[57] CLAIM

The ornamental design for a front control panel for a combined vehicular cassette player and radio receiver, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of a front control panel for a combined vehicular cassette player and radio receiver showing our new design; FIG. 2 is a top plan view thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a bottom plan view thereof; FIG. 5 is a left side elevational view thereof; and FIG. 6 is a right side elevational view thereof. The broken line showing of the cabinet is for illustrative purposes only and forms no part of the claimed design.
