[57] CLAIM

The ornamental design for a transaction card, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a transaction card showing our design;  
 FIG. 2 is a side elevational view, taken from the left side of FIG. 1, with the right side view being the same;  
 FIG. 3 is a top plan view of the transaction card with the bottom view being the same;  
 FIG. 4 is a rear elevational view thereof;  
 FIG. 5 is a front elevational view illustrating a second embodiment of a transaction card showing our design with all other views being the same as in the first embodiment;  
 FIG. 6 is a front elevational view illustrating a third embodiment of a transaction card showing our design with all other views being the same as in the first embodiment; and  
 FIG. 7 is a front elevational view illustrating a fourth embodiment of a transaction card showing our design with all other views being the same as in the first embodiment.
