[57] CLAIM

The ornamental design for electric stapler, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of an electric stapler showing our new design, the broken line showing of a power cord fragment is illustrative of environmental structure only and forms no part of the claimed design;
FIG. 2 is a top plan view thereof on an enlarged scale;
FIG. 3 is a right side elevational view thereof on an enlarged scale, the left side is a mirror image thereof.
FIG. 4 is a bottom plan view thereof on an enlarged scale;
FIG. 5 is a front end elevational view thereof on an enlarged scale; and
FIG. 6 is a rear end elevational view thereof on an enlarged scale.
