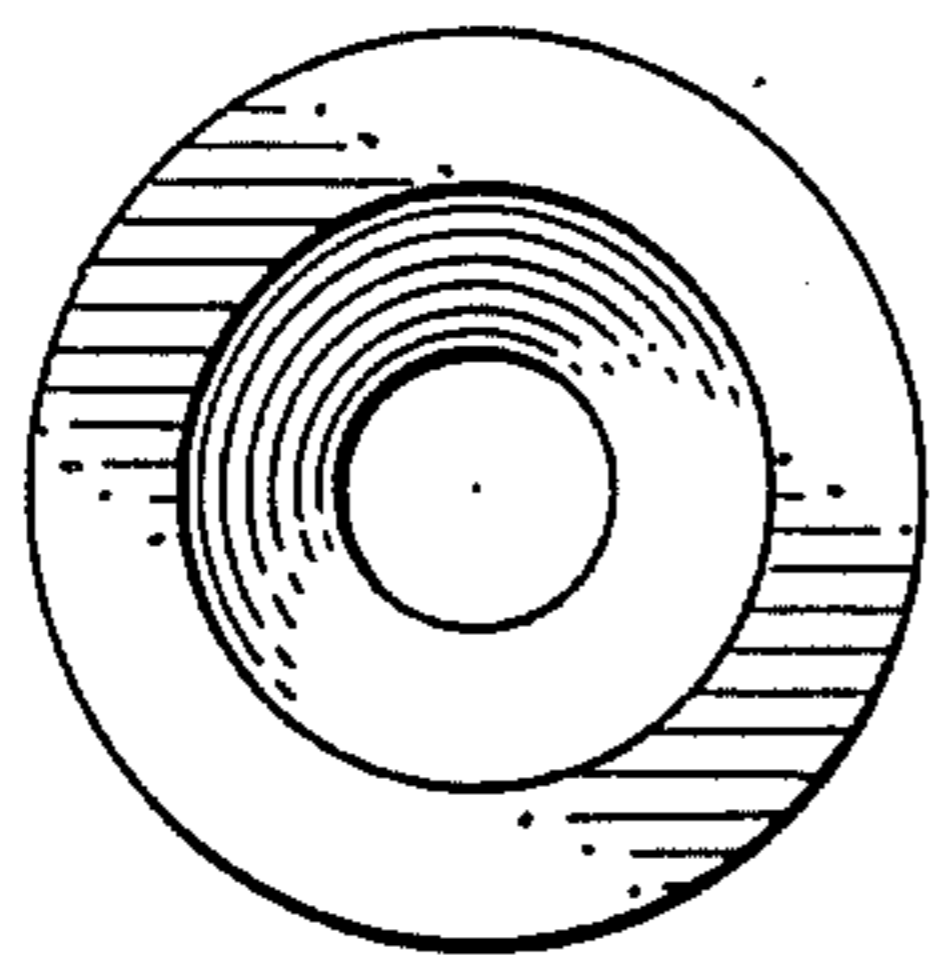

FIG. 2.

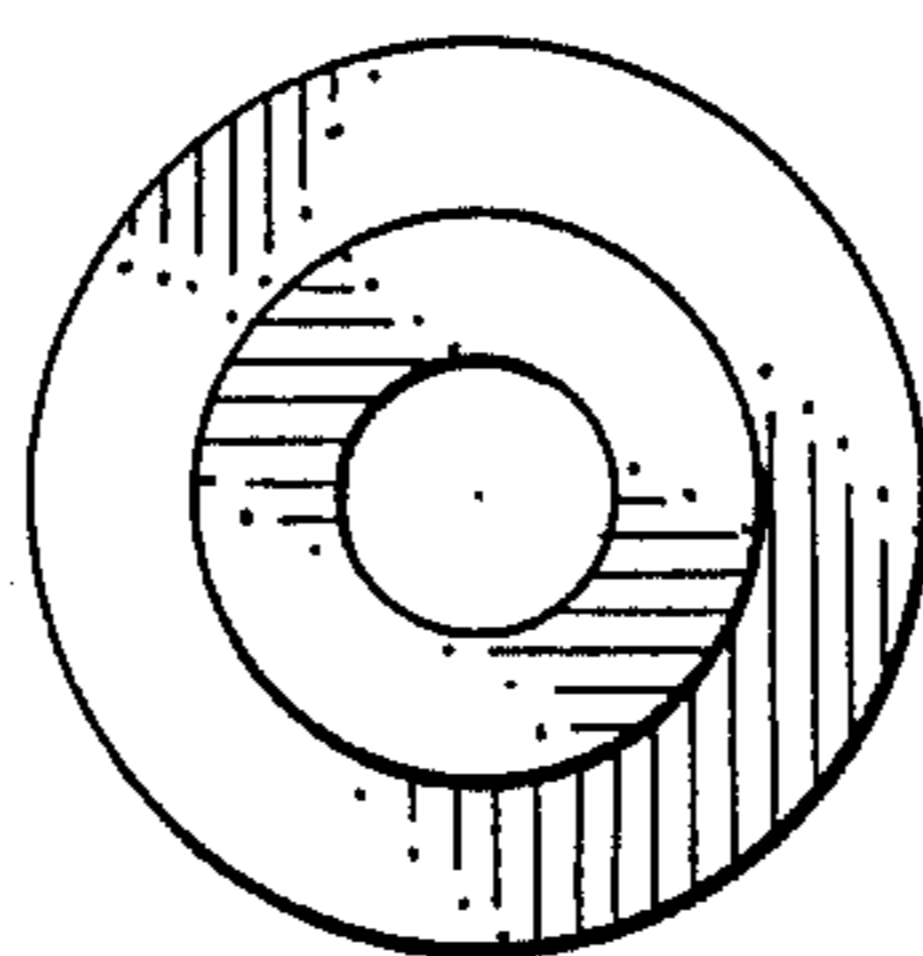

FIG. 3.

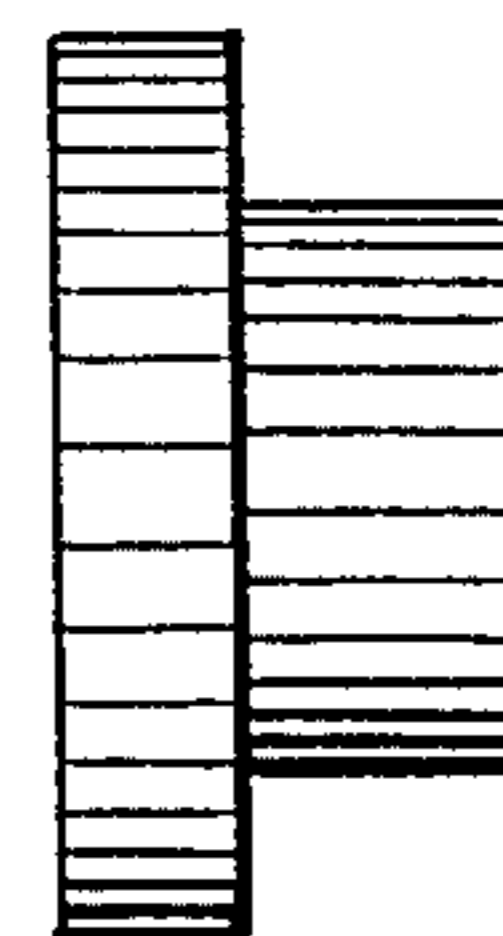

FIG. 4.
