[57] CLAIM

The ornamental design for a front lens for high intensity strobe flash lamp, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a front lens for high intensity strobe flash lamp showing our new design; FIG. 2 is a top plan view of the lens shown in FIG. 1, the bottom plan view being a mirror image thereof; FIG. 3 is a rear elevational view of the lens shown in FIG. 1; and FIG. 4 is a right side elevational view of the lens depicted in FIG. 1, the left side being a mirror image thereof.

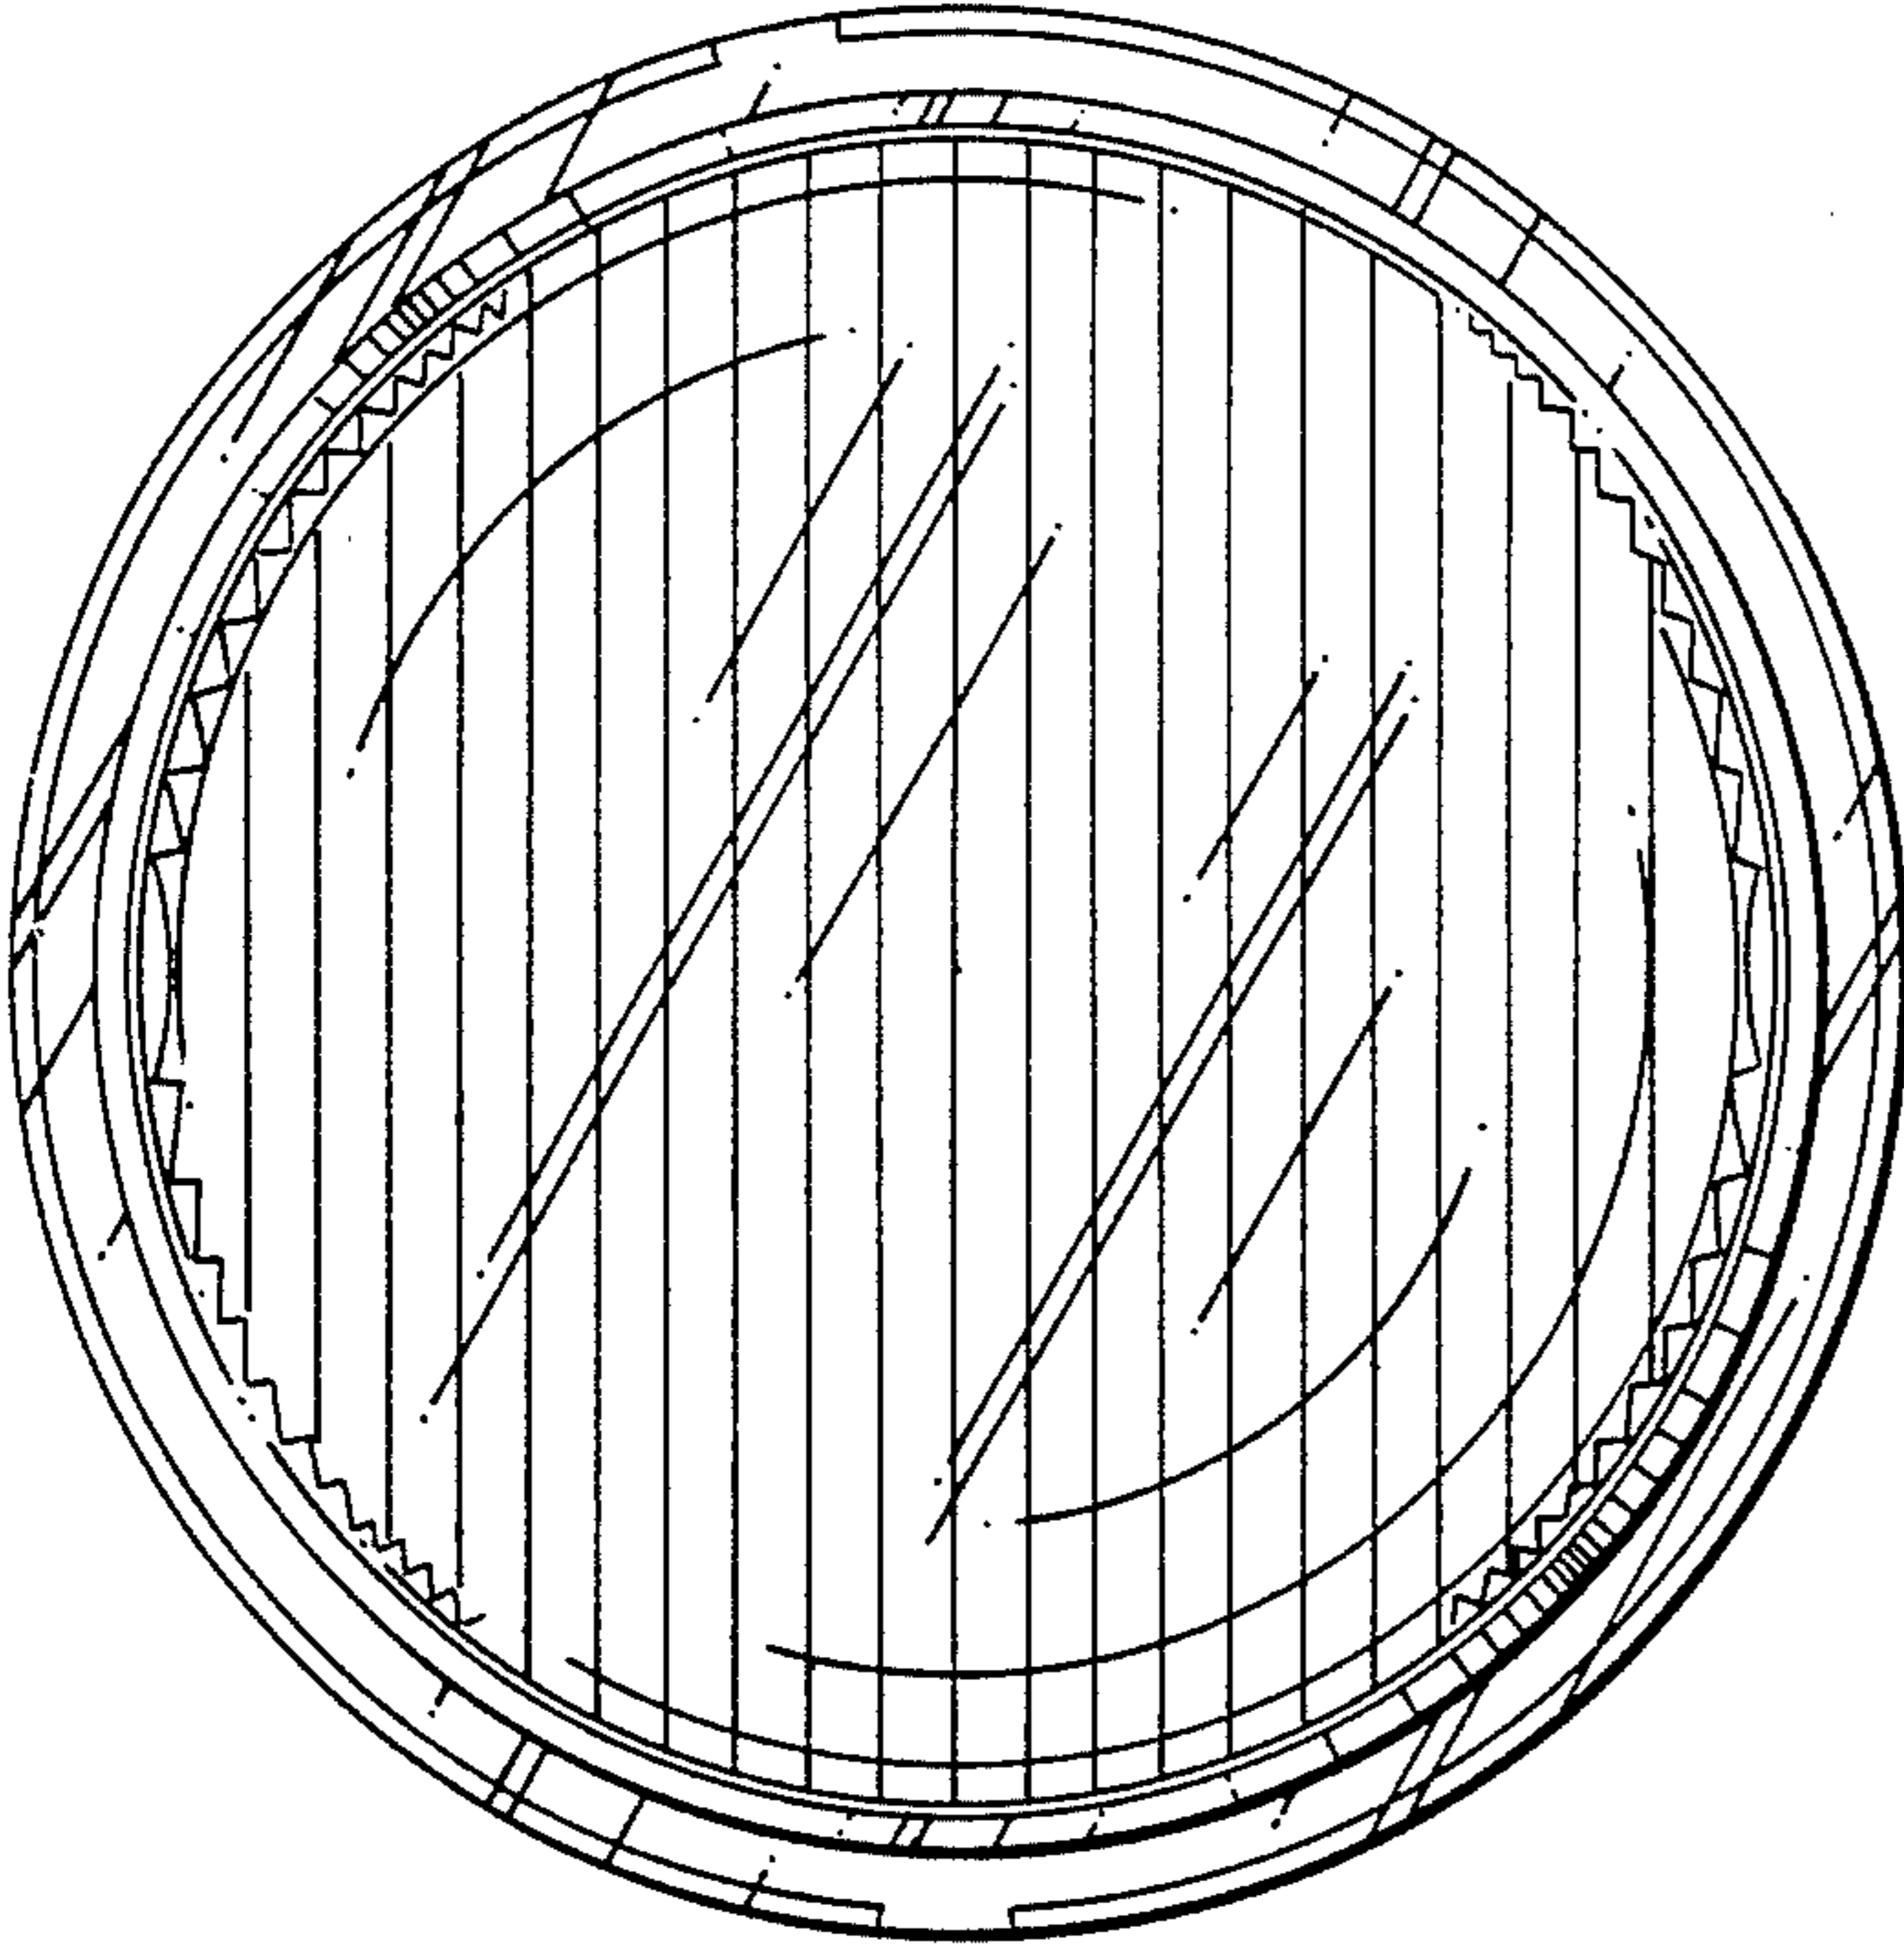

