[57] CLAIM

The ornamental design for a spare tire holder, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a spare tire holder showing my new design, it being understood that the tire is shown in broken lines for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a side elevational view of the other side thereof;

FIG. 3 is a front elevational view thereof with the removable tire retainer plate broken away in the middle for clarity of illustration;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a front elevational view of the removable tire retainer plate thereof shown separately for convenience of illustration, it being understood that the rear is a mirror image of that shown; and

FIG. 8 is an elevational view of the edge of the removable tire retainer plate of FIG. 7 it being understood that each edge is identical to that shown.

FIG. 1

FIG. 2

FIG. 3
