[57] CLAIM

The ornamental design for a light bar assembly for vehicle roofs, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a light bar assembly for vehicle roofs, showing my new design;
FIG. 2 is a side elevational view thereof taken from the right hand side of FIG. 3, the opposite side elevation being the mirror image thereof;
FIG. 3 is a top plan view thereof;
FIG. 4 is a front elevational view thereof;
FIG. 5 is a bottom plan view thereof;
FIG. 6 is a rear elevational view thereof.