FIG. 1

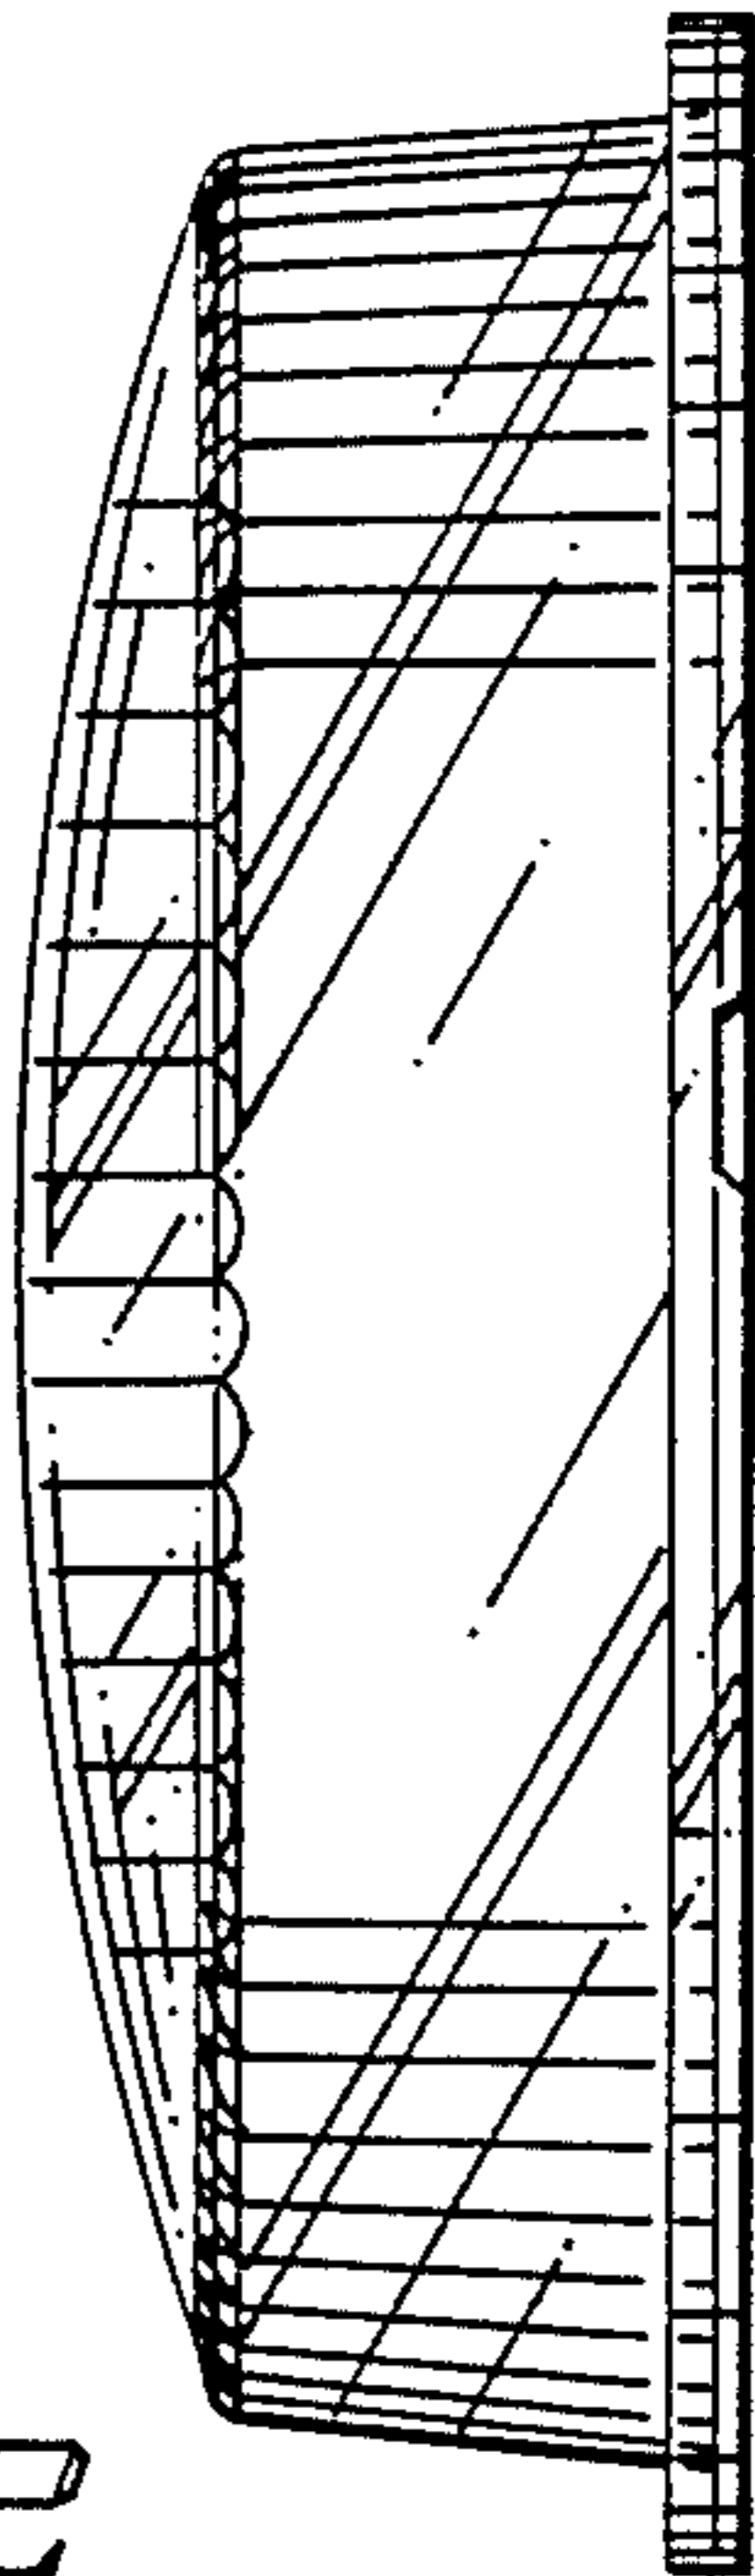

FIG. 2

