[57] **CLAIM**

The ornamental design for an automobile wheel center cap, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an automobile wheel center cap showing my new design it being understood that the rear of the center cap is flat and unornamented and that the broken lines are for illustrative purposes only and form no part of the claimed design. FIG. 2 is a side elevational view thereof;

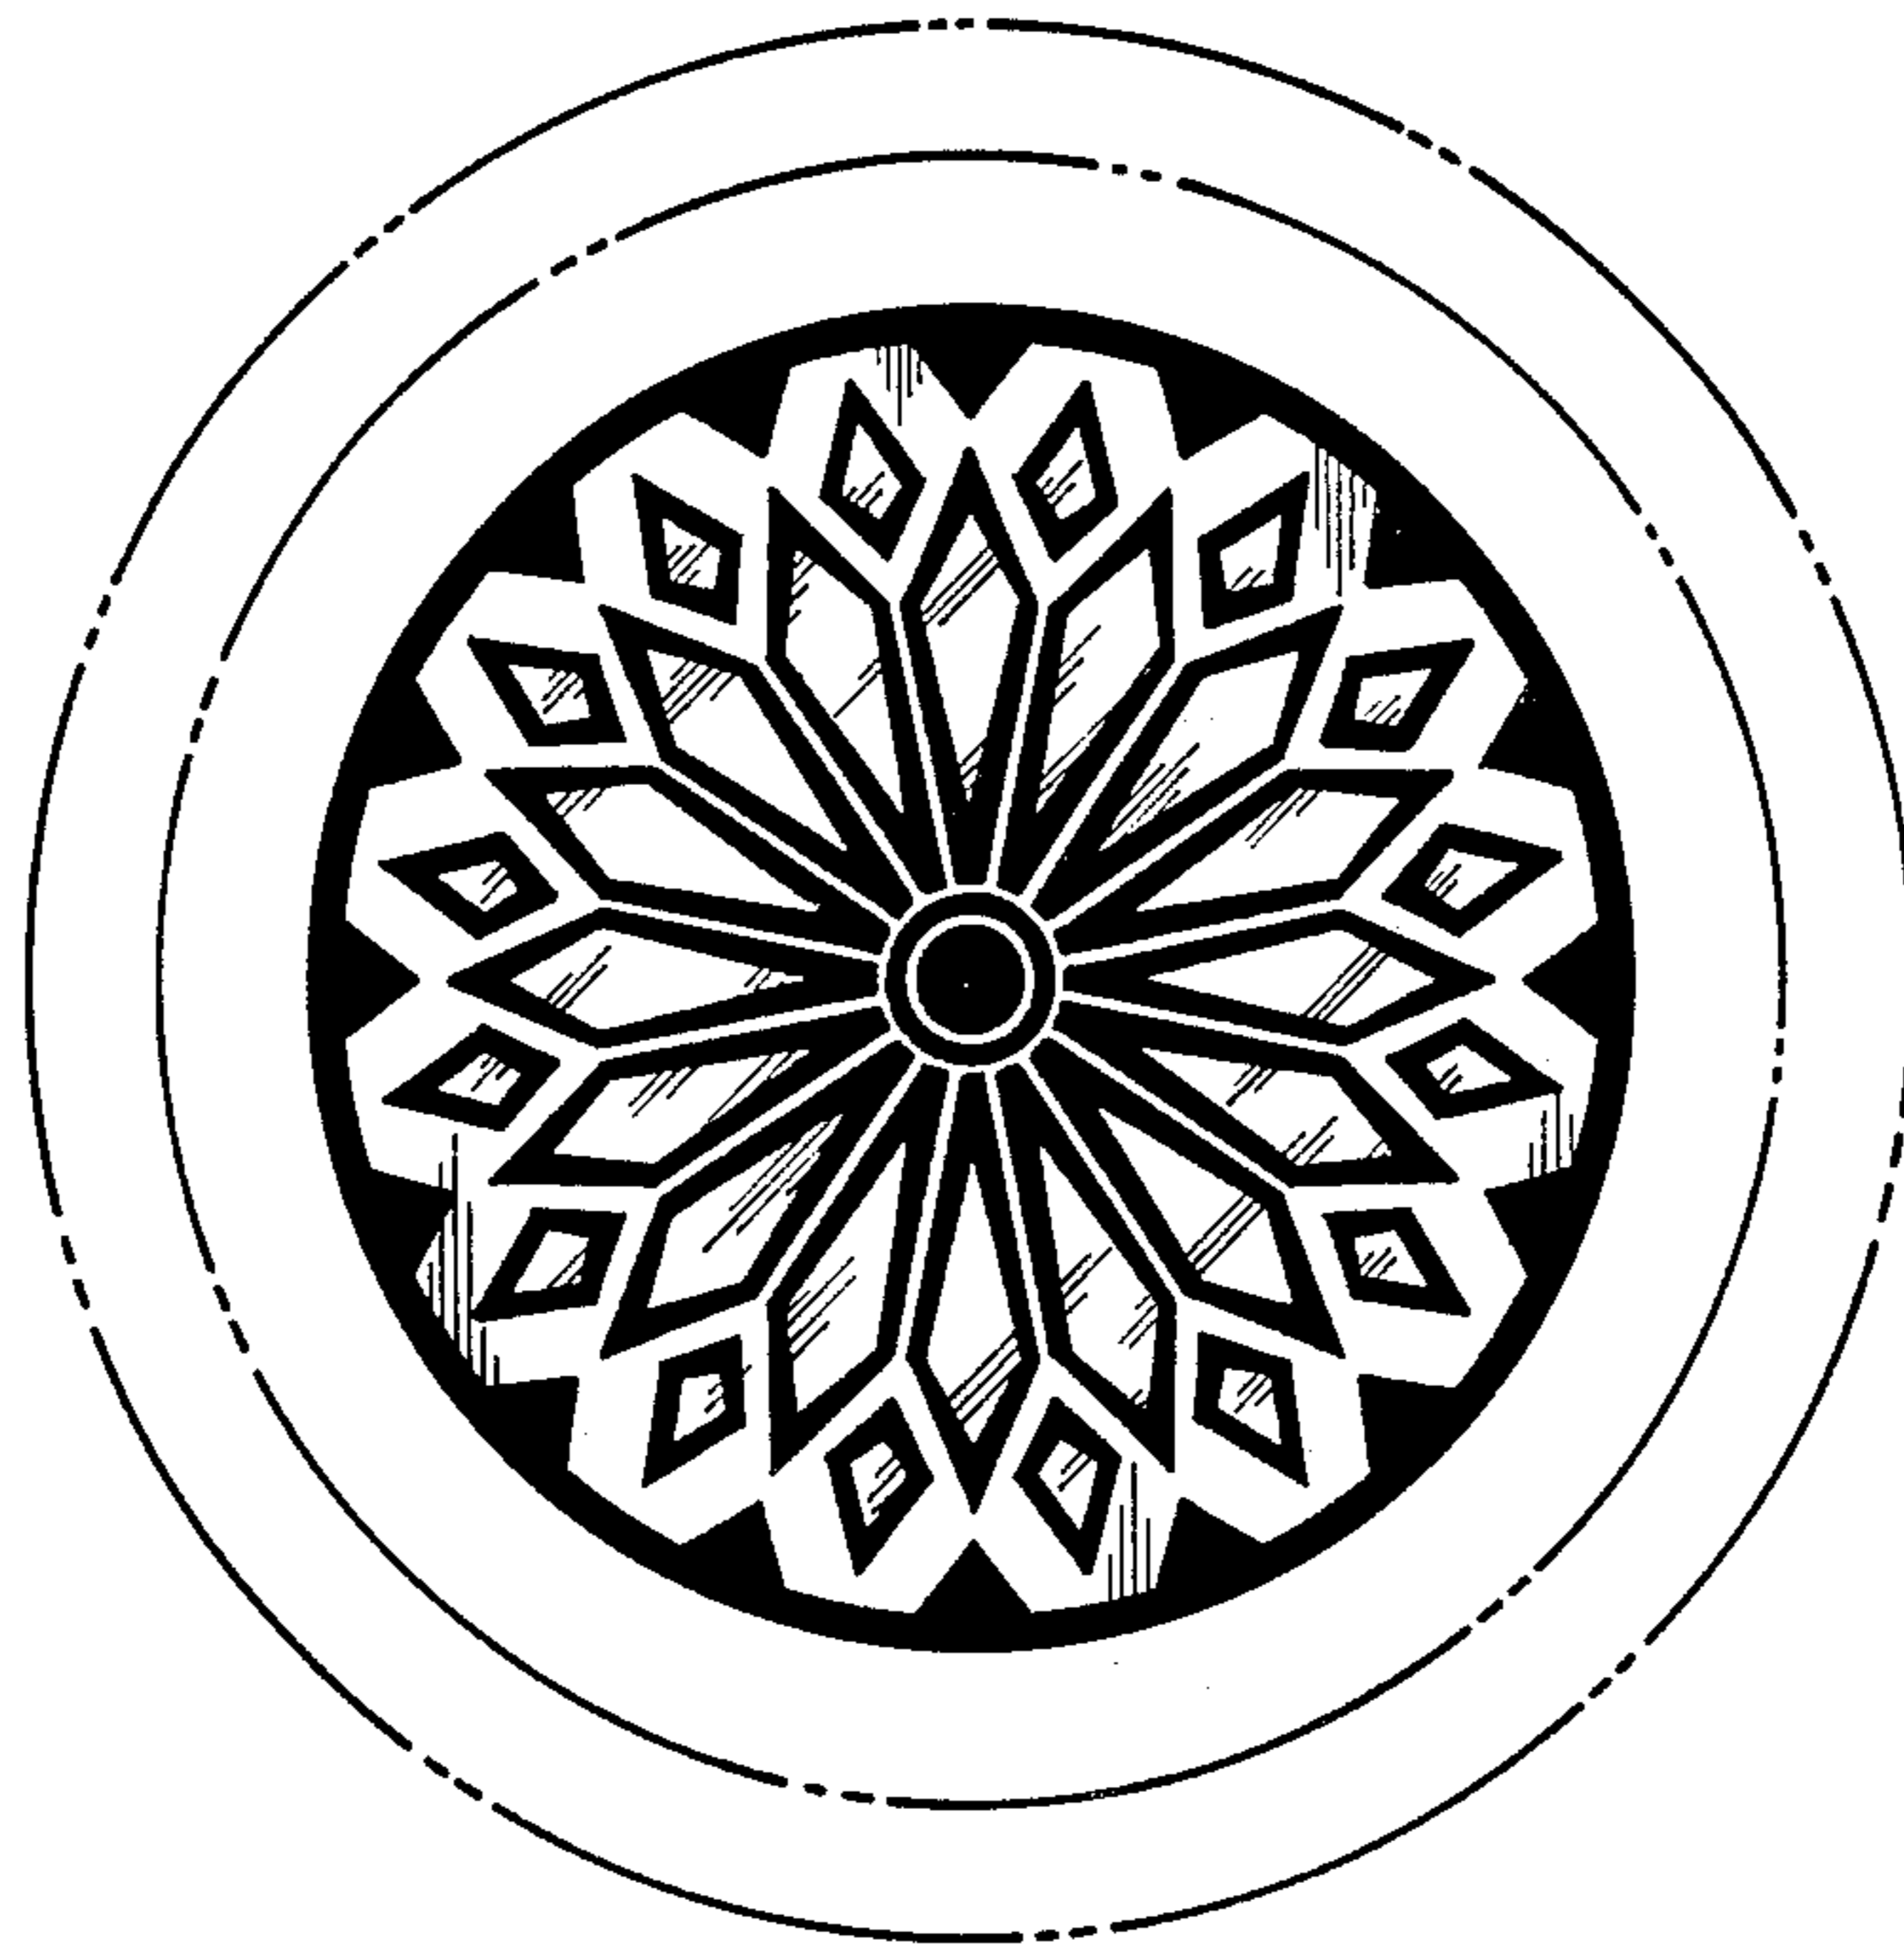

FIG. 1

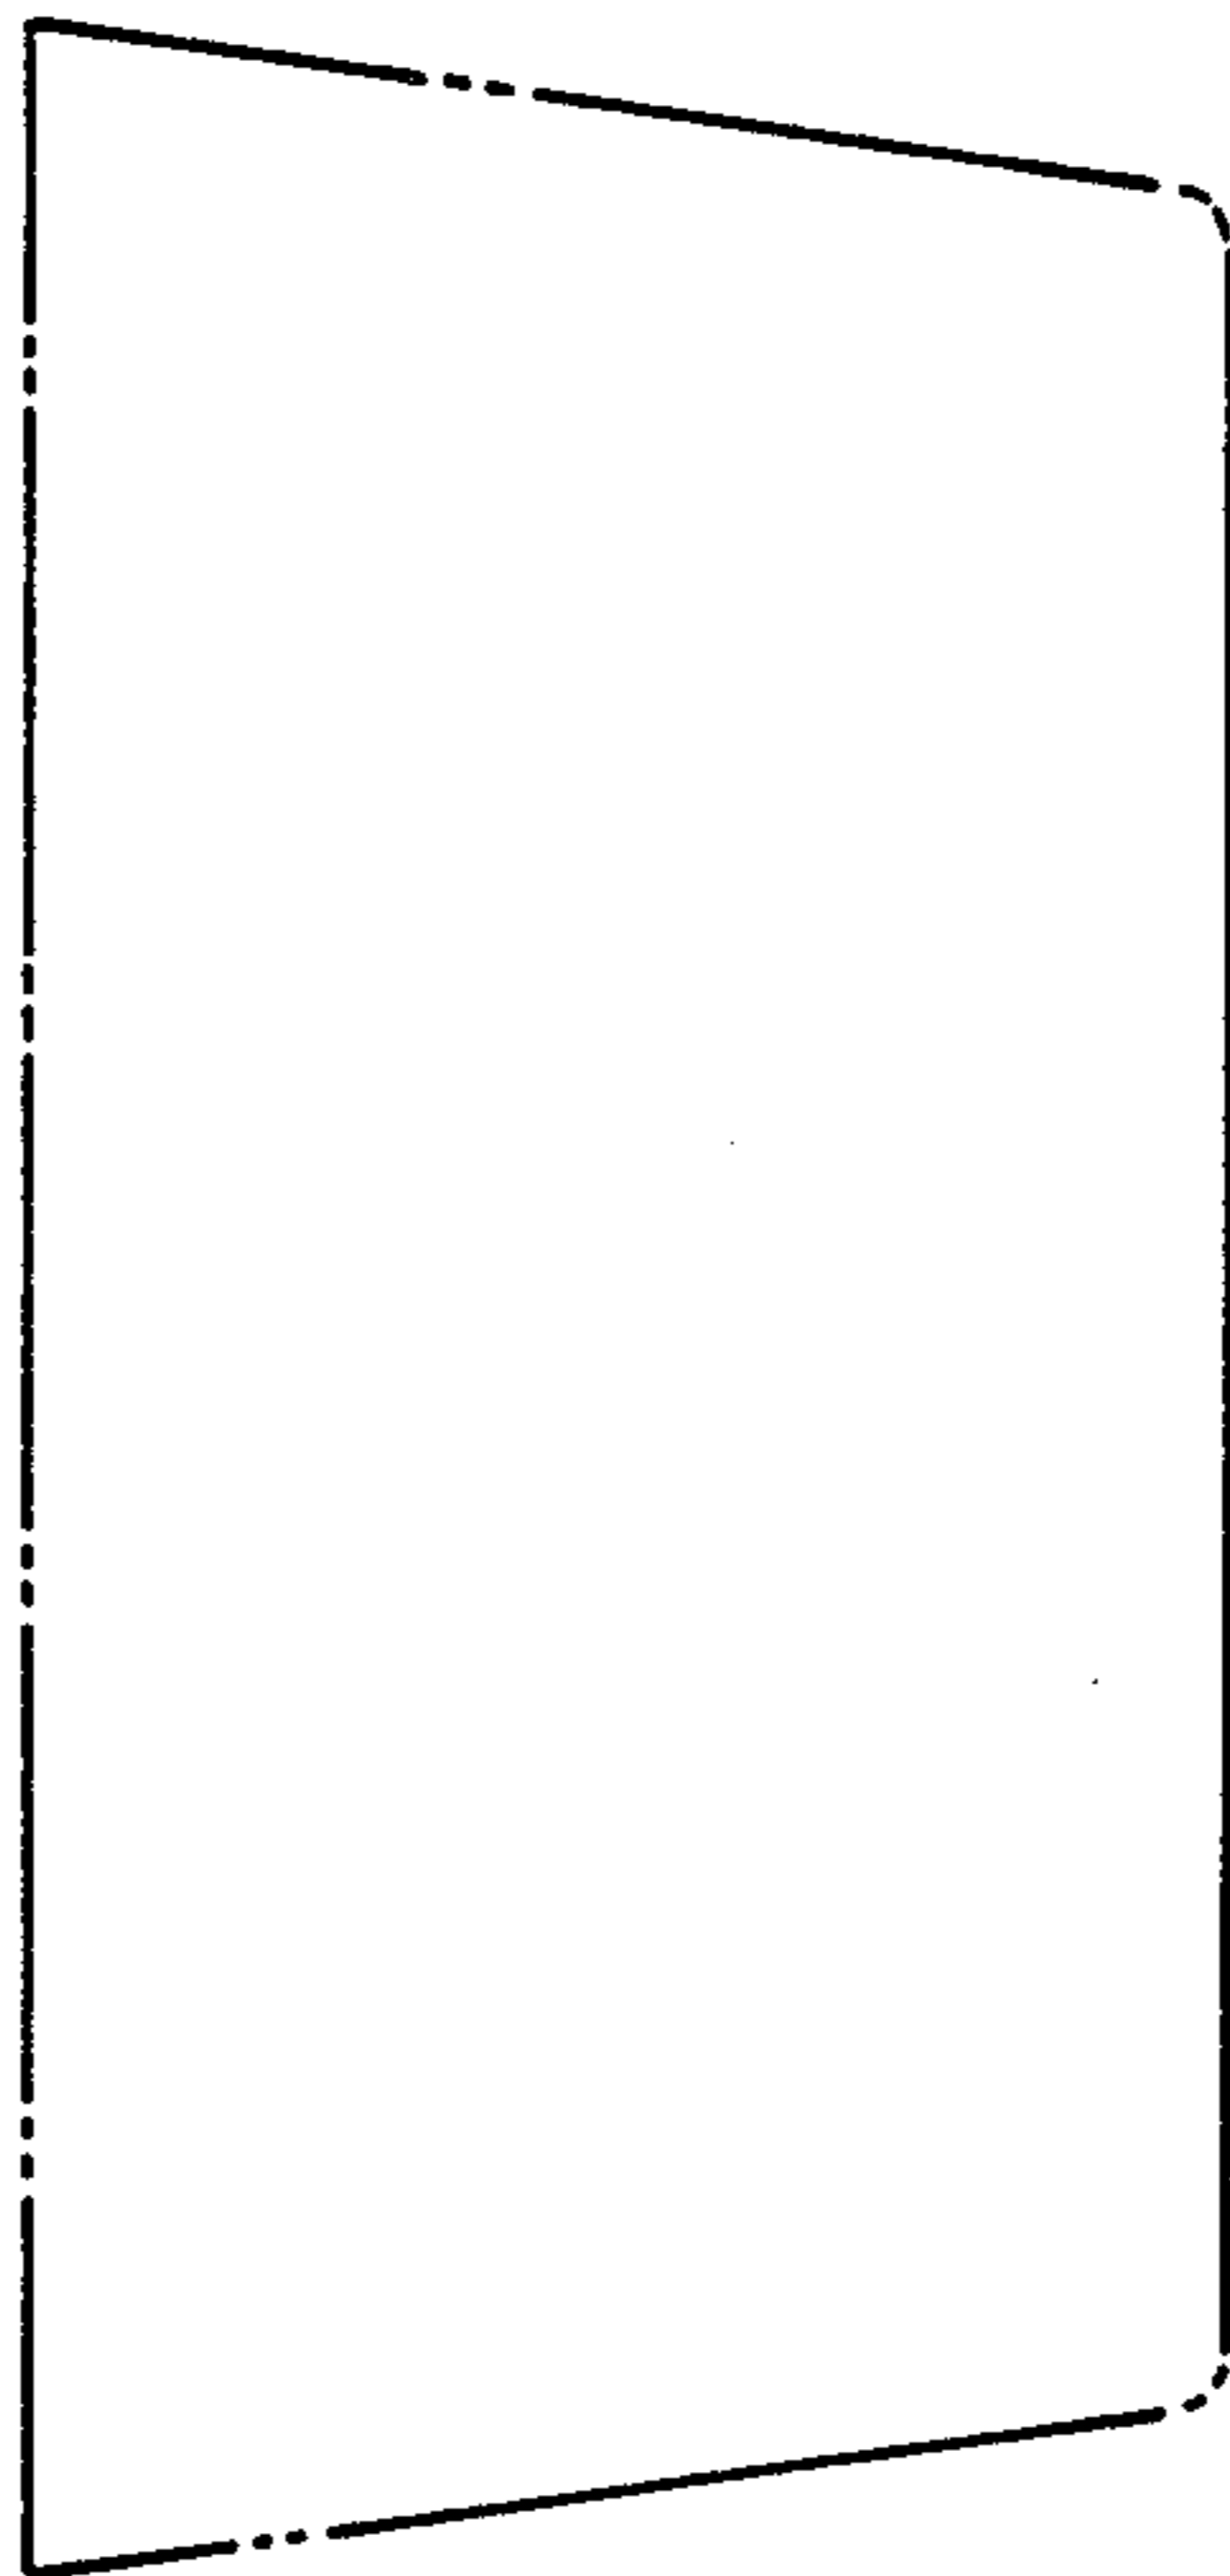

FIG. 2