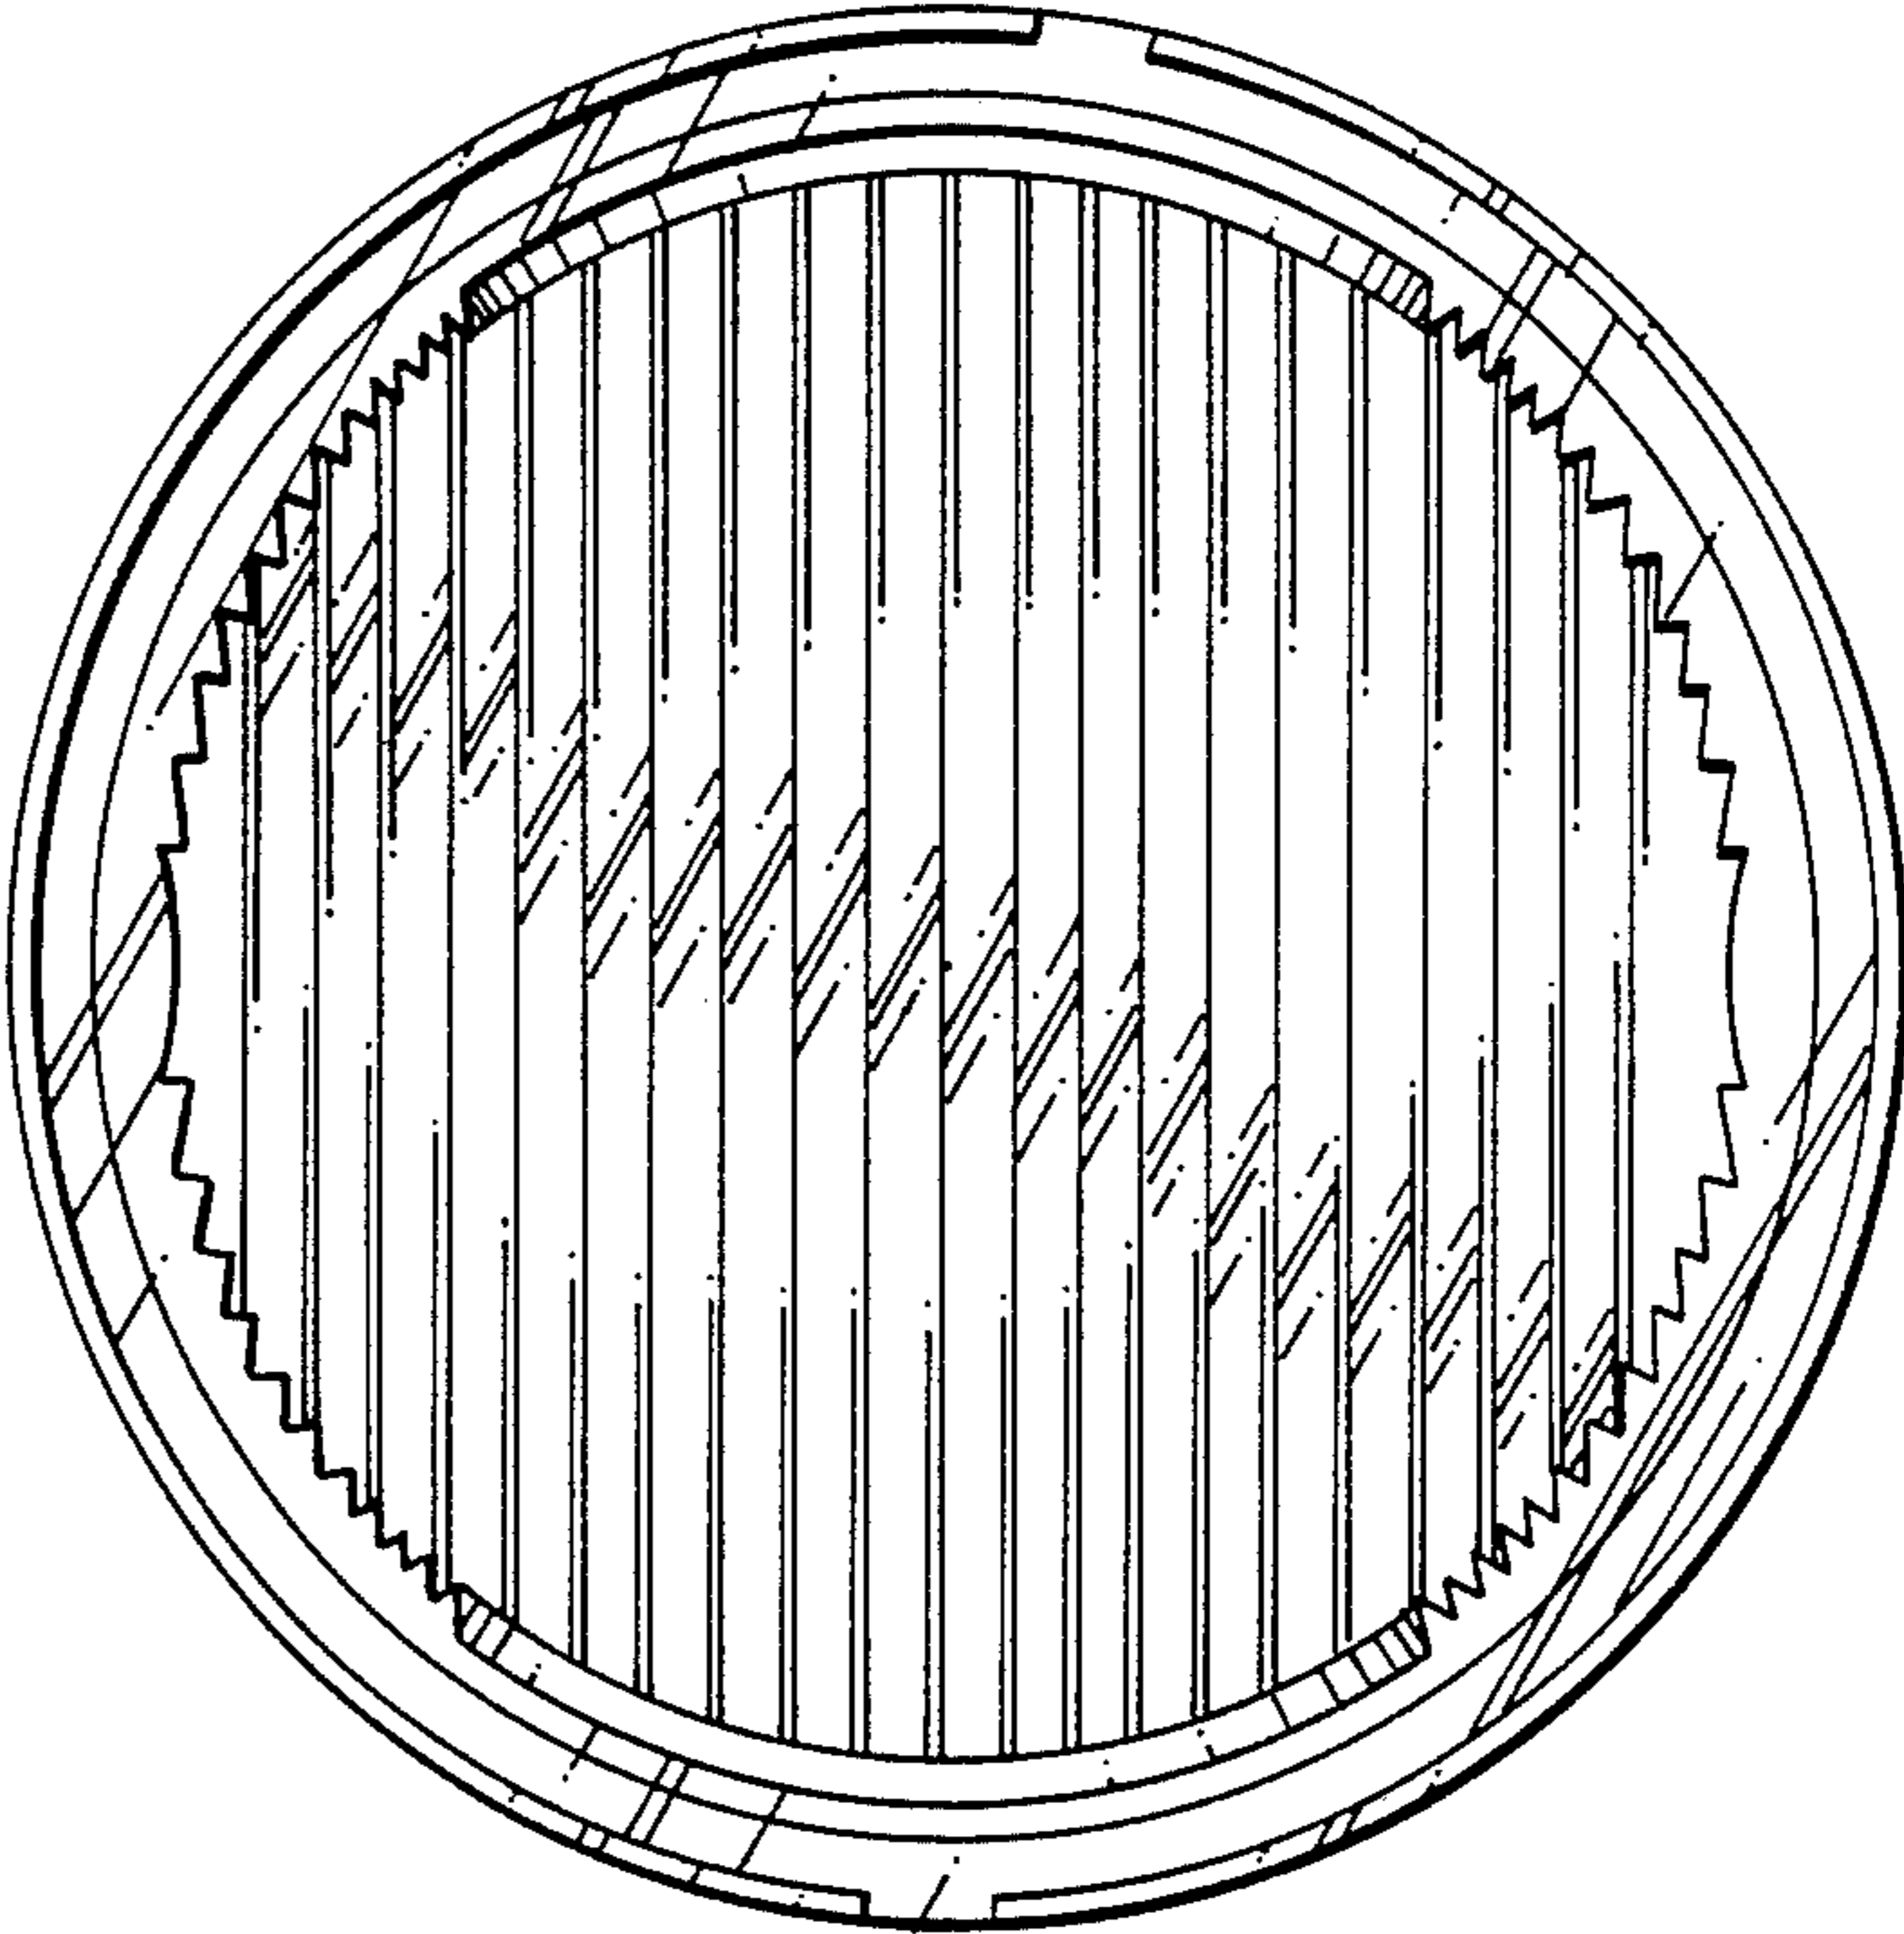

FIG. 3

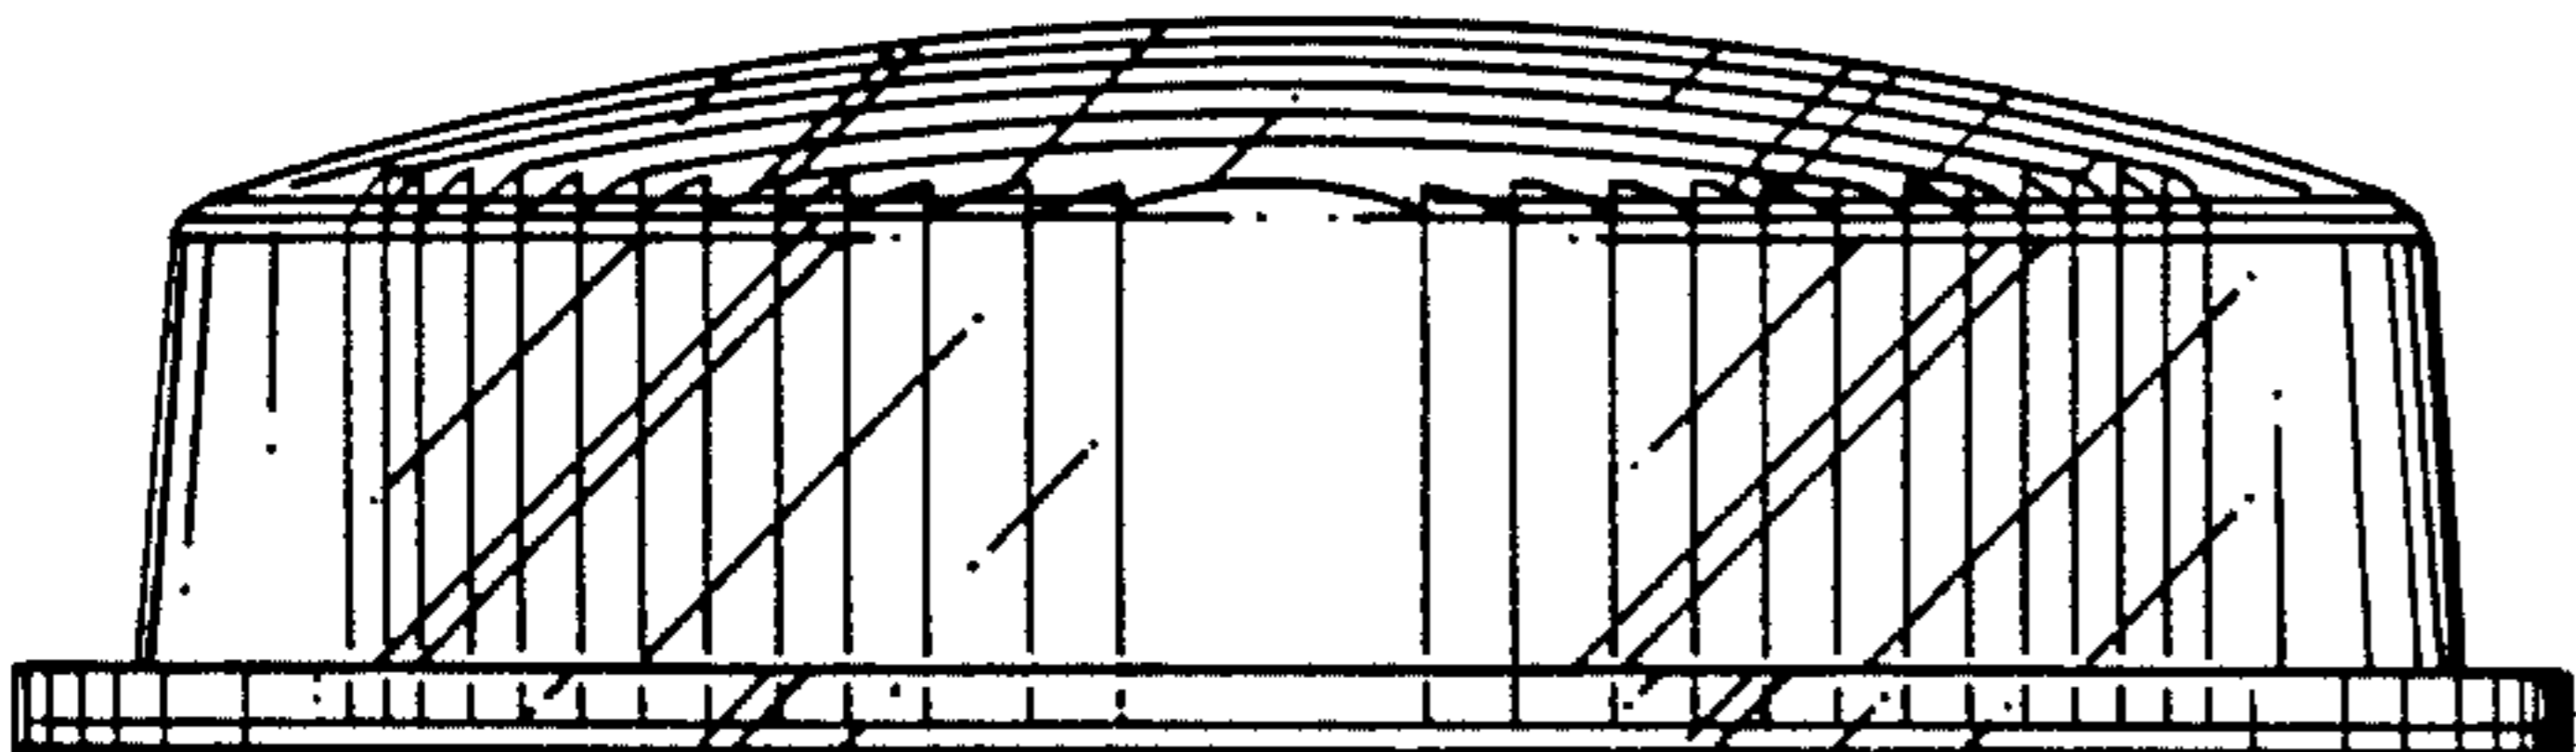

FIG. 4
